THE 1969 TYPHOON

Volume 53

Co-Editors
DAVID TRIPP and PETER CAMMARANO

Here it is . . .

THE 1969 TYPHOON

The 1969 *Typhoon* is unique in that it was written and laid out in its entirety in the short space of eight weeks, during the months of July and August. It is also unique in that it was a two-man yearbook — Peter Cammarano spent his summer developing photographs and writing the senior write-ups, while David Tripp spent his drawing layouts and studying at Carnegie-Mellon University and doing the final editing when the *Typhoon* came back to Milford in September.

The portrait pictures taken by Jay Jannetty are the only professionally done photographs that appear in the *Typhoon.* Aside from a couple of pictures done by Rich Brown, all the rest were done by Pete and Dave. We used these action pictures in the sports section in an attempt to capture the feel of the athletic competition at Milford. The same technique has been used in the candid section as we show the climate of life at the Academy.

We feel that this is the best possible job we could have accomplished under the circumstances. Our original editor, Andy Miller, had decided that we could put the book out during the summer, but when the summer arrived Andy went to Argentina, and all the other members of the staff had disappeared too, leaving the whole book to the two of us. We hope you enjoy it.

DEDICATION

After serving the Academy for 21 years, Mr. Raymond D. Kallstrom has resigned to accept a position on the Development Staff of the University of Bridgeport. During his stay at Milford, Ray K., as he was affectionately known, taught History, was chairman of the department, and coached golf. He was appointed to the position of Headmaster in 1963, after having previously served for two years as interim headmaster.

It is in appreciation of his years of service to the Academy that we dedicate the 1969 Typhoon to Ray K., Mr. Raymond D. Kallstrom.

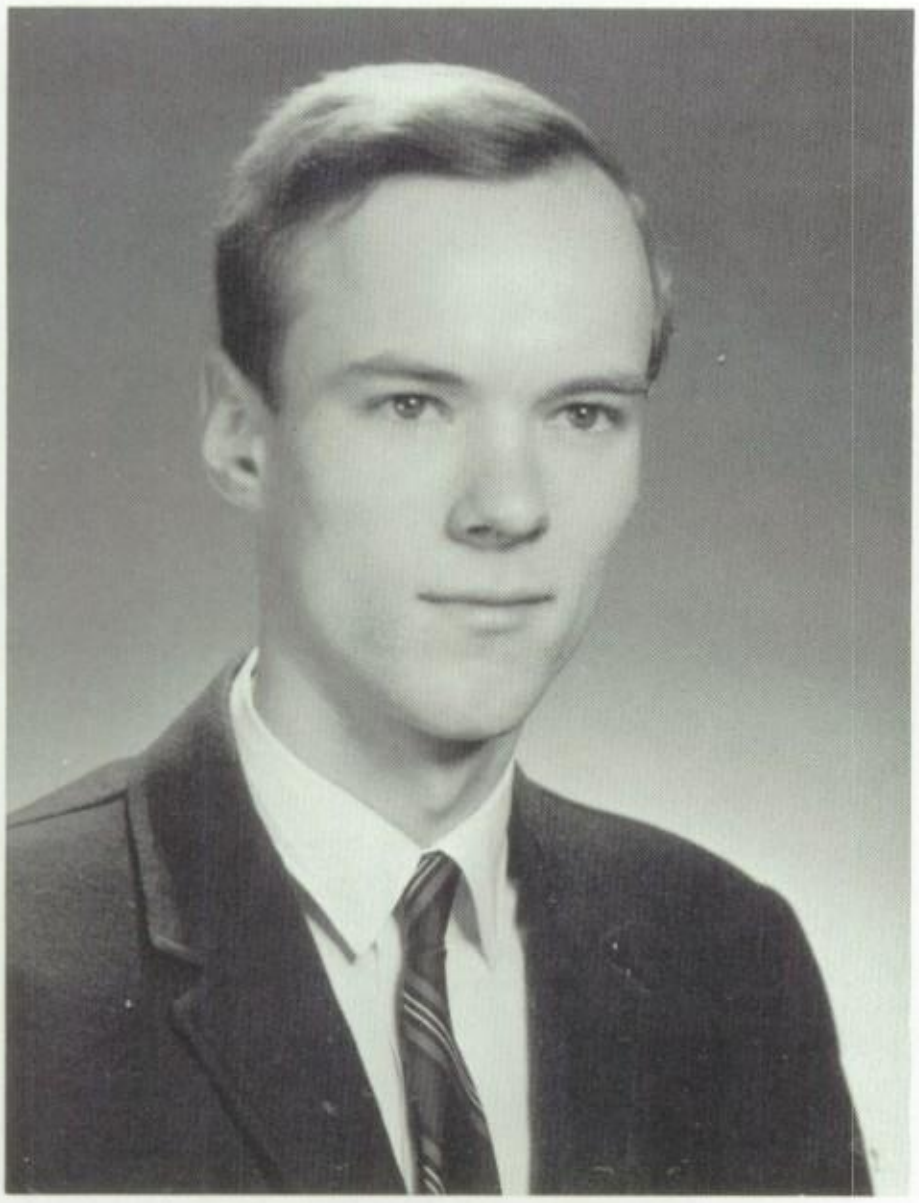
SENIORS



DAVID ALLEN

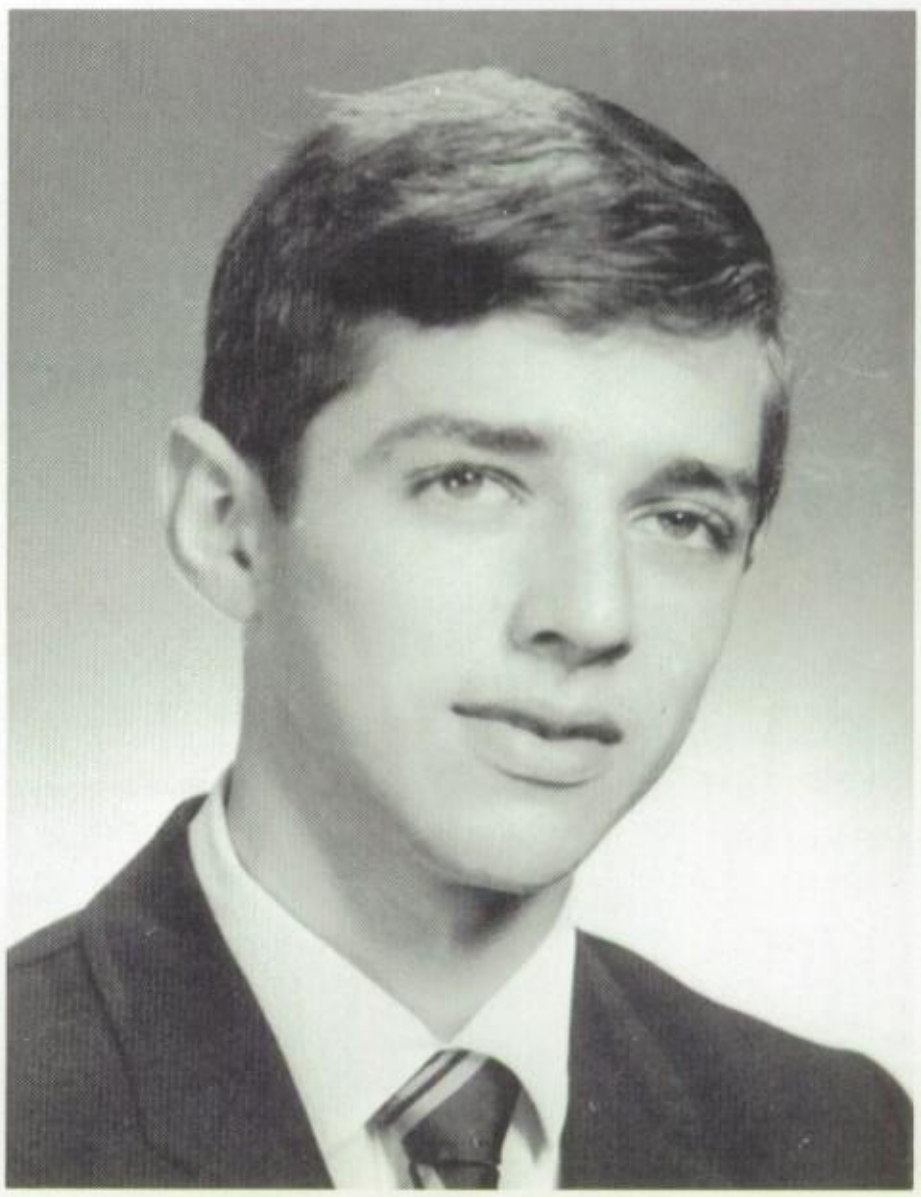
Inter-Act Club 3,4; Baseball 3.

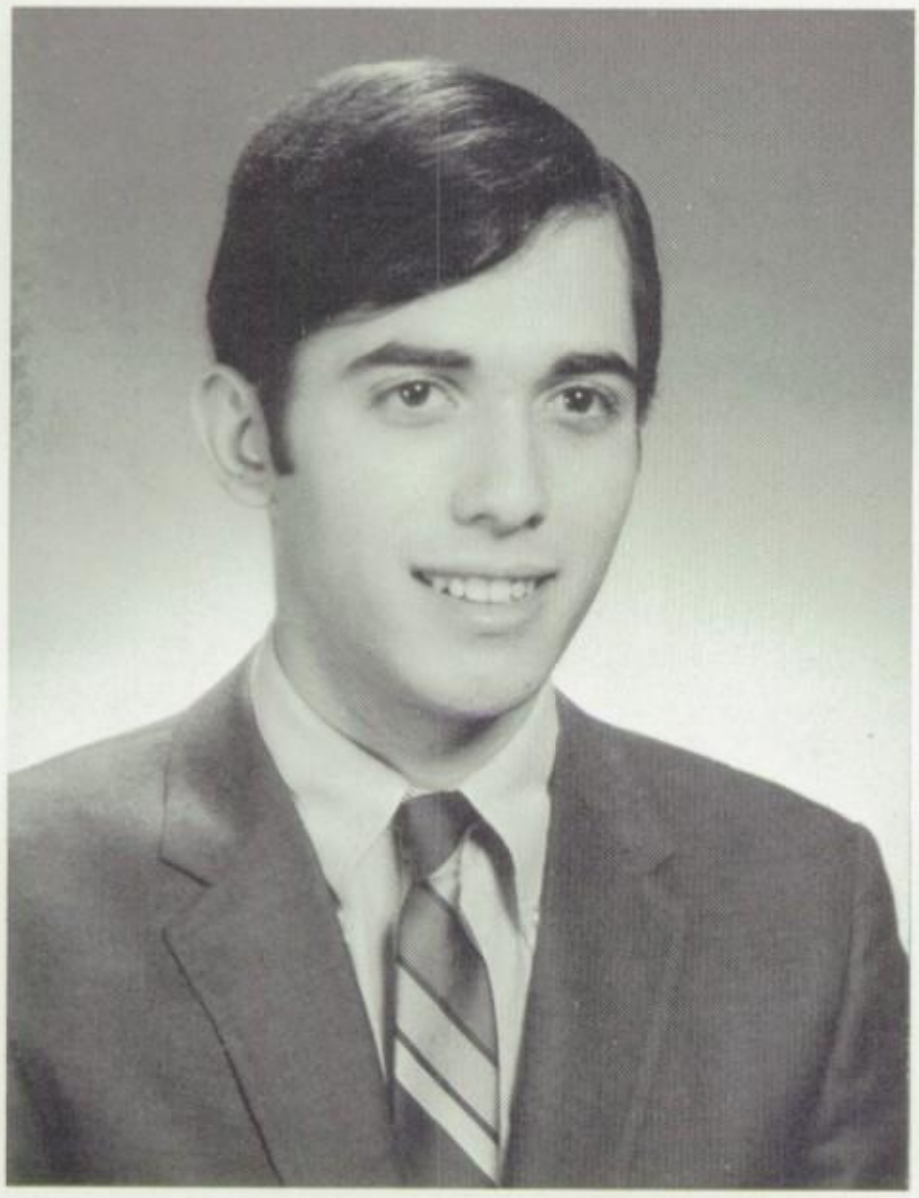
Dave, who hails from Milford, has attended Milford for two years. During these two years he has starred in baseball and intramural basketball. David has been a great asset to the school with his great sportsmanlike conduct at both away and home games and we wish him the greatest success at the University of Connecticut.

SENIORS

FREDERICK JOSEPH ALTIERI

Fred was one of the major Bridgeport contributions. Known for his unfailing efforts in practical jokes, he made many friends. His yellow Ford could be seen bombing up and down the streets every class period. His favorite hobby was excessive bull- . . . Fred's qualities of unselfishness and honesty, which made him popular at Milford, should pave his way towards Boston University.





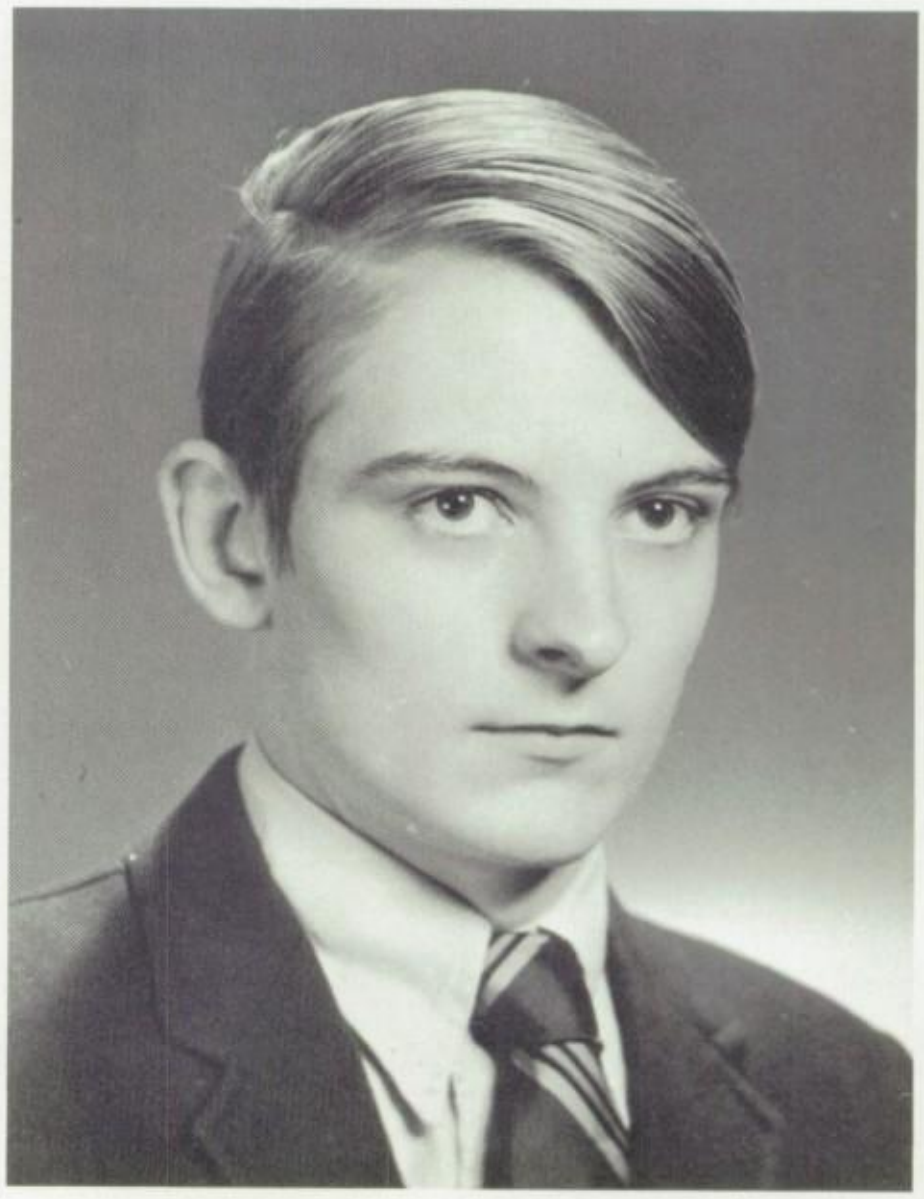
LOUIS ARCUCCI

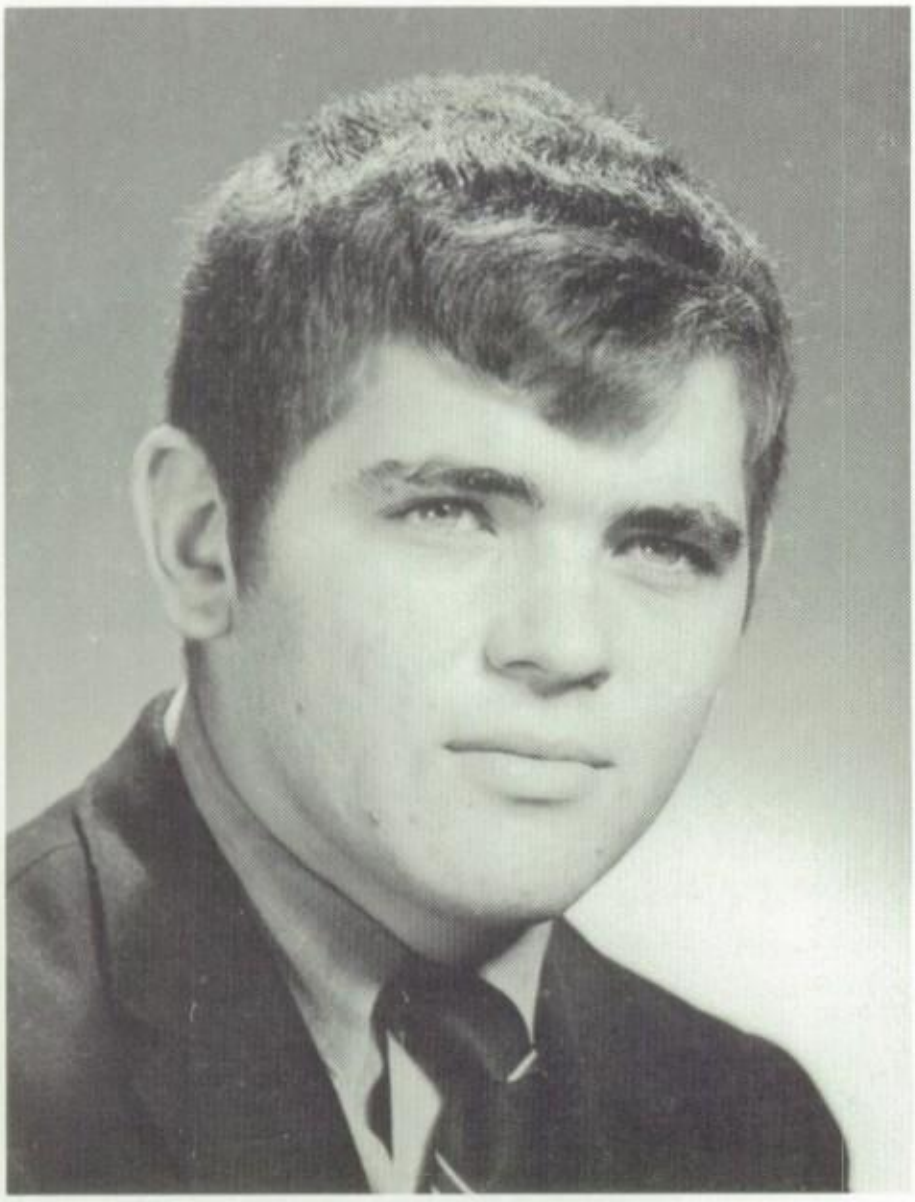
Football 2; Bowling 2,3,4.

Louie-Louie, a day hop from East Haven, is a four year man at the Academy, having attended since ninth grade. Louie's sense of humor and timely remarks have helped greatly to break the tensions of the normally serious school year. Despite his frivolity, he has usually managed to make the honor roll and has had time to participate in many school functions including the bowling team. He deserves special credit for his high scoring throughout the bowling season. Louie currently has his sights set on Quinnipiac College, where he plans to take up business administration.

KELVIN BANTA

Kel, as Kelvin is called by his classmates, is one of Milford's illustrious group from Milford itself. Sincere and hard working, Kel will embark to Ferris State University (Mr. Bray graduated from there) and room with Zuck? What a combination! His amiable nature and magnetic personality will be great assets to him in his future life.





DAVID BARONE

Football 4; Baseball 4.

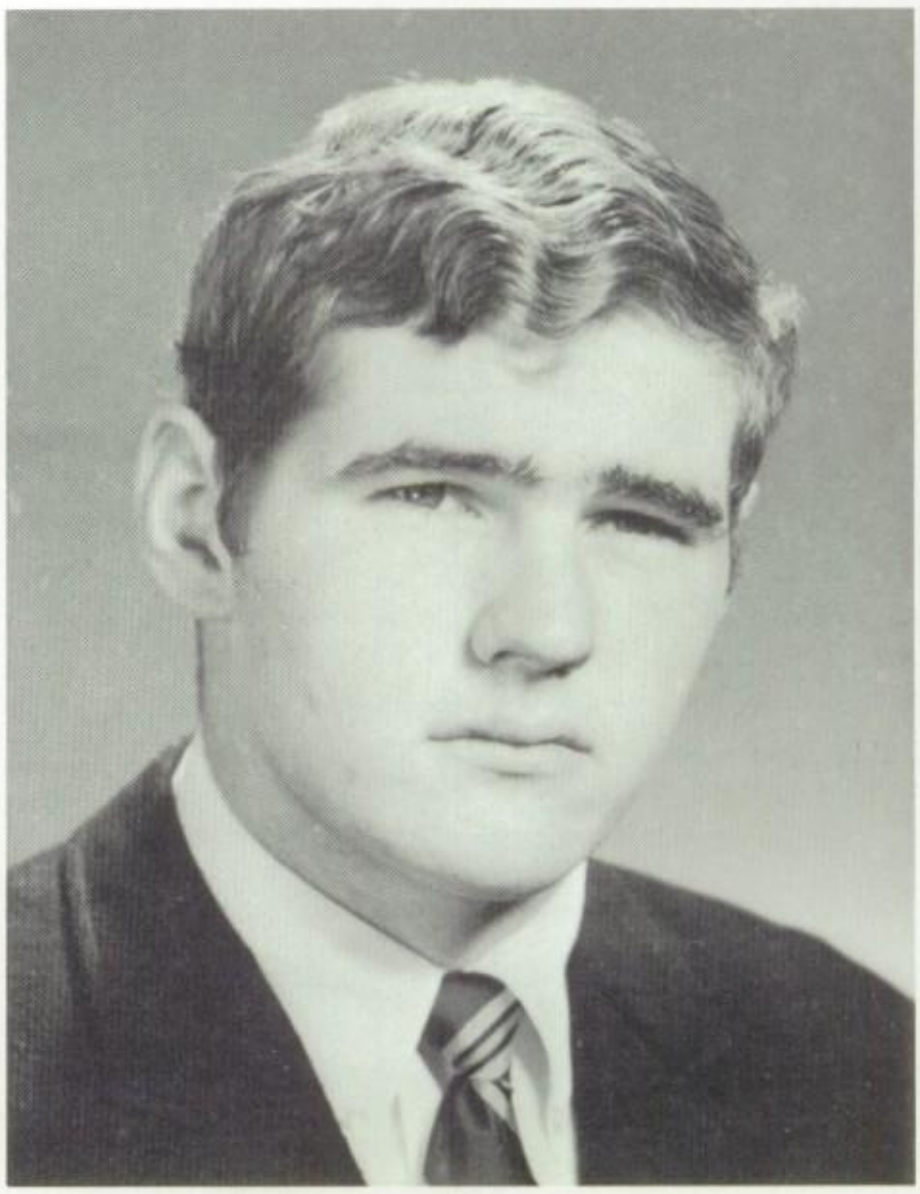
"Teddy-Bear" is a well-liked fellow with simple tastes and simple ambitions. He contributed to the football and baseball teams this year with his fine spirit and "never say die attitude." Dave can often be found fondling his "teeth."

SENIORS

NICHOLAS BEHUN

Football 4.

Nick entered the Academy as a post graduate from Ansonia High School. Nick is an outstanding football end, linebacker and place kicker. He was named most valuable lineman at Ansonia and was named to the All-Naugatuck Valley team last season. He is also outstanding academically, compiling highest grades in U.S. History and woodworking and was elected class president while at Ansonia High.



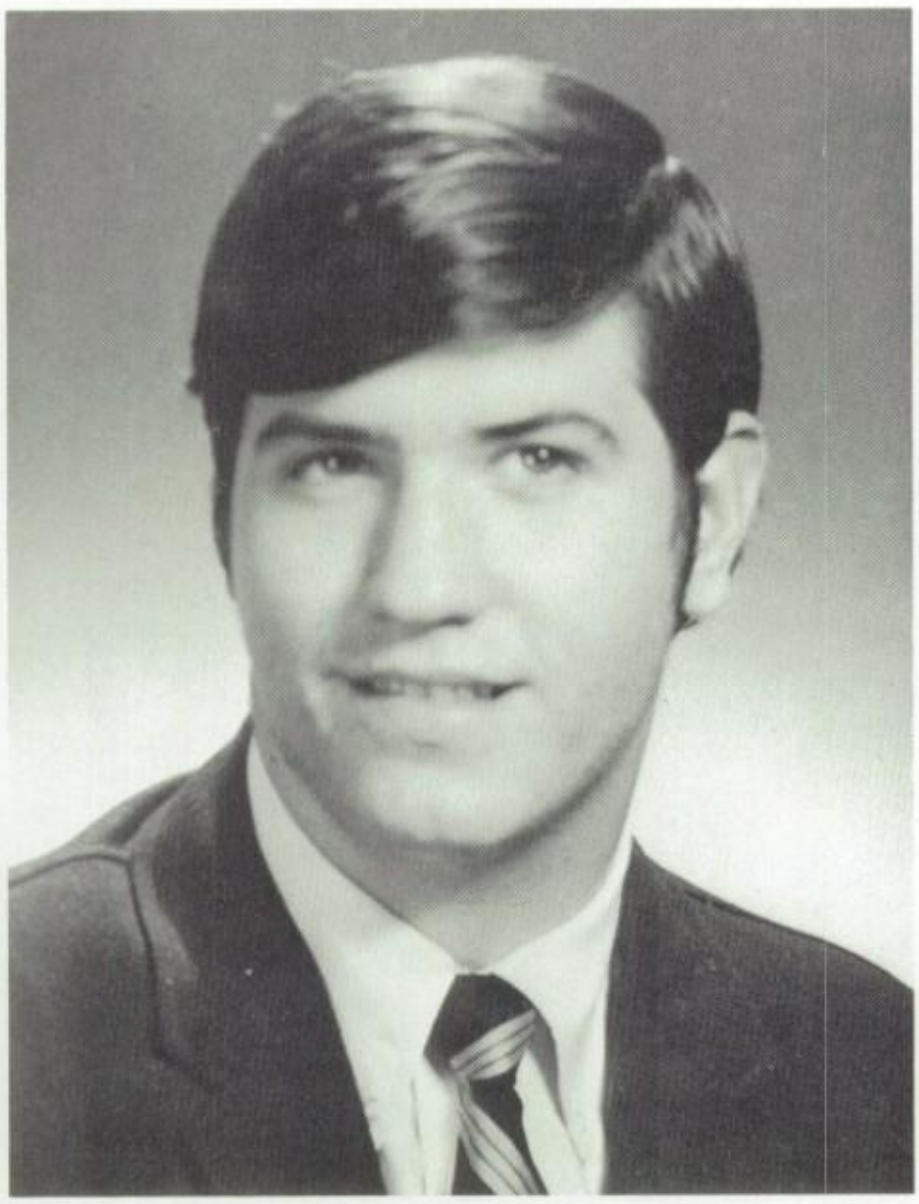
DAVID BERRYMAN

Dave came to Milford Academy for the 1968 session of summer school and then returned this fall for his senior year. Dave was not only an honor student but also participated in Milford's athletic activities by joining the football, wrestling and baseball teams. Back home in St. Louis he enjoys hunting and fishing. Here at Milford he could be seen stalking the bookstores trying to find some item which a fellow student wishes to buy. St. Louis plans to go into the field of aviation and hopes to matriculate at Parks Aeronautical College of Technology. We wish him the best of luck in college and the future.

CLASS OF 1969

EDDY BLOCK

Ace is undoubtedly the most popular member of this year's graduating class. He is another one of those Valley characters, and as such can be seen lurching across the Academy grounds toward the gym at midnight of any evening with a full moon. Seriously, this cat from Derby is one of the Academy's best hoopsters, and is a star of our basketball team. Whenever he's not in class he's either on the basketball court or in the Trainer's room, giving Doc grief. Eddy wishes to play for Springfield, but would settle for Yale, if they needed him.



PETER BLOOM

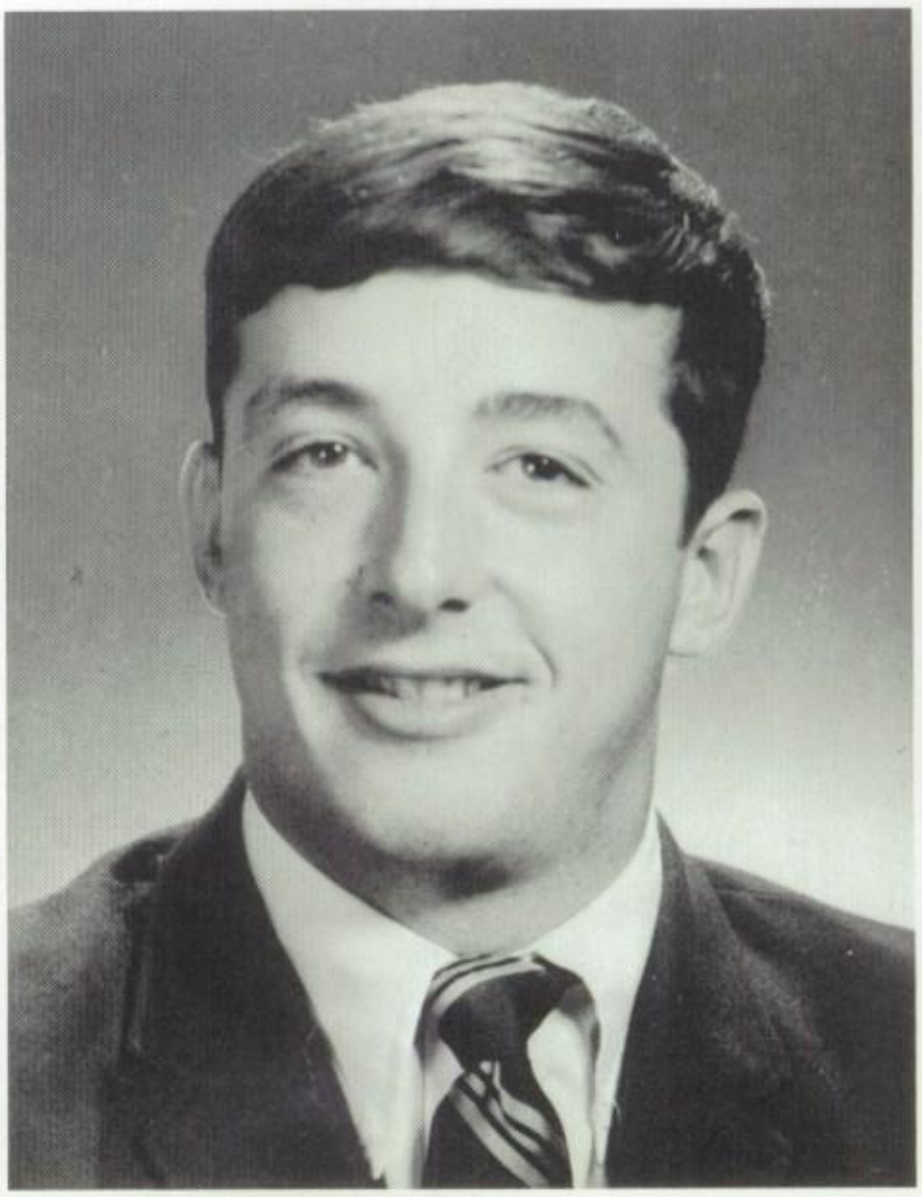
Golf Team 4; Bowling Team 4.

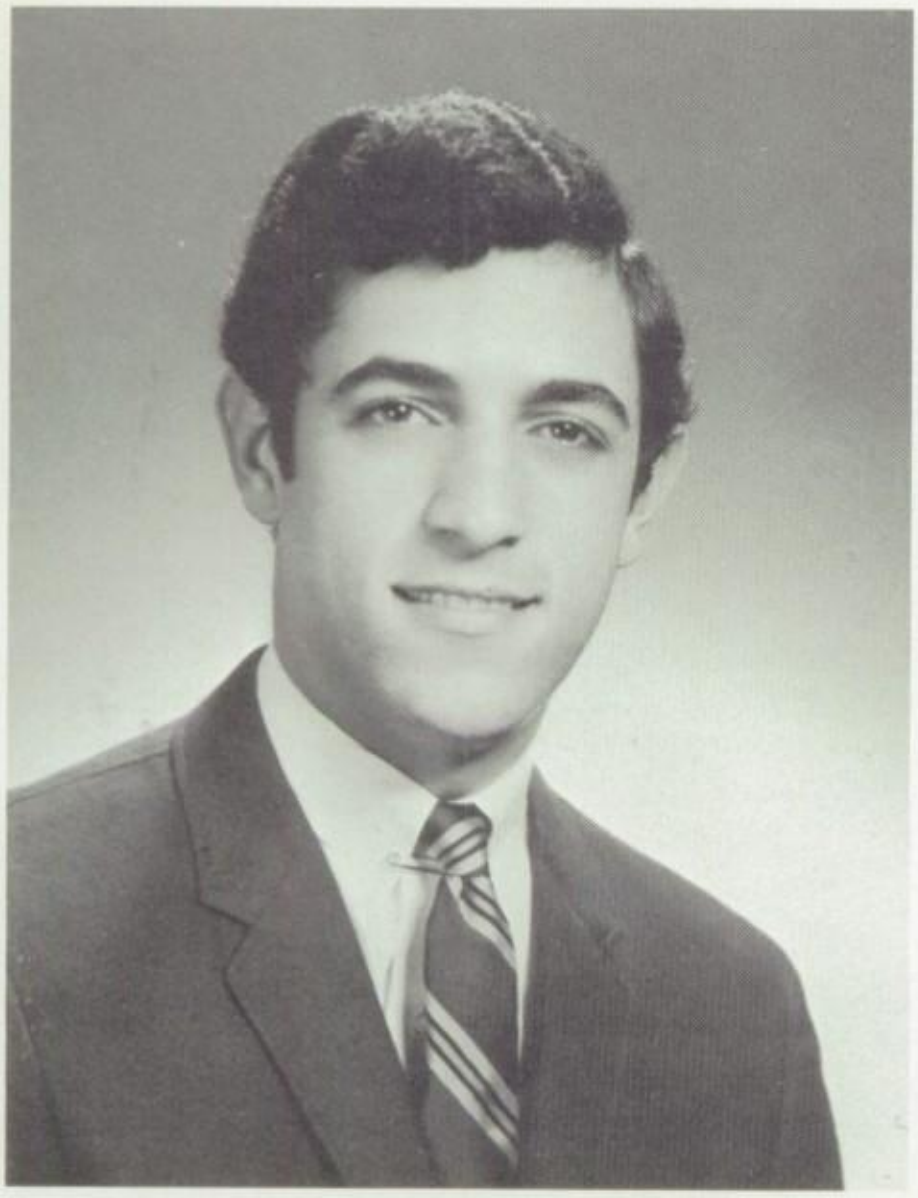
Pete entered Milford in his Junior year from "the teen haven of the continent," New York State. He is a loud, aggressive, and always at the scent of action, if not a main instigator. While on vacation in his home town, Pete is reported to have always been in full swing. Of course swinging does have its drawbacks, and Pete was not to be denied involvement in the famous dining hall incidents. Also, Pete was very busy on the first day of school (to find who he was rooming with). We're bound to hear from Big Pete in a big way after he graduates from Morehead State University.

SENIORS

MARC BLUESTEIN

Blue came to Milford from Lexington, Massachusetts. Marc, a one year post graduate student, was the spark of the basketball team this year. A hard worker, he was one of the few to tackle English IV and V in one year. Marc plans to enter the University of Connecticut and earn a teacher's certificate in math. *The Typhoon* wishes him the best of luck in his eagerness to teach math and coach basketball.





ROGER BONVINI

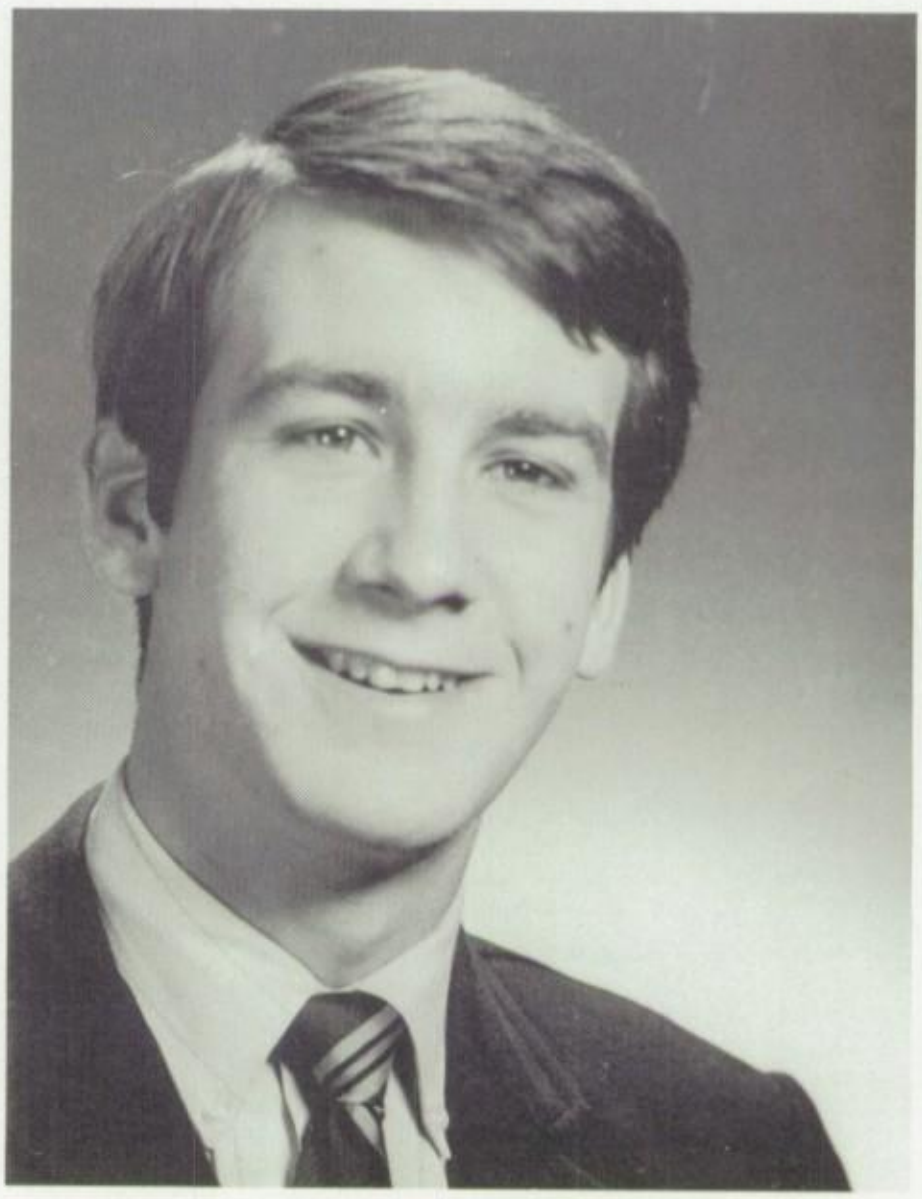
Roger, a one year man at the Academy, will always be remembered for his heated debates with a certain faculty member. He is known as the liberal of the class because of his membership in an underground organization. We are sure he will do well at college.

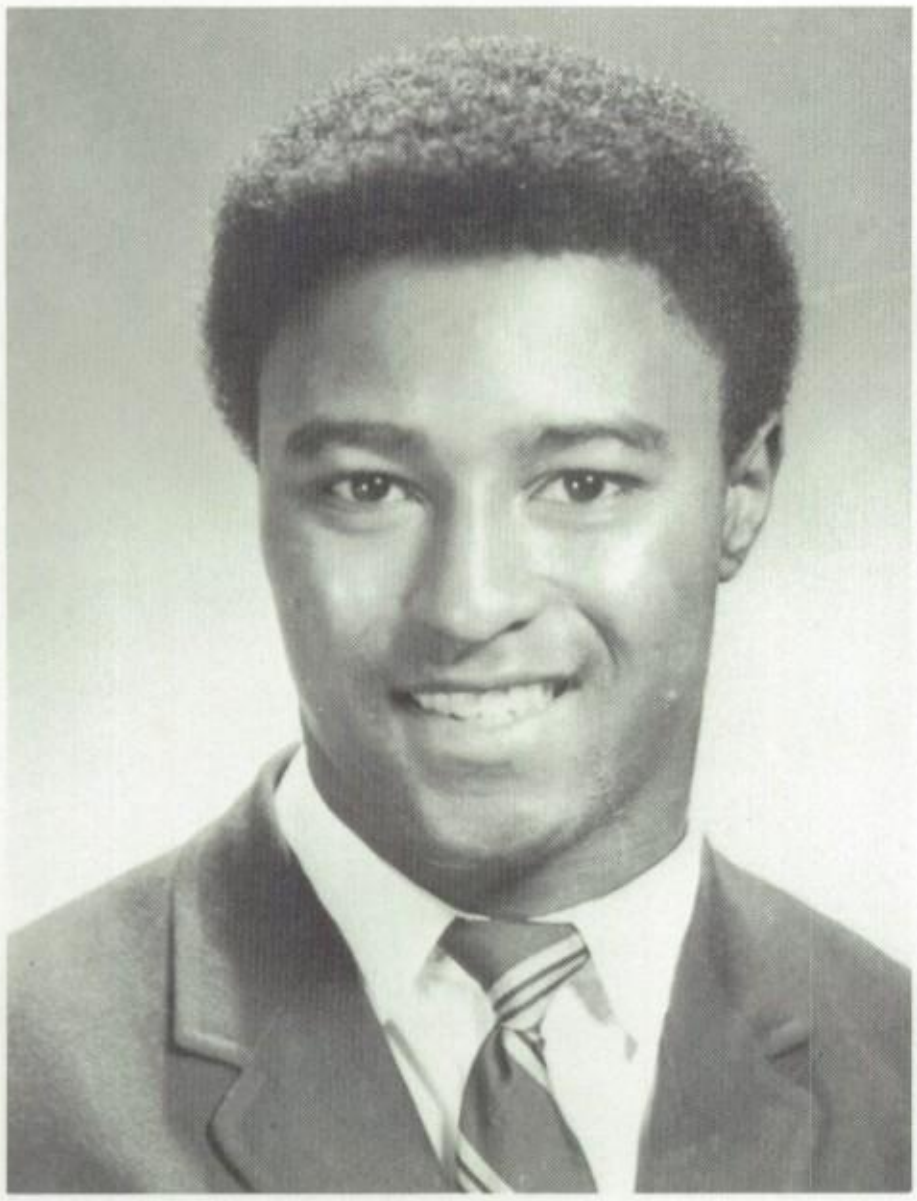
CLASS OF 1969

ANDREW BOYLAN

Track 1,2,3; Cross-Country 2,3; Wrestling 3,4; Fencing Club 1; Drama Club 4.

Jack, our man from New York, has gained notoriety around campus for his friendly smile and boisterous voice. His wit and sarcasm have caused him to be the instigator of many bull sessions in Andrew Hall. Jack is also known for his love and knowledge of Drama. He held one of the leading roles in the school play. Wherever Jack matriculates, we wish him the very best of luck throughout his life.



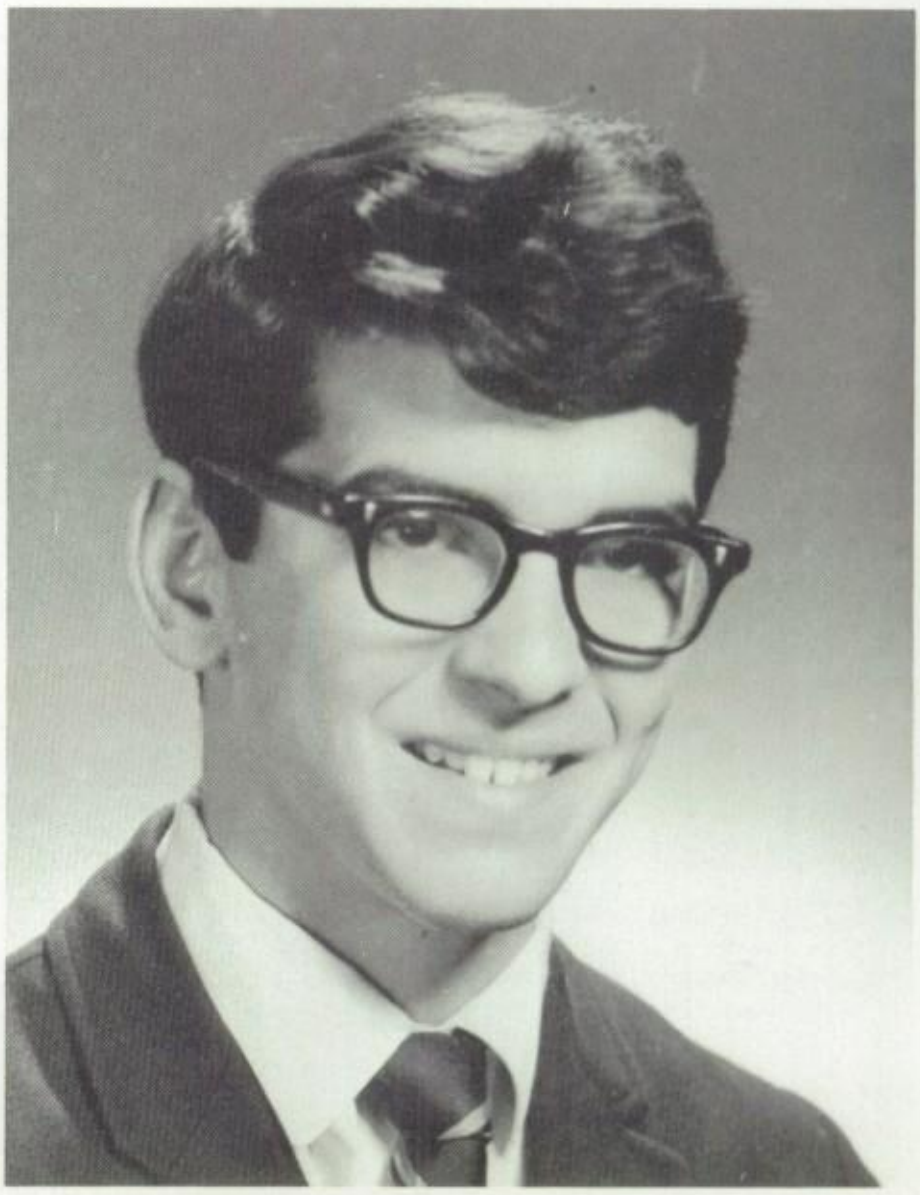


MICHAEL BROADHURST

Football 4.

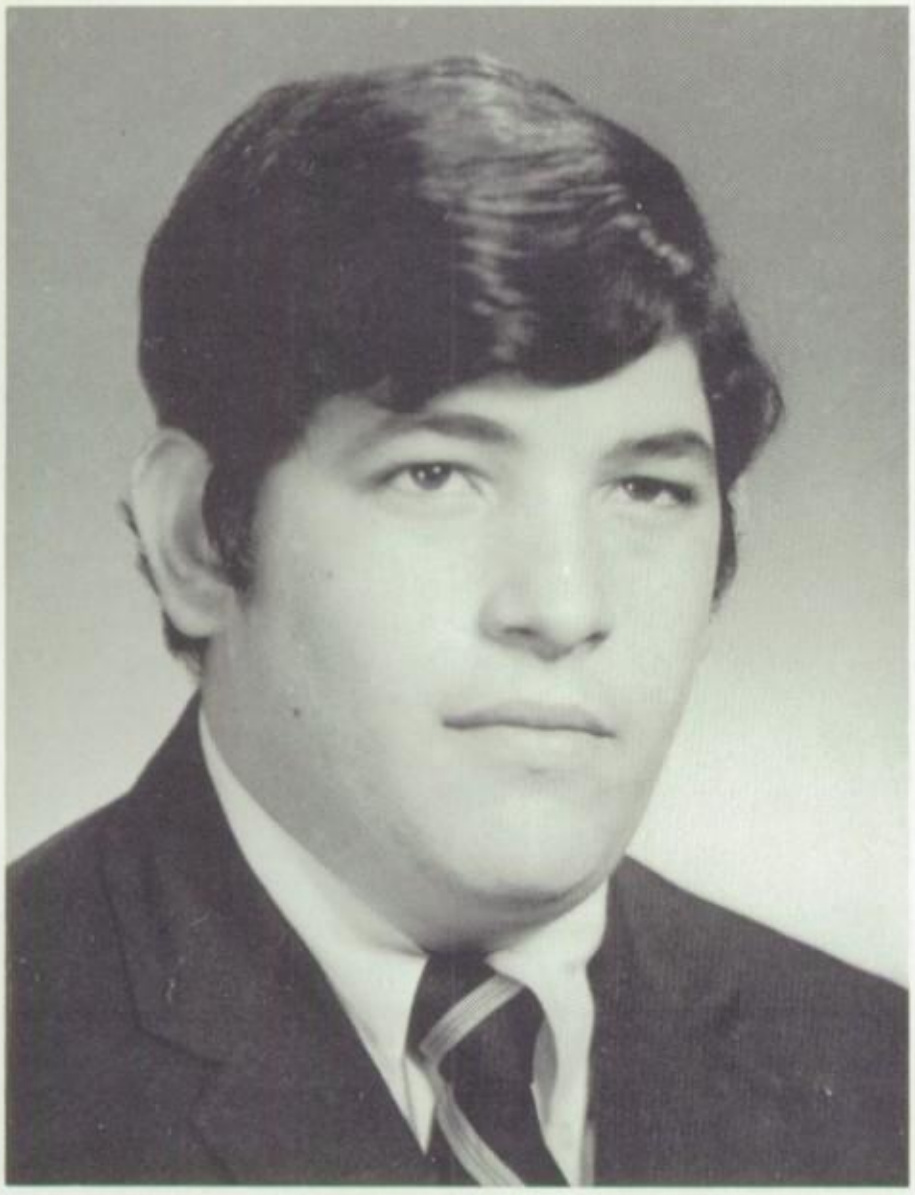
Mike, a day student, has spent his last year bettering himself. A graduate from Hillhouse, Mike played fantastic football for Mr. Downey and was an all around member of this year's class. Best of luck to a fine athlete.

SENIORS



PAUL BRUCH

Paul is one of our big men from Southbury. A boarding student for the last two years, "Shuckles" was an outstanding wrestler and basketball manager. With a smile on his face and a good word for all, Paul can always be seen running errands for all the boys in Morris Hall. We wish Paul the best of luck at the college of his choice.



MARK BURKE

Chess Club 4; Drama Club 4; Sailing Team 4; Bowling Team 4; Pool League 4; Student Council 4; Lauralton Hall 4.

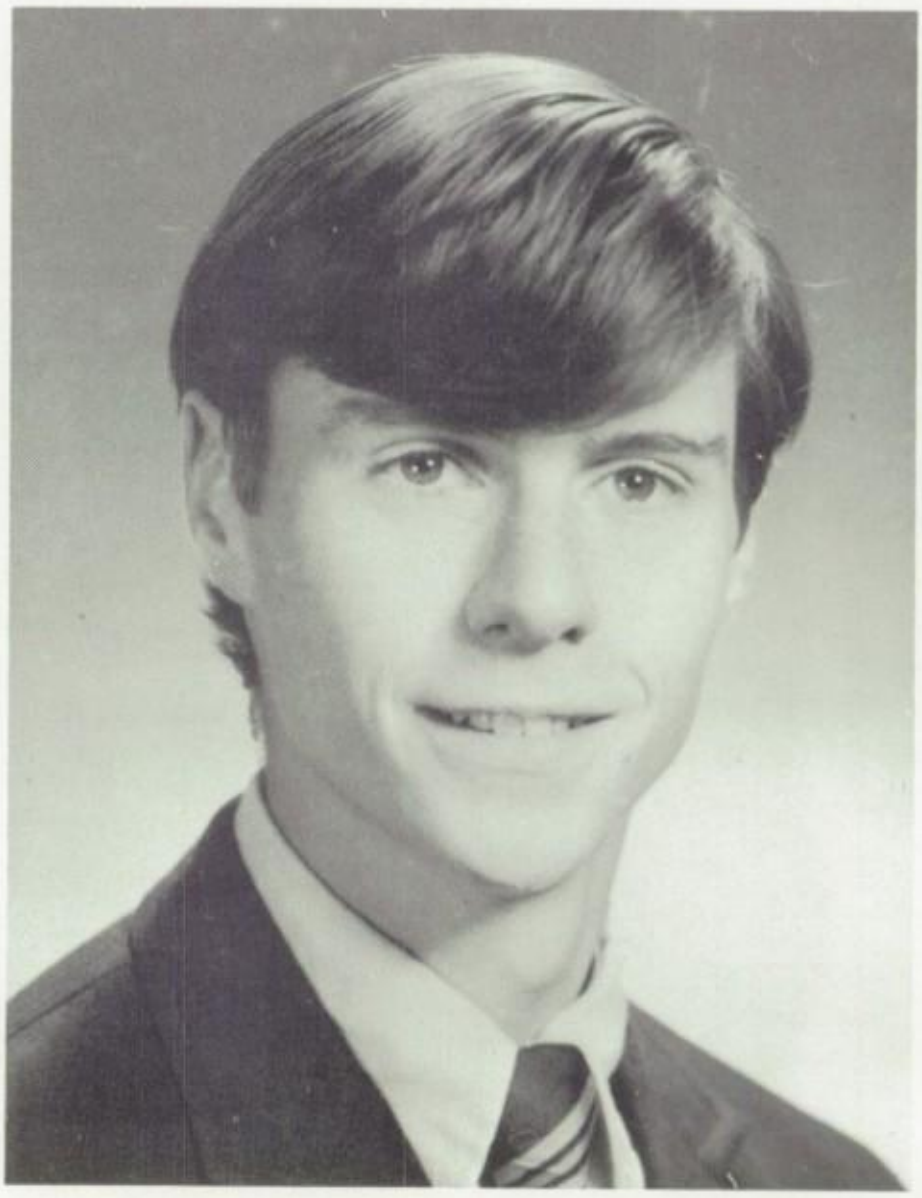
Mark is one of the students who has the real respect and admiration of his fellow school mates. He is currently class representative to the student council and an active member of Drama Club. His fine attributes will write a success at the University of Denver.

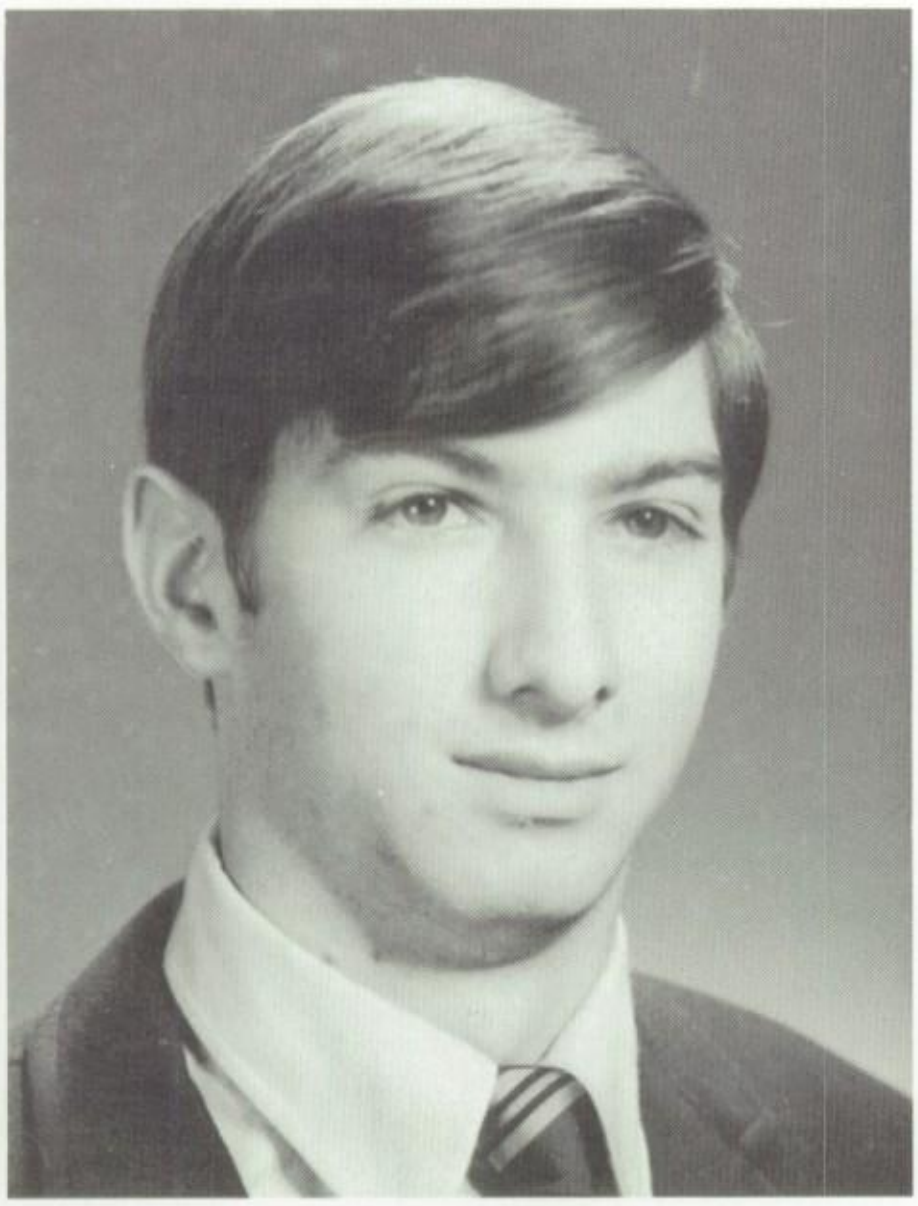
CLASS OF 1969

JOHN BRYANT

Social Committee 1,2,3; Prom Committee 2,3; Rifle Team 2; WMAC 3; Class Activities Committee 2; Freshman Class President.

John commutes every day to school in his VW from Milford. He always has a wink, whistle and handshake for anyone he comes across. He's usually playing a practical joke on someone or having a joke played on him. John has worked very hard at the Academy and received honors during his junior and senior years. John hopes to matriculate at Phoenix College next year where he will be a big success.





PETER CAMMARANO

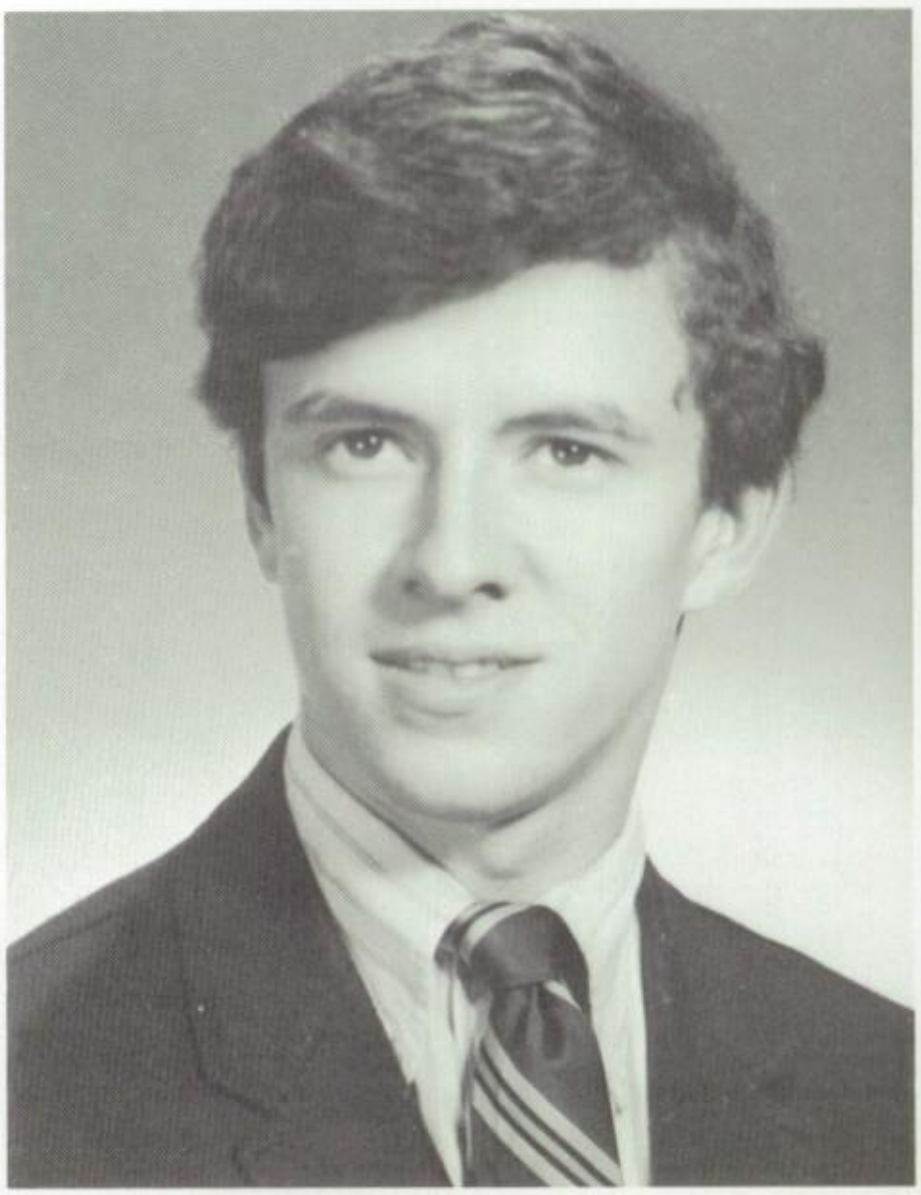
Library Club 2,3,4; French Club 2; Rifle Team 1; Varsity Club 2; Photography Club 2,3,4; Typhoon 2,3,4, Photography Editor 3,4, Editor-in-Chief 4; Milfordian 2,3,4, Photography Editor 3,4; Lauralton Hall 4.

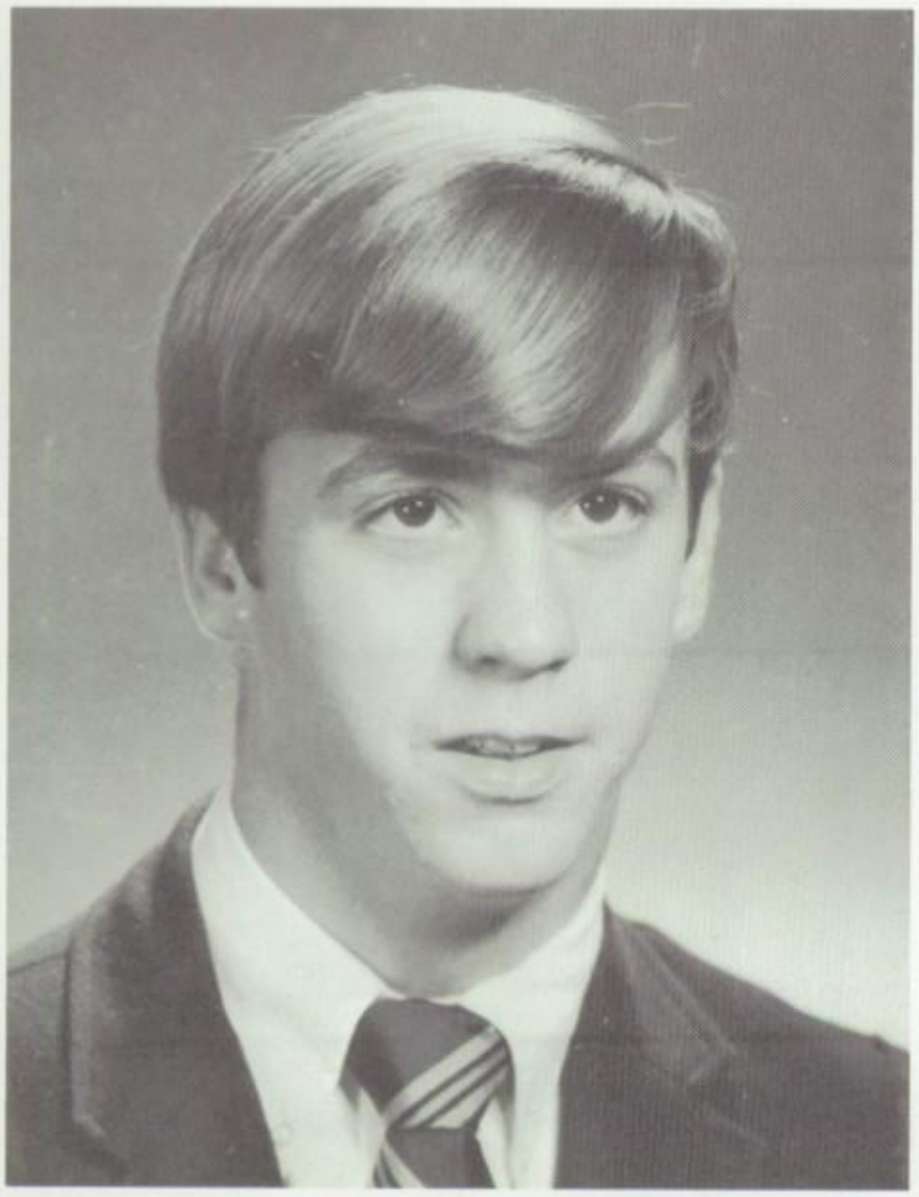
Pete, a colorful member of the senior class, hails from New Haven. His friendly, outgoing personality has distinguished him in various activities while at Milford. Pete was a member of the *Typhoon* for three years and has done an excellent job. Photography is his field and the pictures throughout the years prove it, but photography is not his only achievement. He and David Tripp put together the *1969 Typhoon* during the summer when the other members deserted the task. An honor student, his best subject is French. Pete plans to enter Rochester Institute of Technology and major in Professional Photography, where we are sure he will succeed.

SENIORS

CHARLES CIANCOLA

Chuck was one of the more affable and pleasant Milford boys. Being friends to everyone, Chuck was usually found conversing in the bookstore or inspecting each new pinball machine. Chuck's amazing talent in drawing astonished his Physic's classmates (usually during class-time) and also Mr. Galbriath. The class of 1969 wishes him success at St. Anselm's College.





JOHN CLEAVES

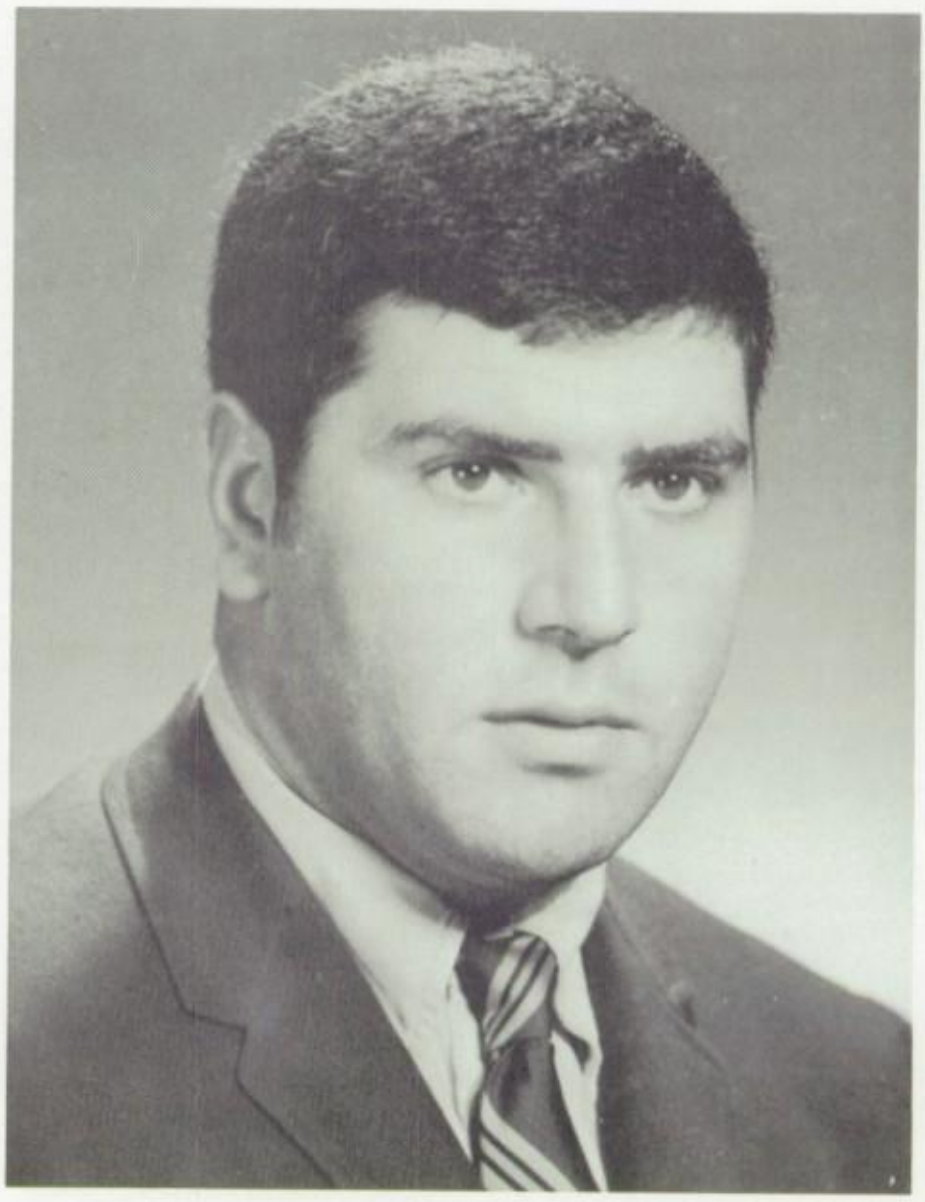
Sailing Team 3,4; Wrestling Team 3,4; Radio Club 3.

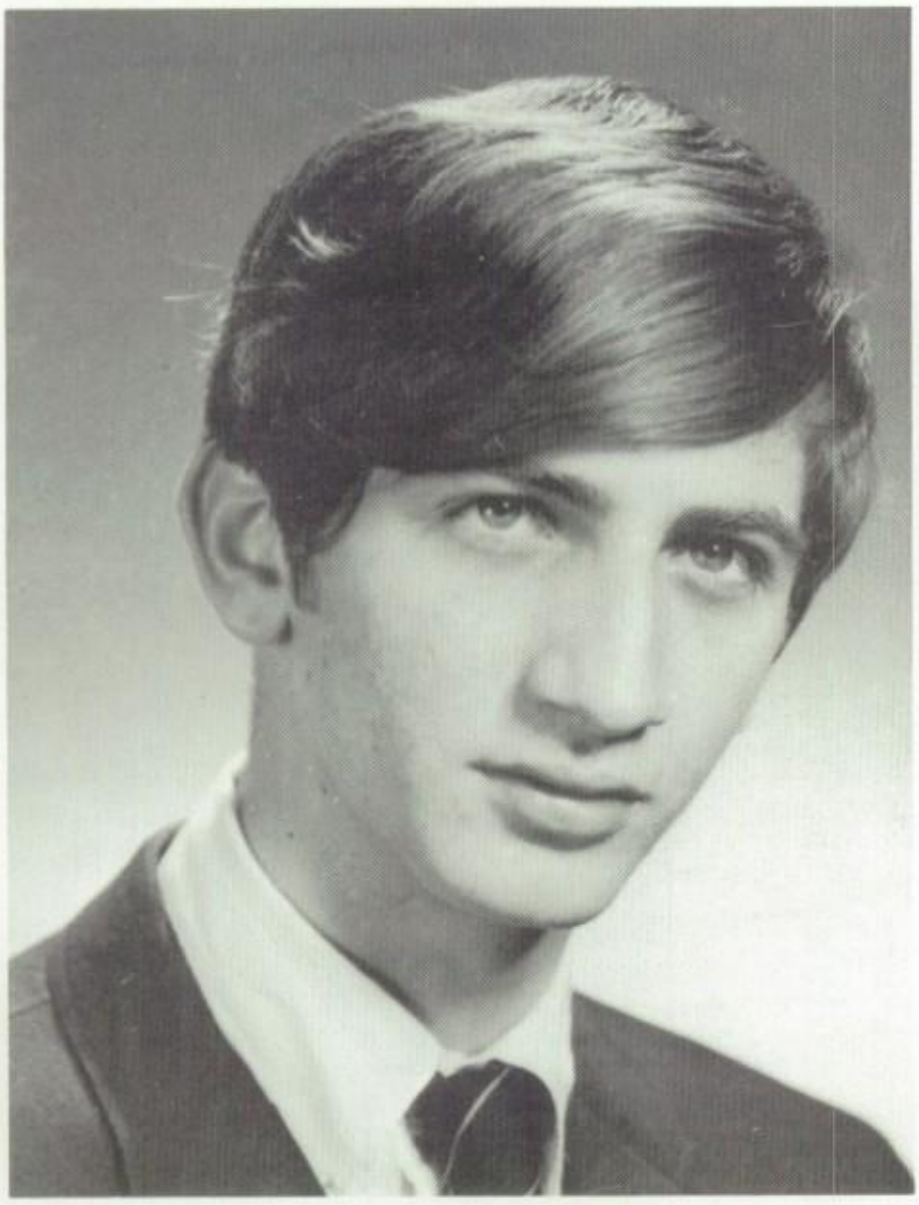
John entered Milford in his junior year and quickly established himself a member of the class of 69. His cheerful attitude and greeting smile have gained him many friends on campus. During the fall season, John could be seen practicing for the sailing team and wrestling team. He plans to attend Butler University and hopes to enter the field of Business Administration.

THOMAS COLLUCCI

Football 4.

"Tom the Bomb Collucci," as his fellow students call him, came to the Academy after graduating from Milford High School. Tom is a mammouth 235-lb. tackle with enormous strength and aggressiveness. He is one of the reasons why Milford had such a successful football season. While a student at Milford High he was named to the All-Metropolitan Bridgeport team in 1967. Tom will enter Wake Forest in the fall.





RICHARD CONSIGLIO

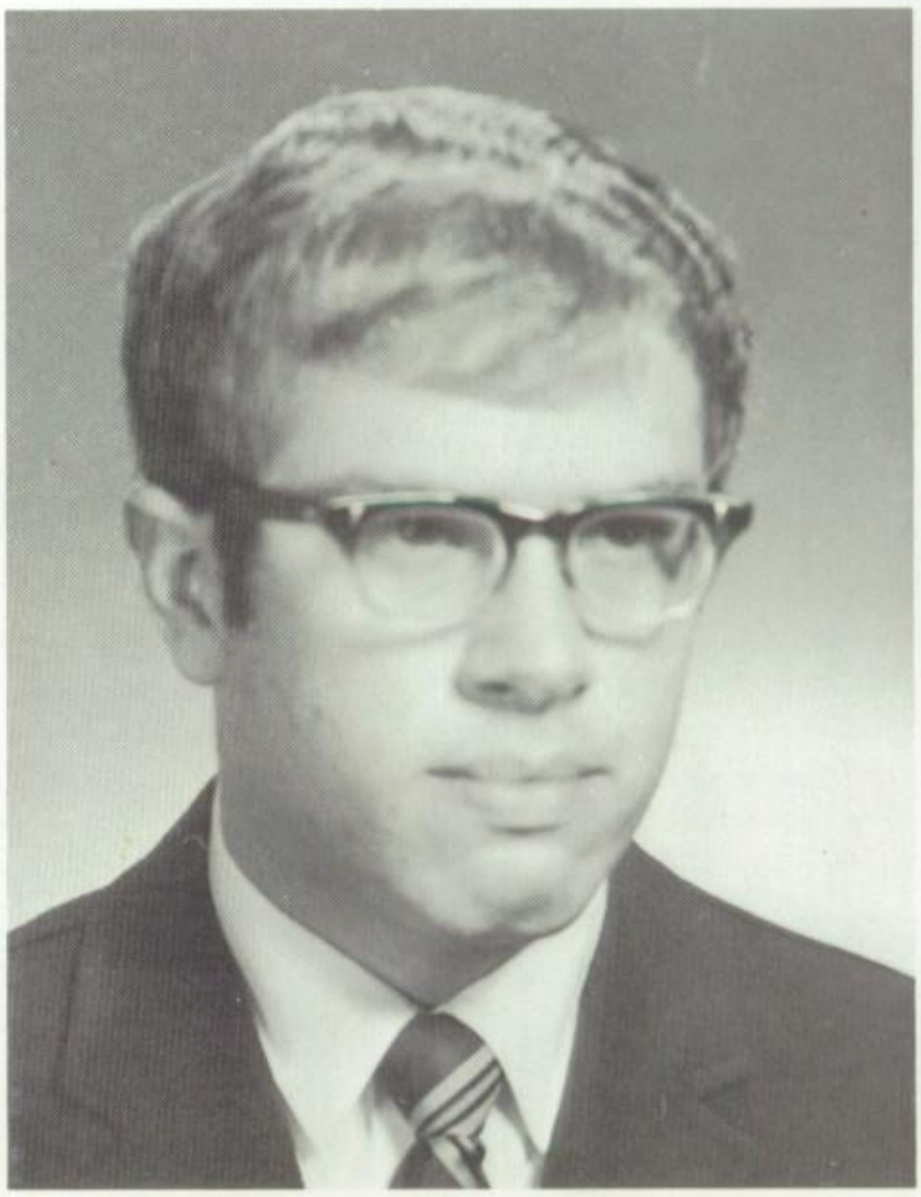
Soccer 1,2,3,4; Biology Club 2,3; Library Club 3; Mr. Jensen's Motorcycle Maniac 3,4.

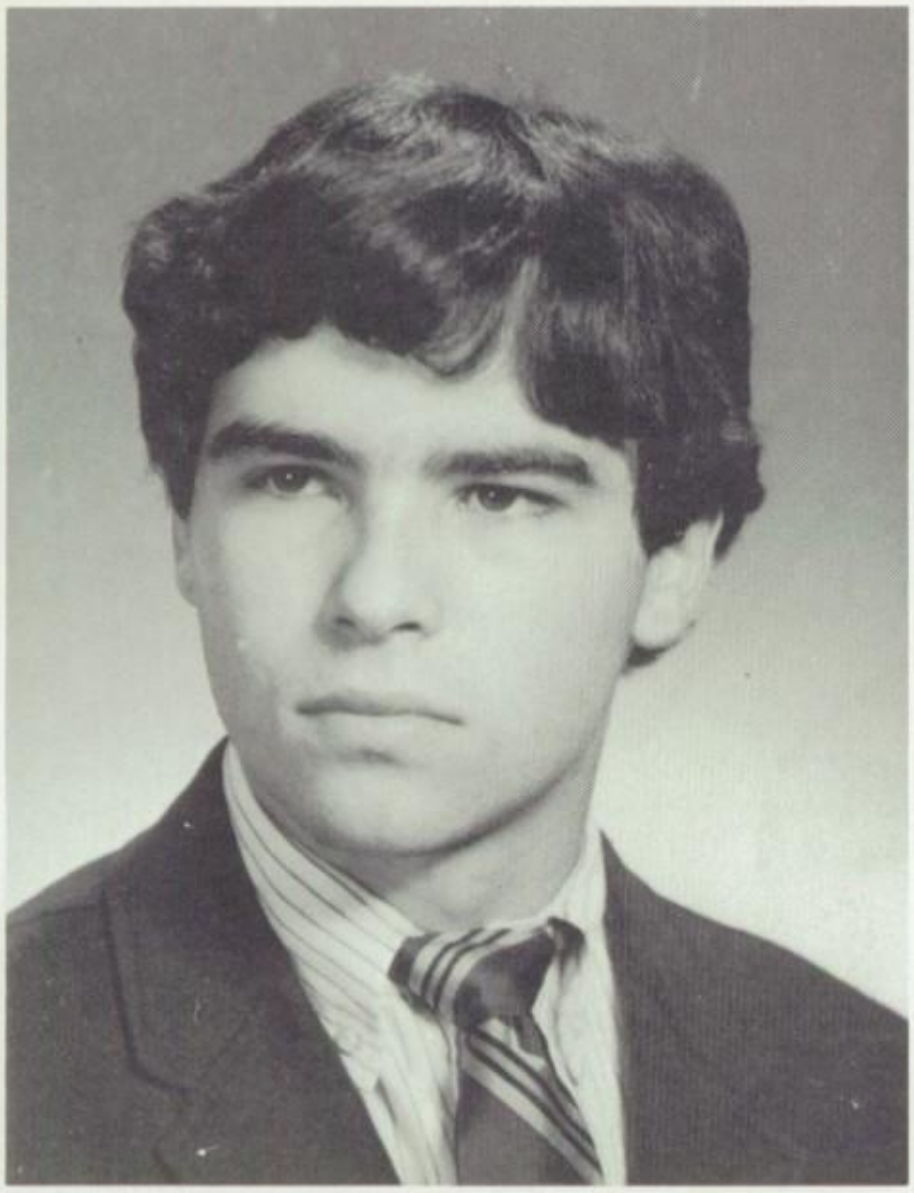
Pigeon, our man from motown, is one of the easy going members of the class. As Co-captain of the soccer team he has shown himself as a leader. Rich gets his kicks from scrambling on his Yamaha and as might be expected, his idol is The President of Hell's Angels. Rich hopes to enter Franklin-Pierce College in the fall. During his stay at Milford Academy, he has proven to be an asset to the Soccer team. We wish him success towards his goal in life.

SENIORS

RONALD COOPER

Although Ron isn't any Einstein, or the most athletic person in the world, he does seem to to be one of the more popular figures on campus. We say this because he was Soph-omore Class President, Interact Club Presi-dent, Captain of the Sailing Team and a Head Waiter during his four years at Milford. Ron is best known for his mature and logical out-look on things. His avid interest in aquatics will help him tremendously in his chosen field of oceanography. Good luck at Neptune U. Ron!!





RAYMOND CORSO

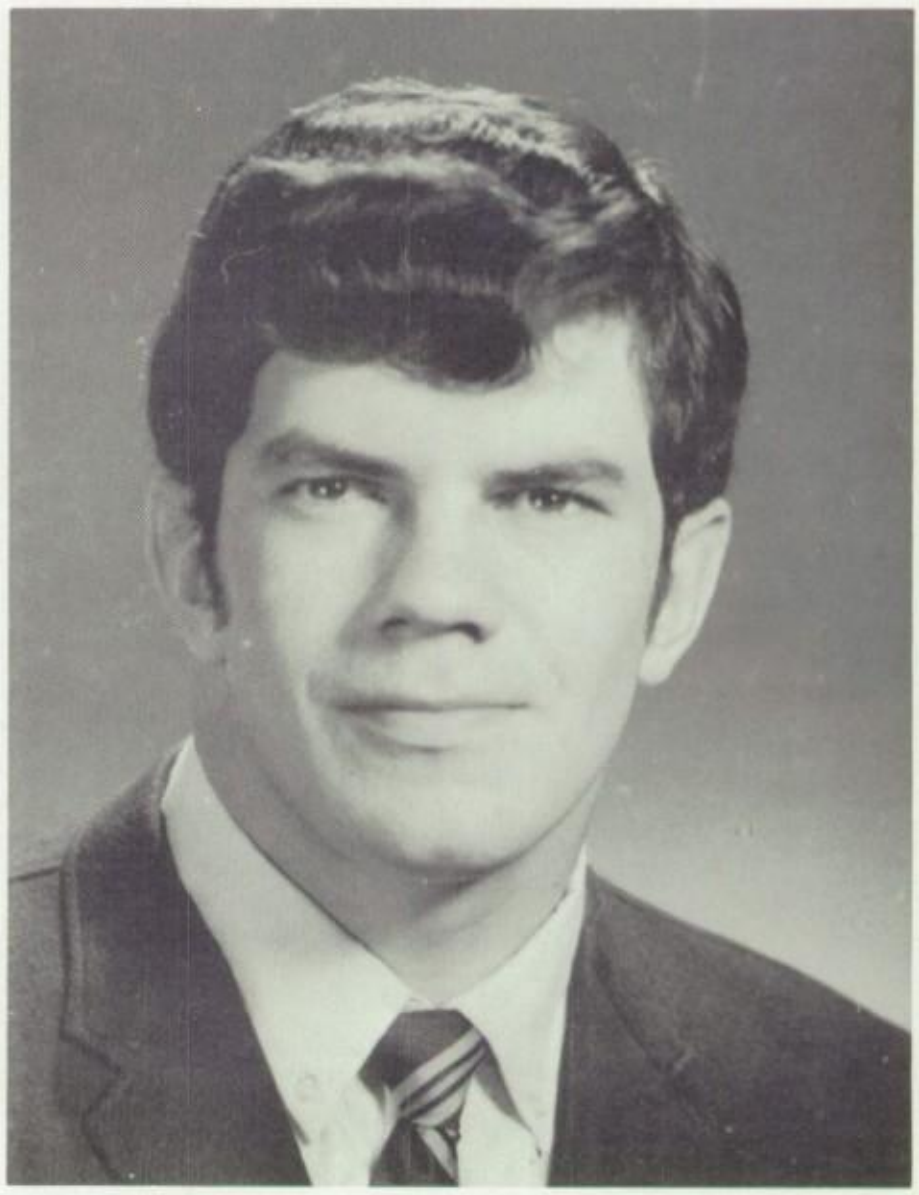
Ray came to Milford after graduating from Hillhouse High School and already is plotting to run over the college of his choice. Although it is not obvious, word has it that Ray is a "lady's man" and will be one of the first of the class of 1969 to be trapped into marriage. Ray's basketball talent and quick wit will be forwarded to Post Jr. College, where we wish him the best of luck.

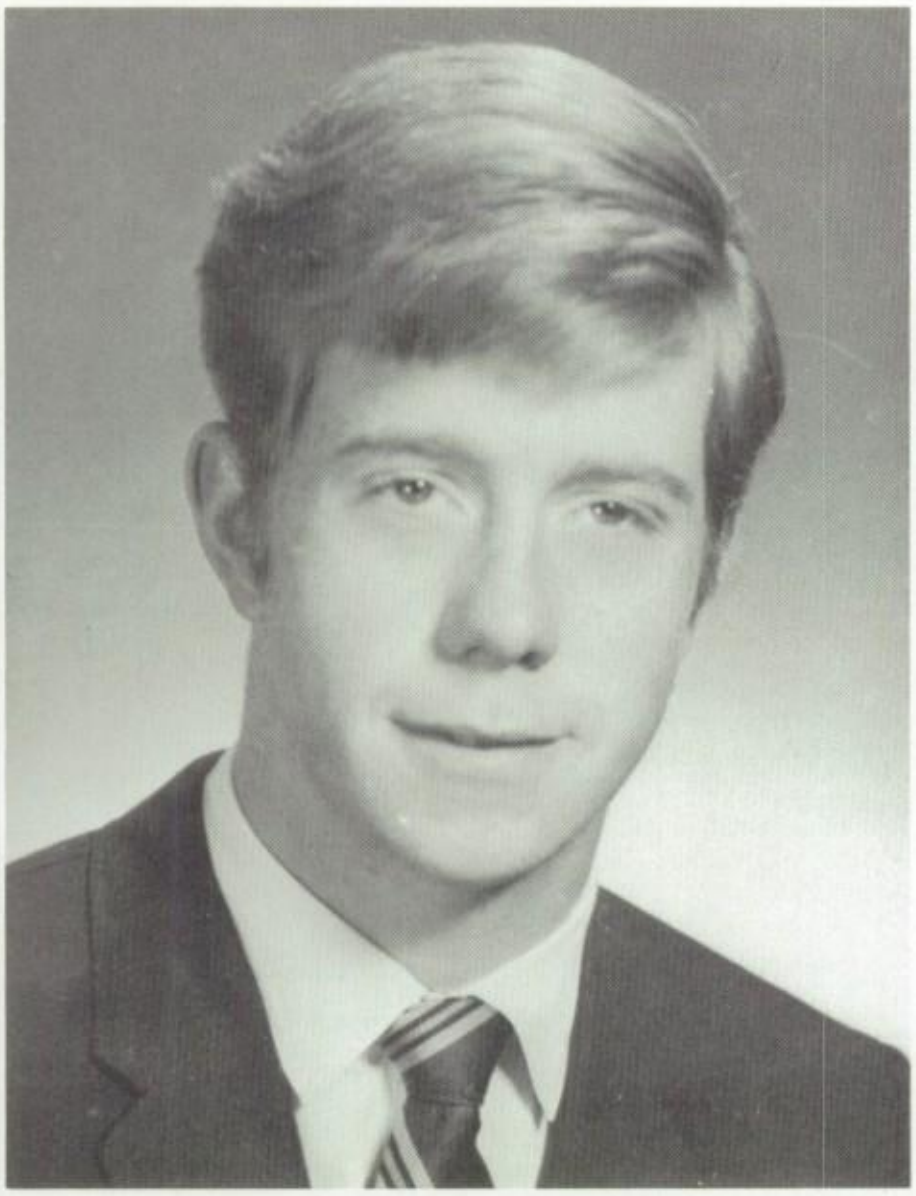
CLASS OF 1969

DENNIS CUNNINGHAM

Football 4; Track 4.

Dennis is one of a kind — unique. He anchored the Milford Football Team at guard and led the "Falcons" to a fine 7-1-0 record while receiving a special recognition at the fall sports banquet. Aside from athletics, Den has maintained above average grades. His size and weight will carry him to the University of Massachusetts next fall.





RICHARD CURRY

Soccer 4.

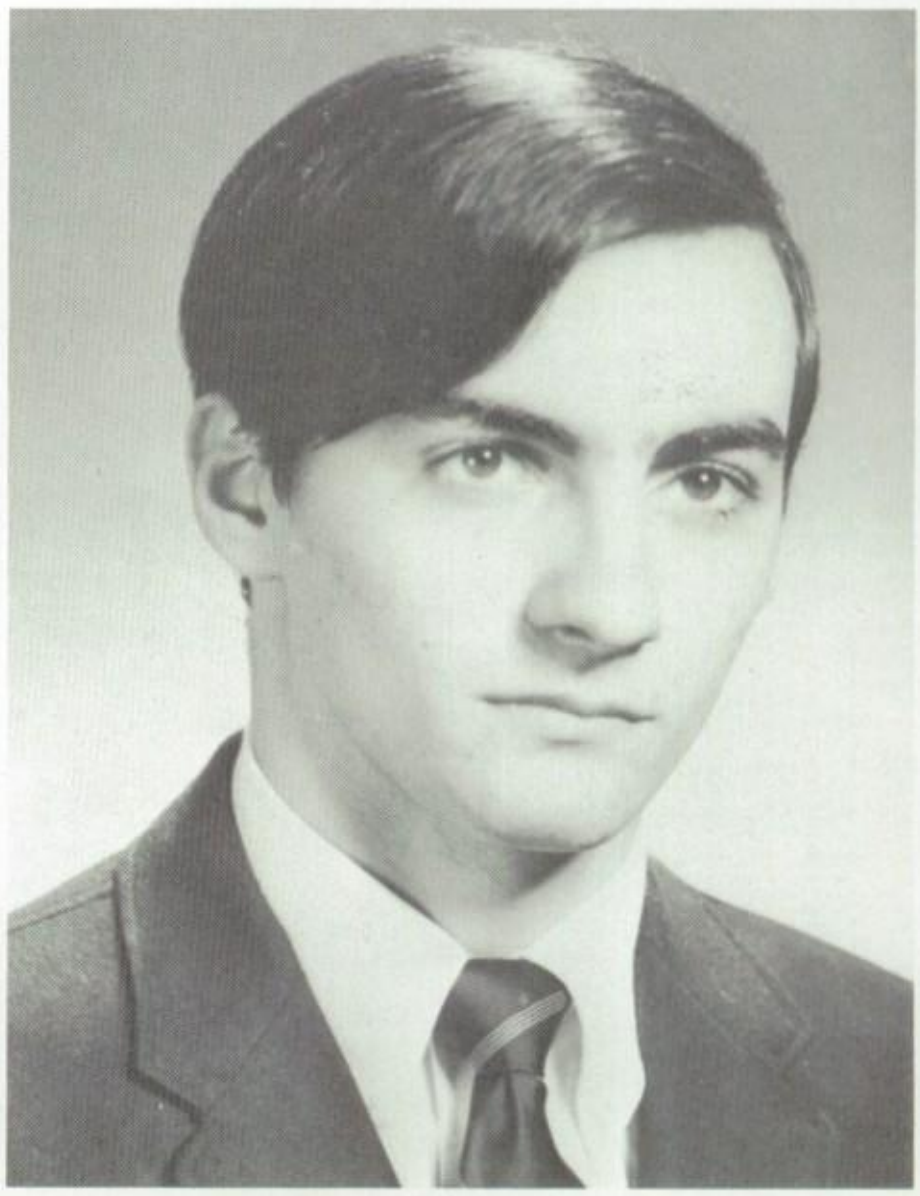
Richard came to Milford from White Plains High School, White Plains, New York. In the fall he played center fullback on the soccer team and received a varsity letter. In his spare time he enjoys swimming, bowling or playing a little pool. Rich hopes to go to Rochester Institute of Technology and major in the field of advertising. We are sure that his friendly nature and outgoingness will lead him to be successful in his aspirations.

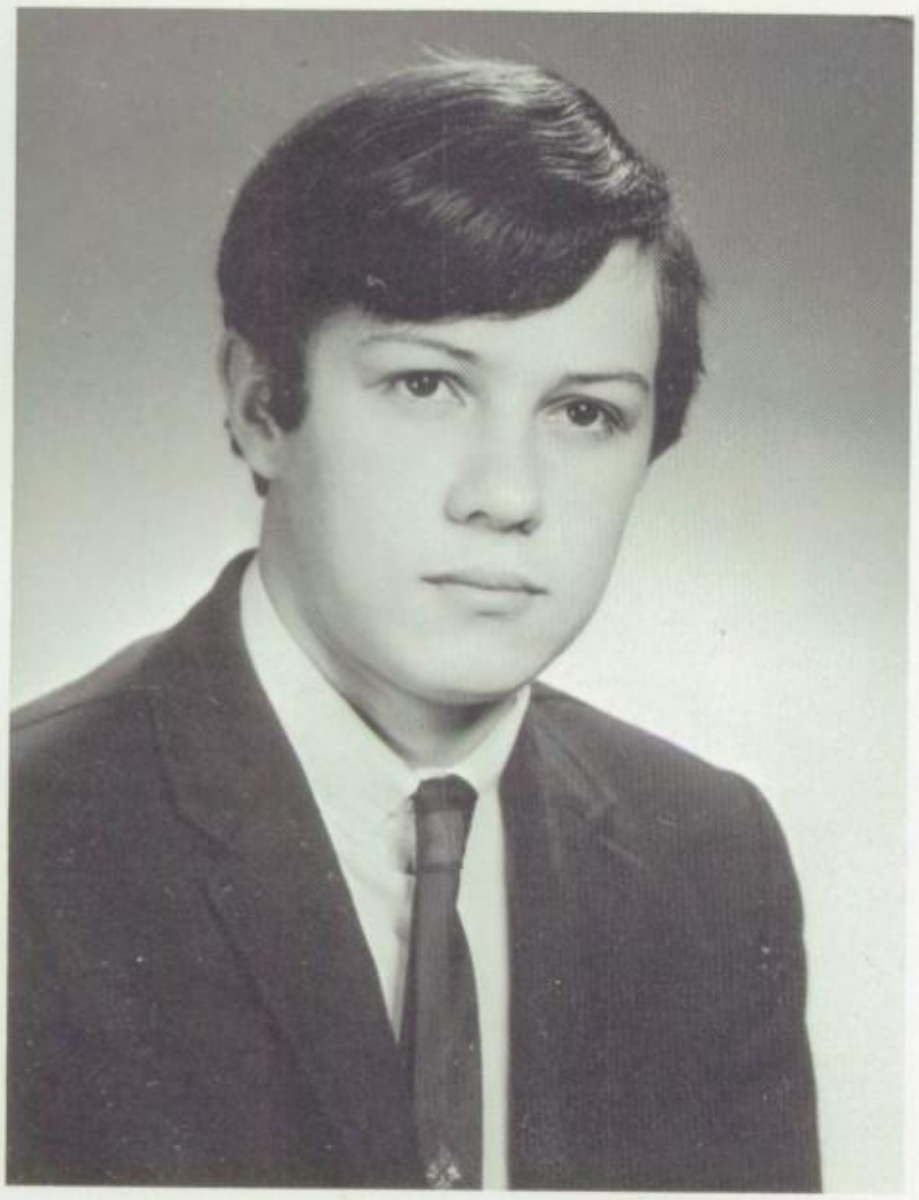
SENIORS

FRANCIS D'ANDREA

Baseball 3,4; Spanish Club 3.

Frank came to the Academy in his junior year from Hamden High School where he was a star outfielder. He continued his playing for the Falcons during his junior and senior year. Frank's most memorable experience will be his arguments with Doc Lyon. We wish him the best of luck at St. Bonaventure University.





GEORGE DANIELS

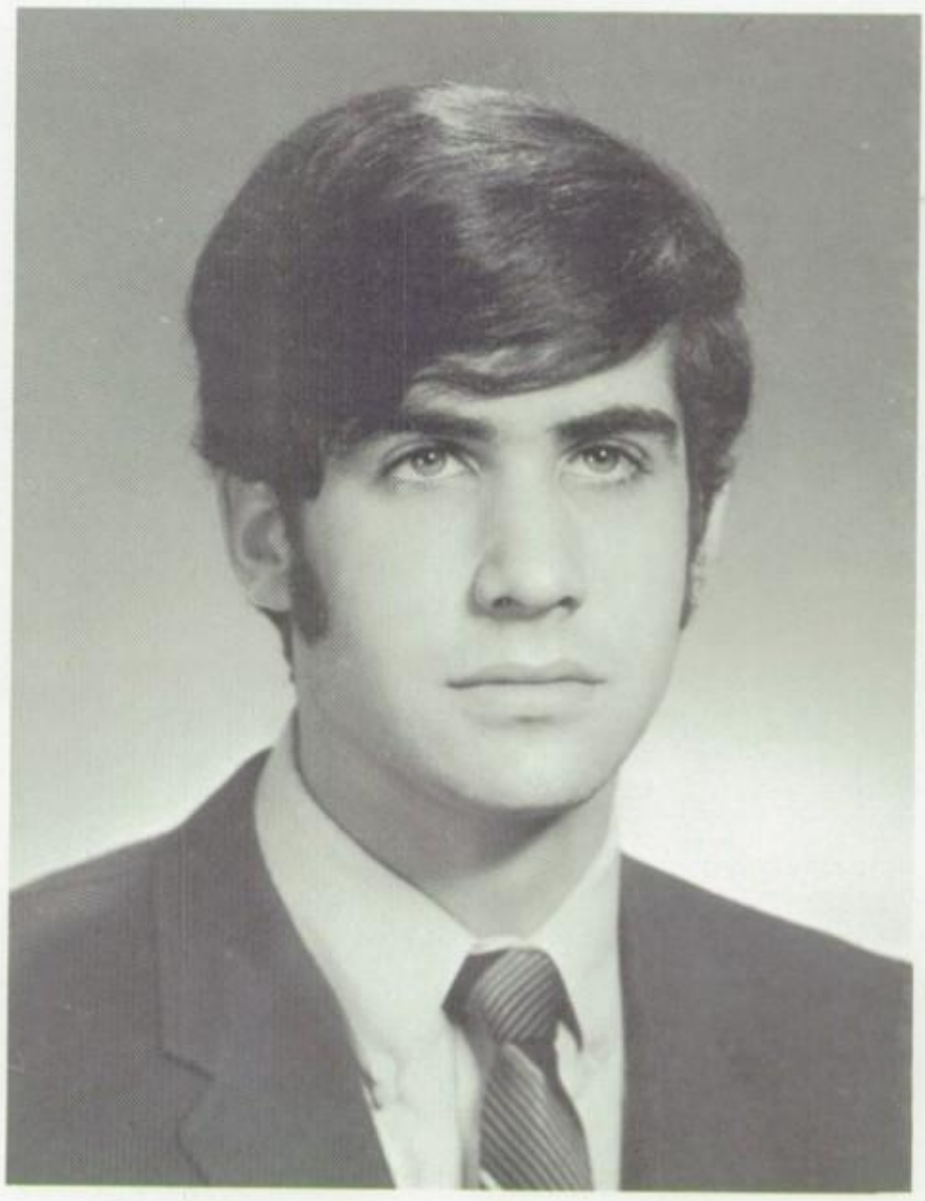
Football 3; Bowling 2.

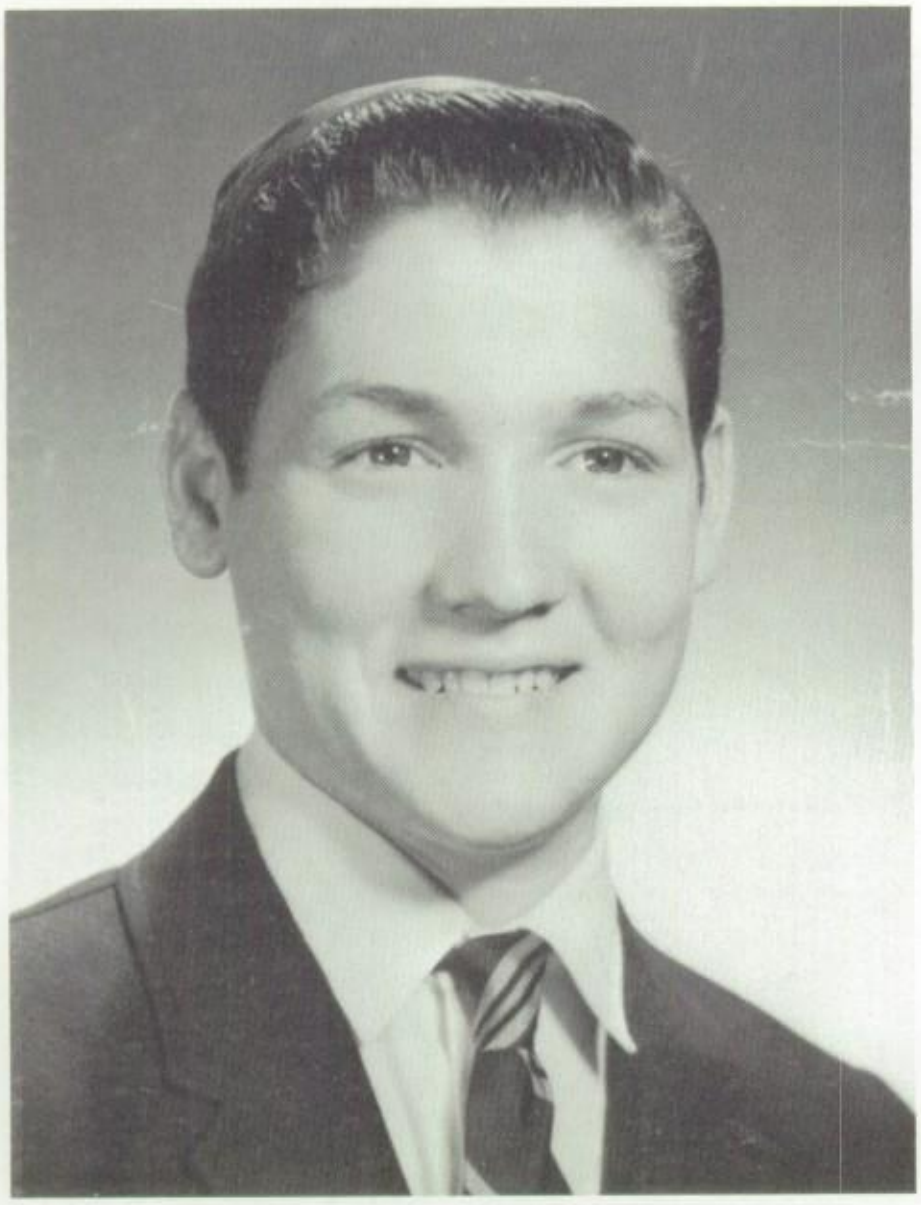
George is a fine football player and an equally fine scholar. A resident of Milford, George came from Milford High and it took him a while to get used to having 15 in a class after Milford High's 45. Also, alas, the lack of the opposite sex. George has high goals for the future, and with his brand of determination he'll probably reach them.

RICHARD DANIELS

Weekend Club 4.

Rich had a problem at the beginning of this year, a problem known as Milford. Why should he return and leave his far out activities in Great Neck, where he was surrounded with cars, cousins, and girls. We don't know what motivated him, but he did return. We don't know why Mr. Jensen gave him permission to leave campus every weekend. Rich is always determined to have a good laugh and next year he plans to be seen at the American University.





JAIME deLIMA

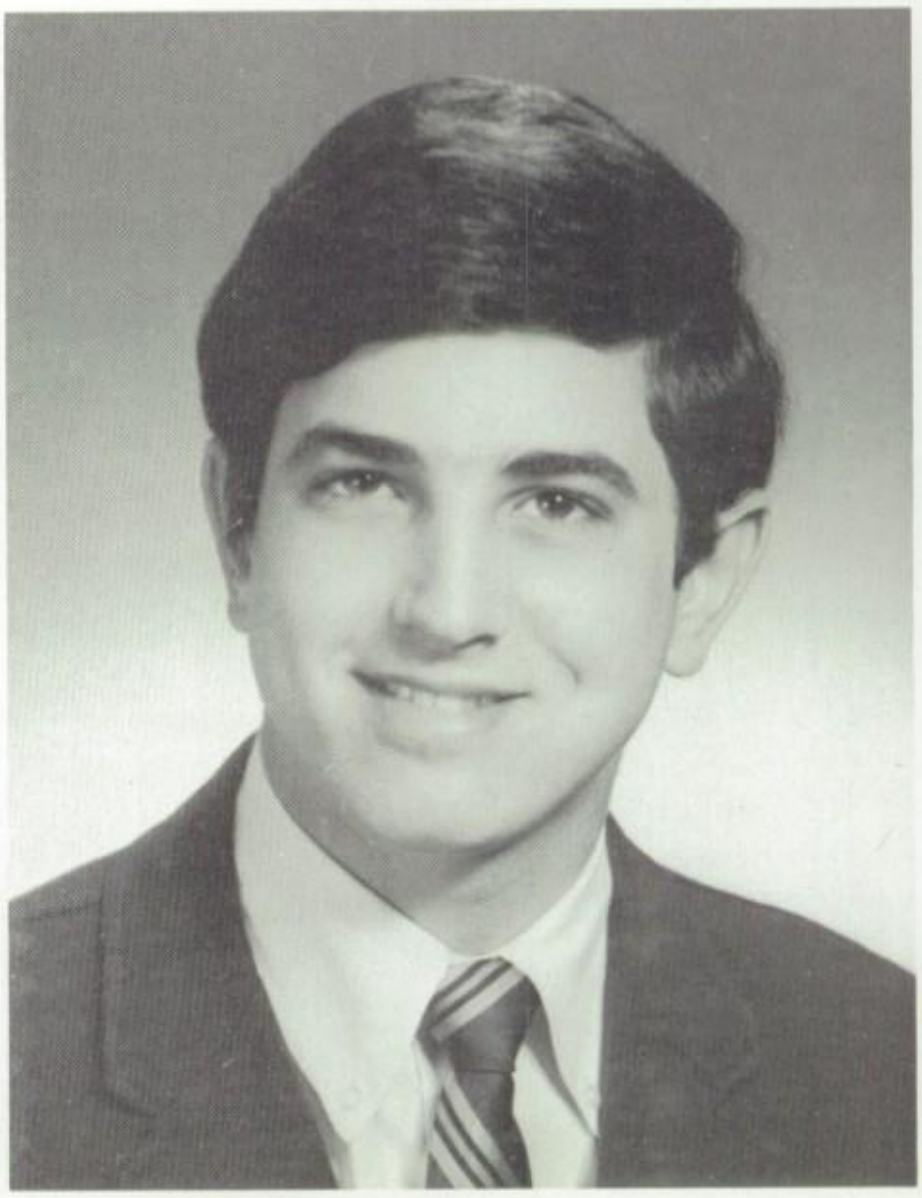
Jaime, one of the Academy's foreign students, has become a prominent figure on the school's campus. He came to the Academy for an interview and since has decided to make Milford his home. He can always be seen in Morris Hall with his brother Ricardo. Jaime hopes to attend the University of Connecticut. We are confident that he will be a success.

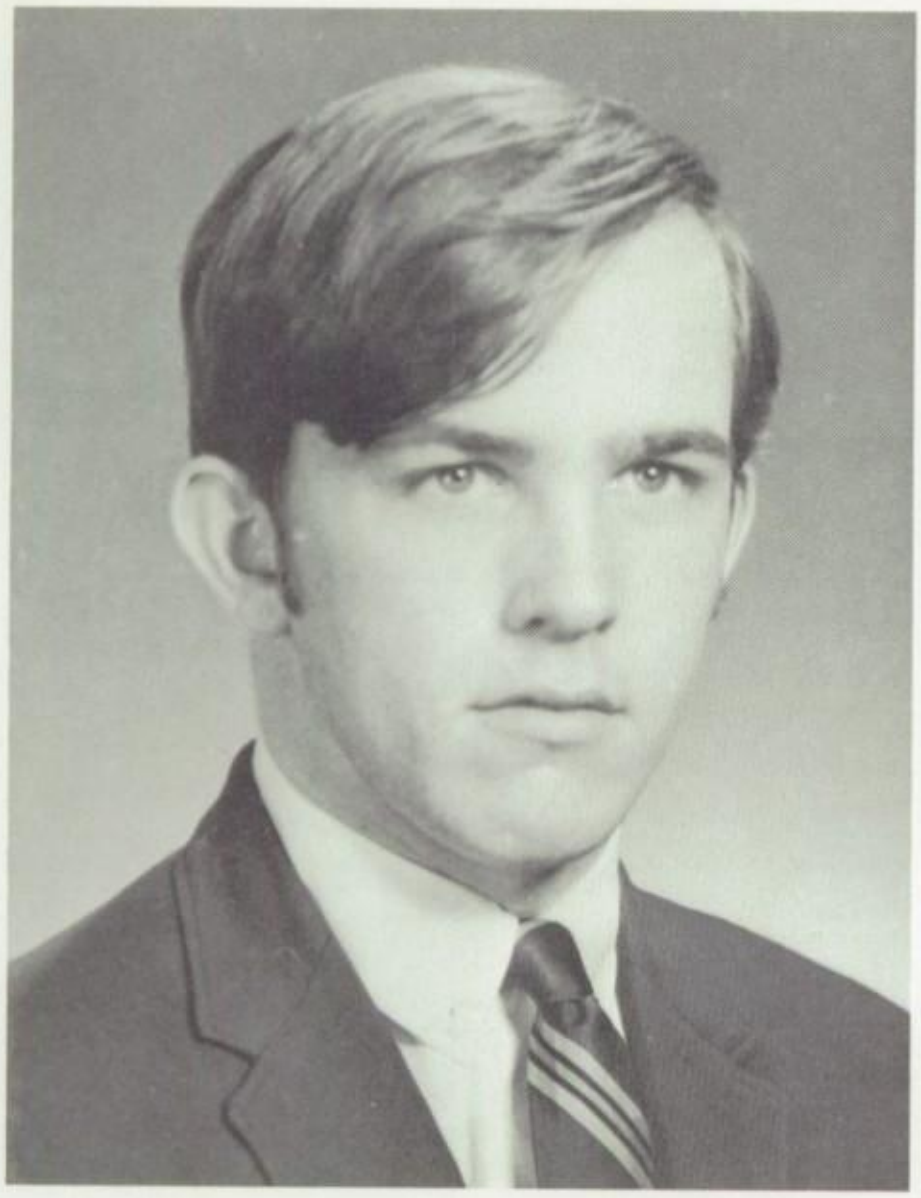
SENIORS

RICHARD DERMER

Golf 3,4.

Derms, as many called him, was a superpersonality on campus. Richard's ever charming smile was an asset to his antics either in the gym or his lunchtime leave of absence. Richard was an avid sportsman but because of injuries was limited to golf as was his brother Peter. As a student, Richard was gifted with superb intellect either in Doc's course or in Economics. We wish Richard success anywhere his supercilious smile may lead him.





FRANCIS DONOHUE

Football 2; Basketball 3,4.

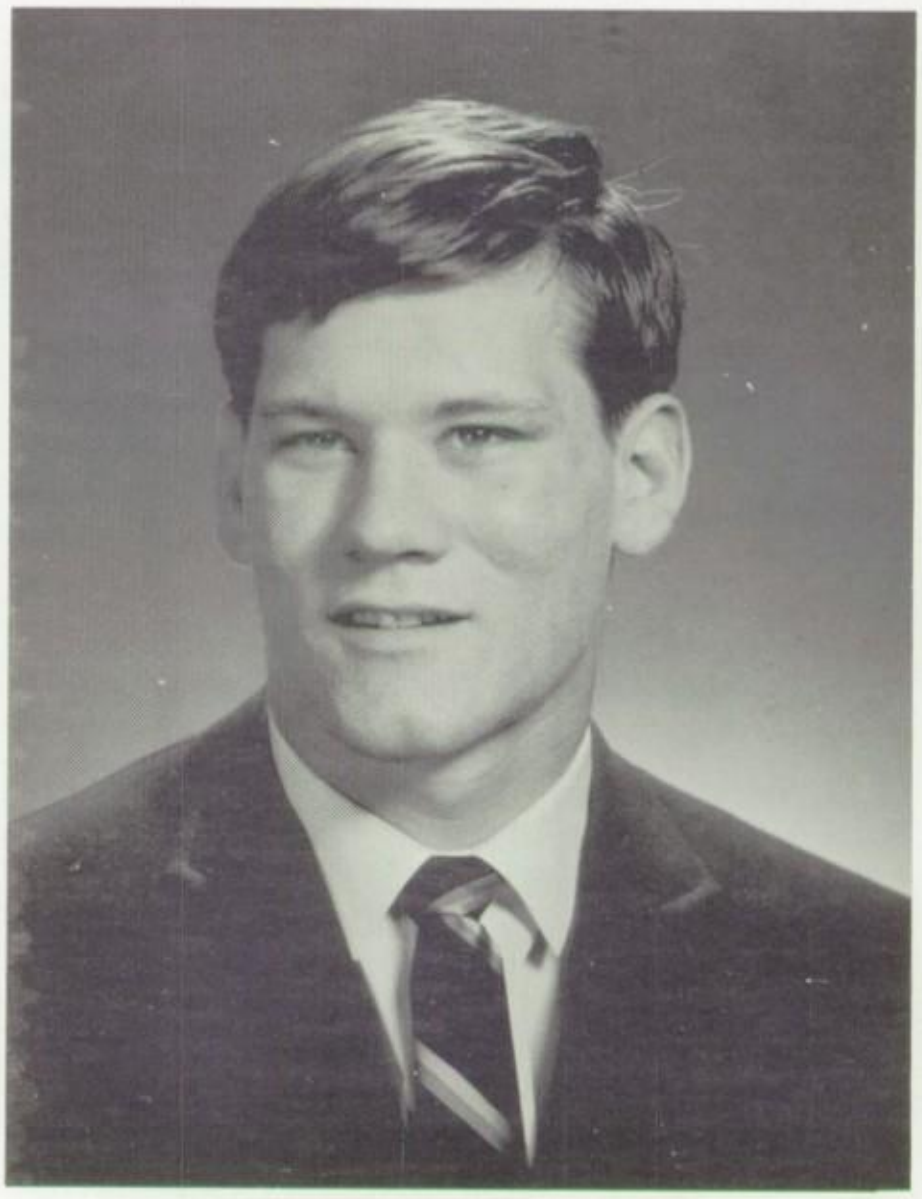
Frank, a three year student, wheels to school from Branford. His basketball abilities proved invaluable to the varsity team. His accurate shooting in past and present years helped him win many games and this year won him the position of captain. He is especially known for his wild taste of women, and Frank might even go so far as to fight for the honor of a fair damsel in distress. He is truly a cheerful lad, and is assured of future success.

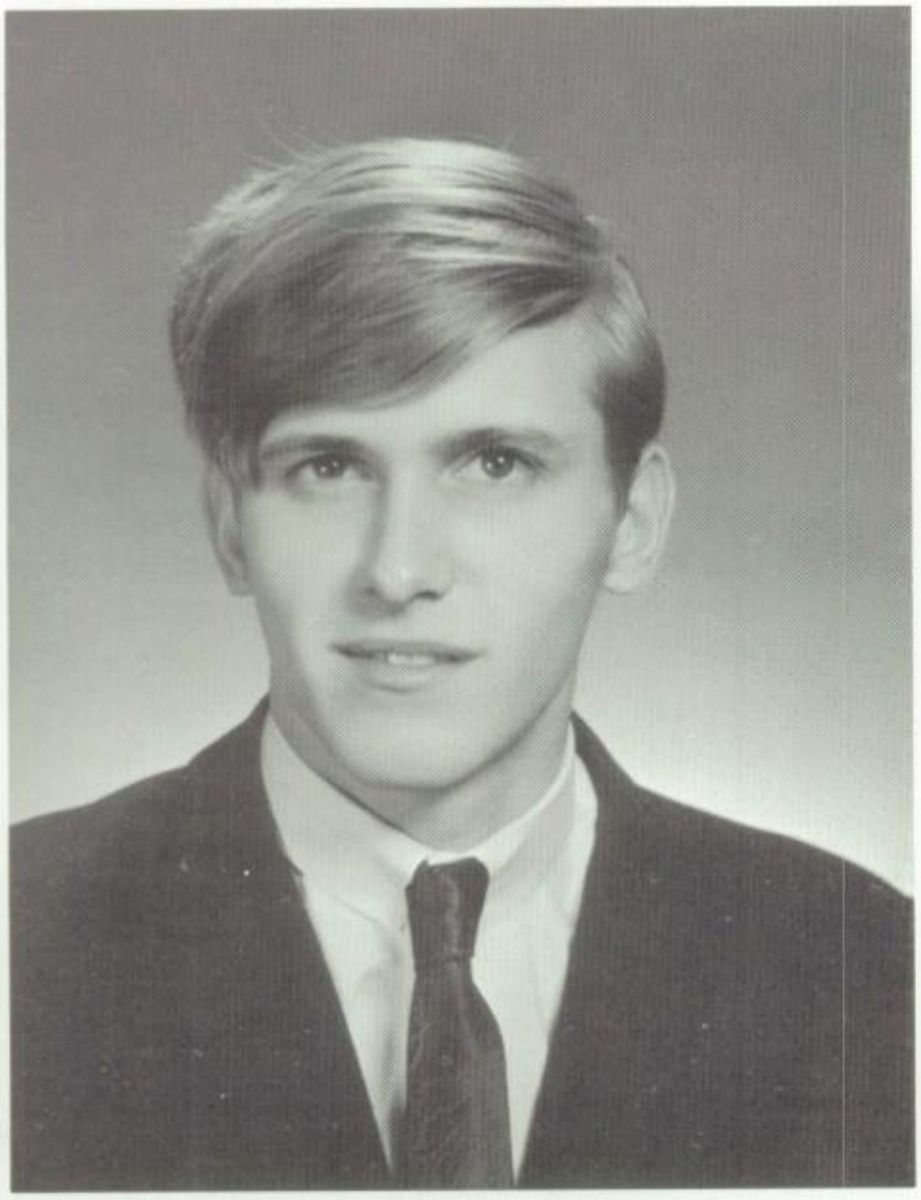
CLASS OF 1969

JAMES DONOVAN

Football 4; Wrestling 4; Being A Good Boy 4.

"Frankenstein" has achieved quite a bit in just one year at Milford. He started on the football team and dieted to qualify for the wrestling team. Jim is a strong driving tackler who loves to hit. He is an outstanding offensive blocker and at Staples High also was the second leading light-heavyweight wrestler in Connecticut. Jim hopes to attend Parks College.





ROBERT EAST

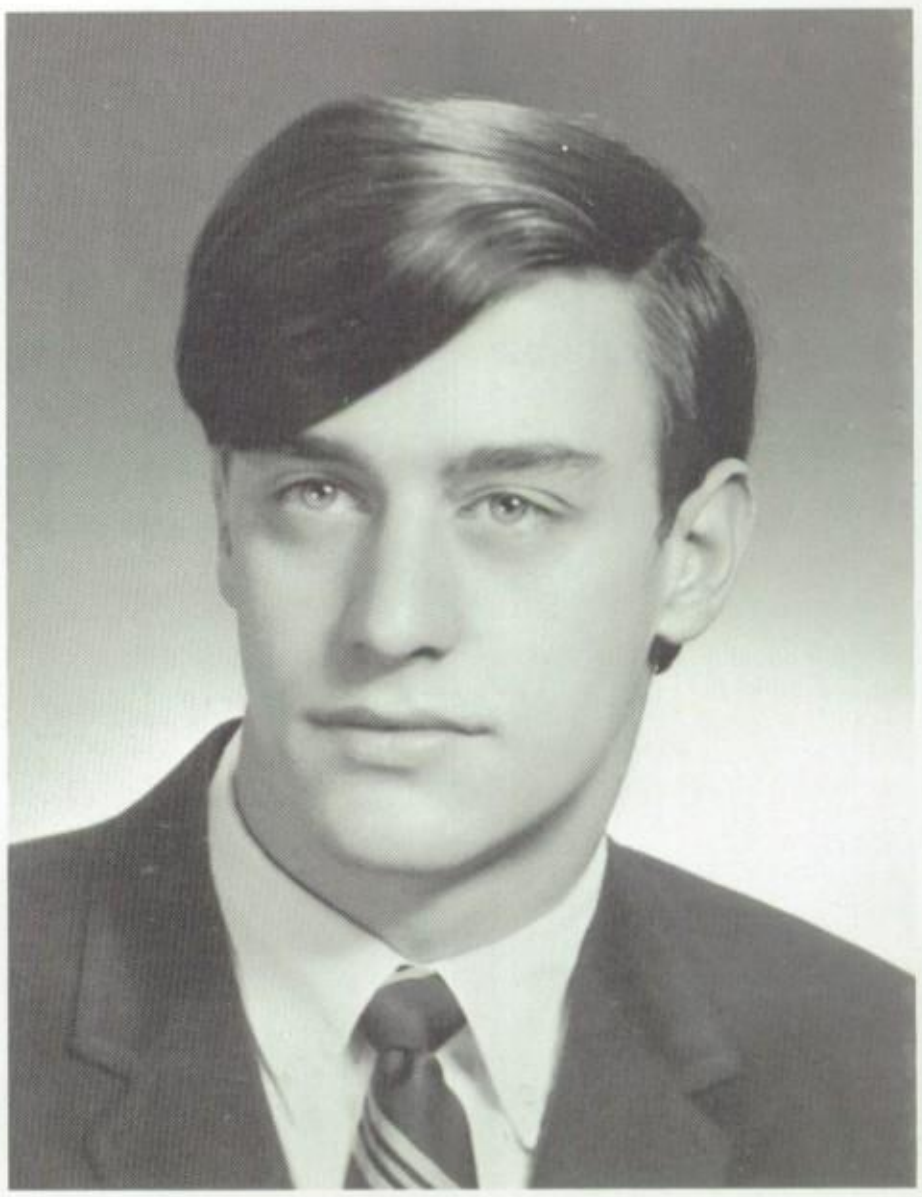
Baseball 3,4.

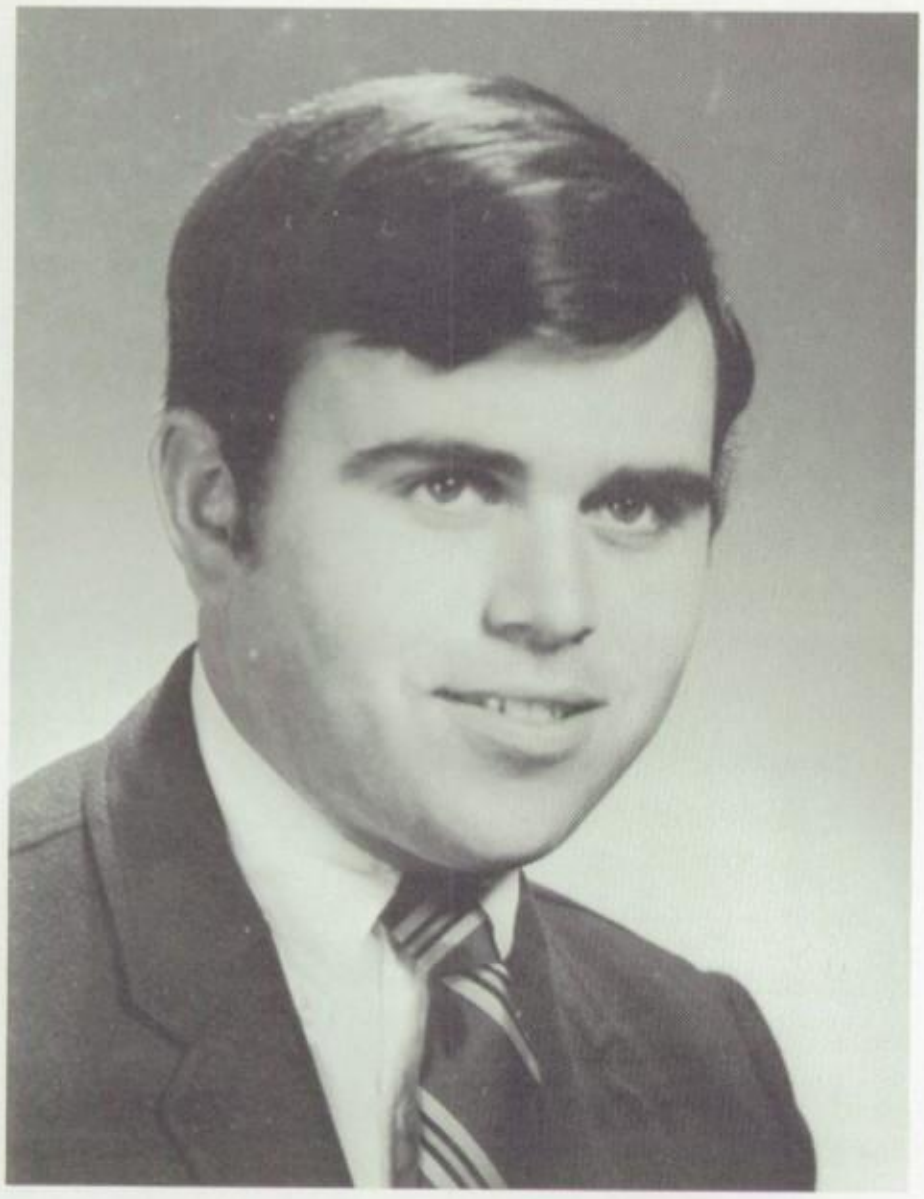
Bob, a two year man at Milford has been Hamden's biggest representative. For two years Bob has excelled in all phases of the Academy. His many one-hitters have earned him the role as the number one pitcher for the Falcon nine. During the spring he can usually be seen sporting a big grin or pitching for the team. With Bob's ability to gain friends and popularity, he can't miss in any future endeavor he may seek.

SENIORS

STEPHEN ELKIN

Steve came to Milford Academy during his junior year from Hillhouse. While at Hillhouse he was active in many activities such as swimming and football. Too bad Milford doesn't offer swimming because Steve was the best swimmer Hillhouse ever produced. This year Steve was elected president of the newly formed Scuba Diving Club because of his swimming ability. *The Typhoon* wishes Steve the best of luck at Southern Connecticut State College in the fall.





WILLIAM ESPOSITO

Baseball 3,4; Lauralton Hall 4.

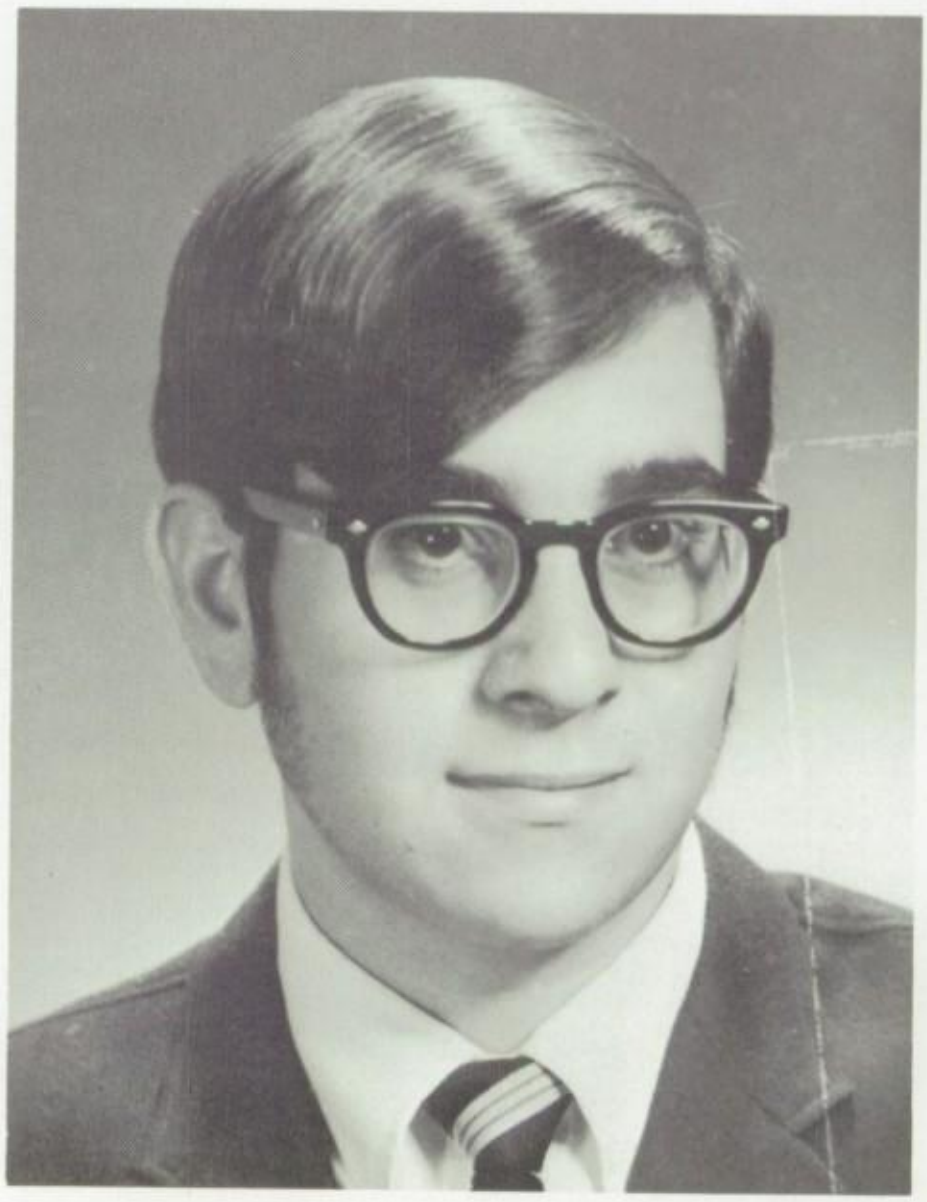
Espo is another big man from Hamden. His social life has never lacked any excitement. Most of his afternoons are spent behind the gates of Lauralton Hall. His hobbies at home are as numerous as his activities at school. A diamond wonder, Bill has the number two pitching position at Milford or ace reliever. His fine control in relieving starting pitchers, has won many games. When socializing or pitching Bill can be found talking about Springfield College, where he will attend next next year.

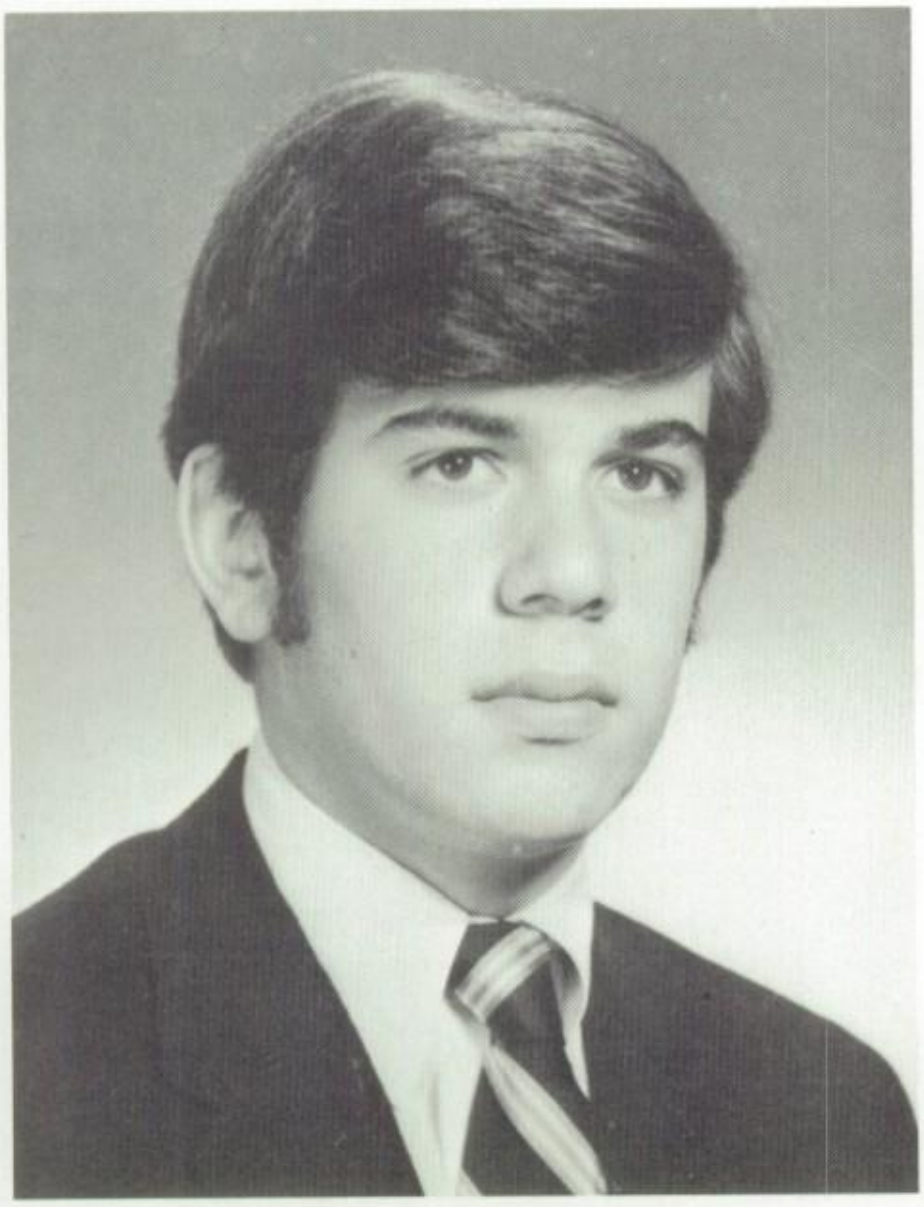
CLASS OF 1969

DAVID EUDOWE

Milfordian 4; Drama Club 4; Soccer 4; Inter-Act Club 4.

Dave came to Milford this past fall and quickly became one of the group. A likeable guy, Dave has been in numerous activities while at Milford. He hopes to attend Emory University. We are sure he will attain his goal.





PETER EVANS

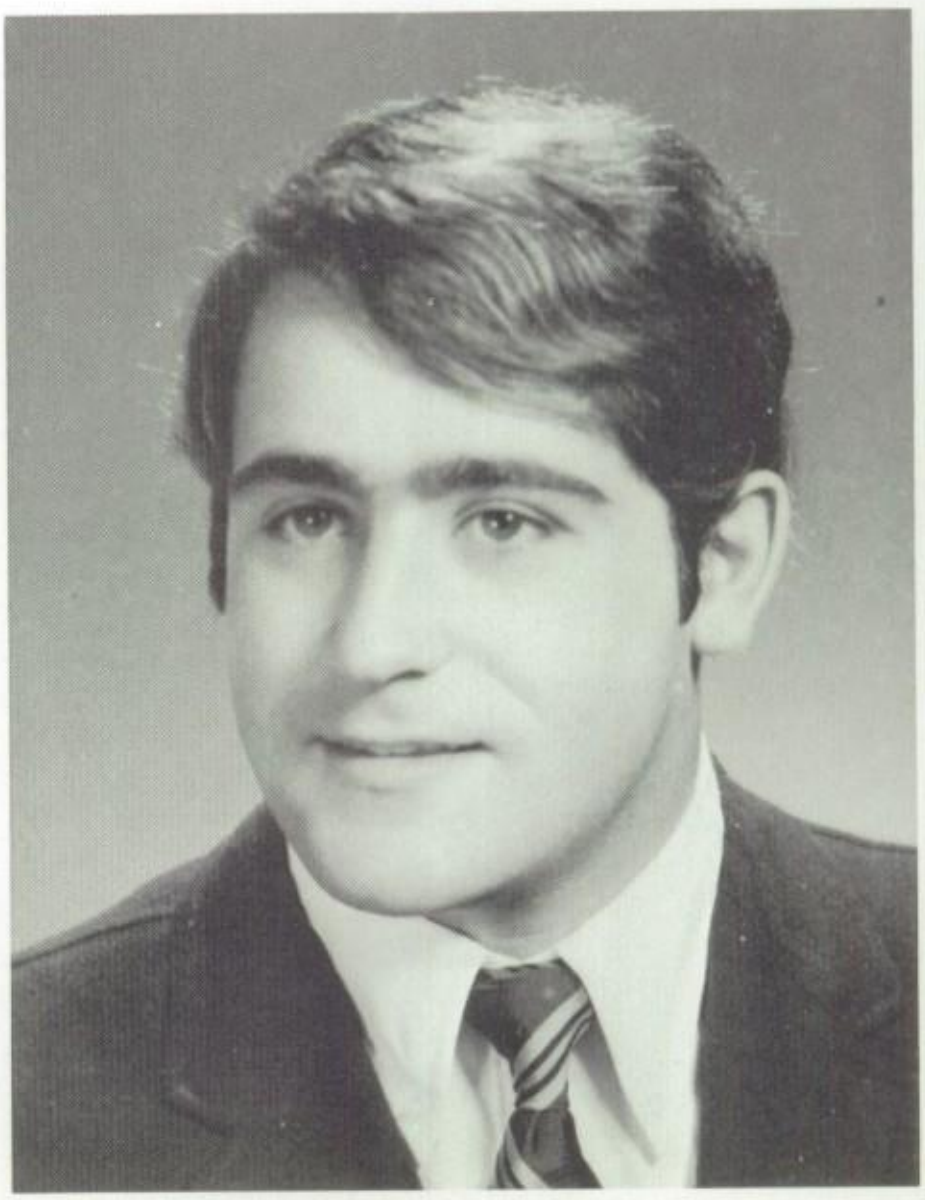
A two year man originally from Choat, Pete was one of the likeable students on campus. He was a real competitor and very valuable on the Academy golf team. Pete appreciated the value of fine education and certainly worked hard while at the Academy. Intelligence, a sense of humor and a friendly disposition are only a few of the attributes Pete possesses. We wish Pete the best of luck in his college endeavors.

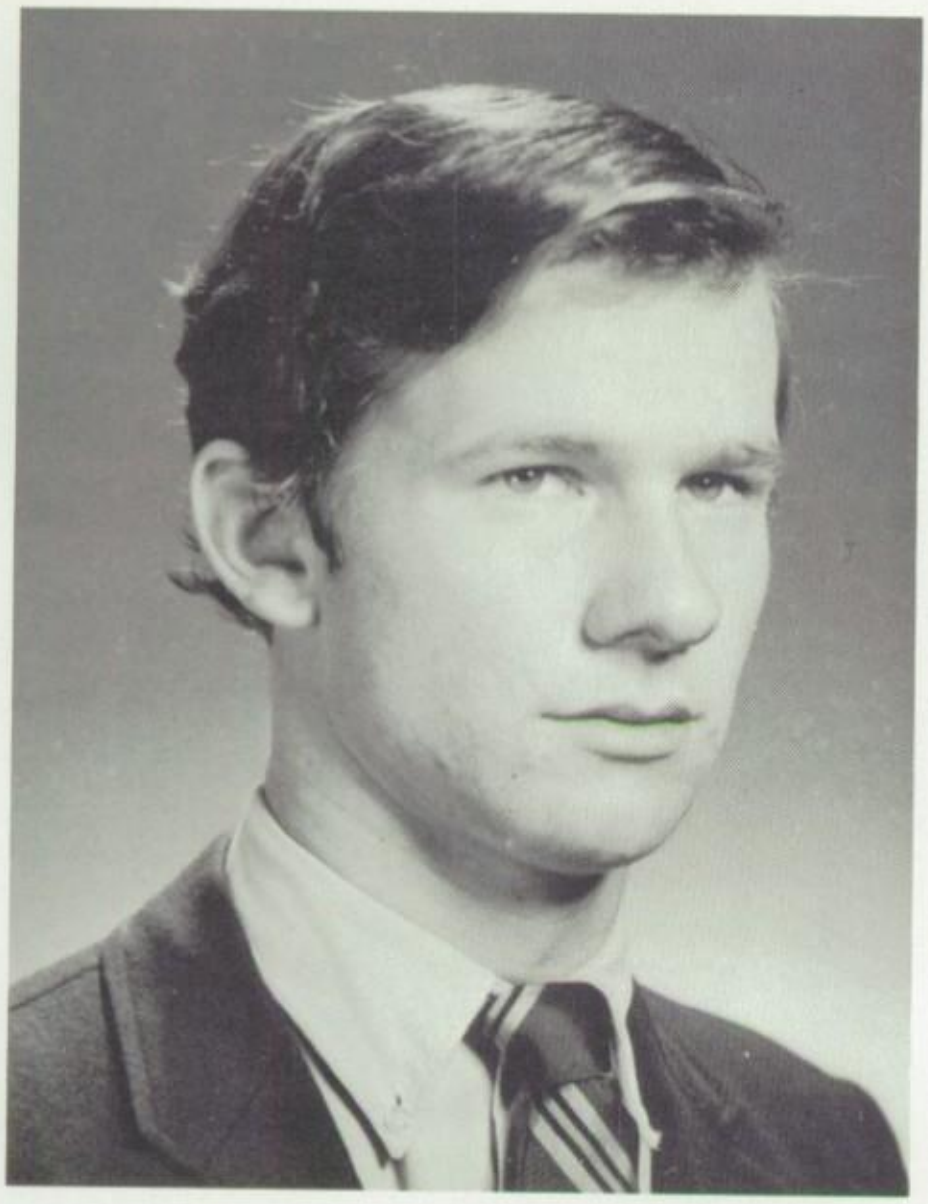
SENIORS

TERRY EVANS

Football 2,3,4.

Terry's three years at Milford have been a credit to him, as well as to the Academy. An accomplished student and athlete, he has maintained an honors average while lettering in varsity football. This year Terry took the No. 1 fullback position of the Falcon's squad. We hope that he will bear similar responsibilities in the future.





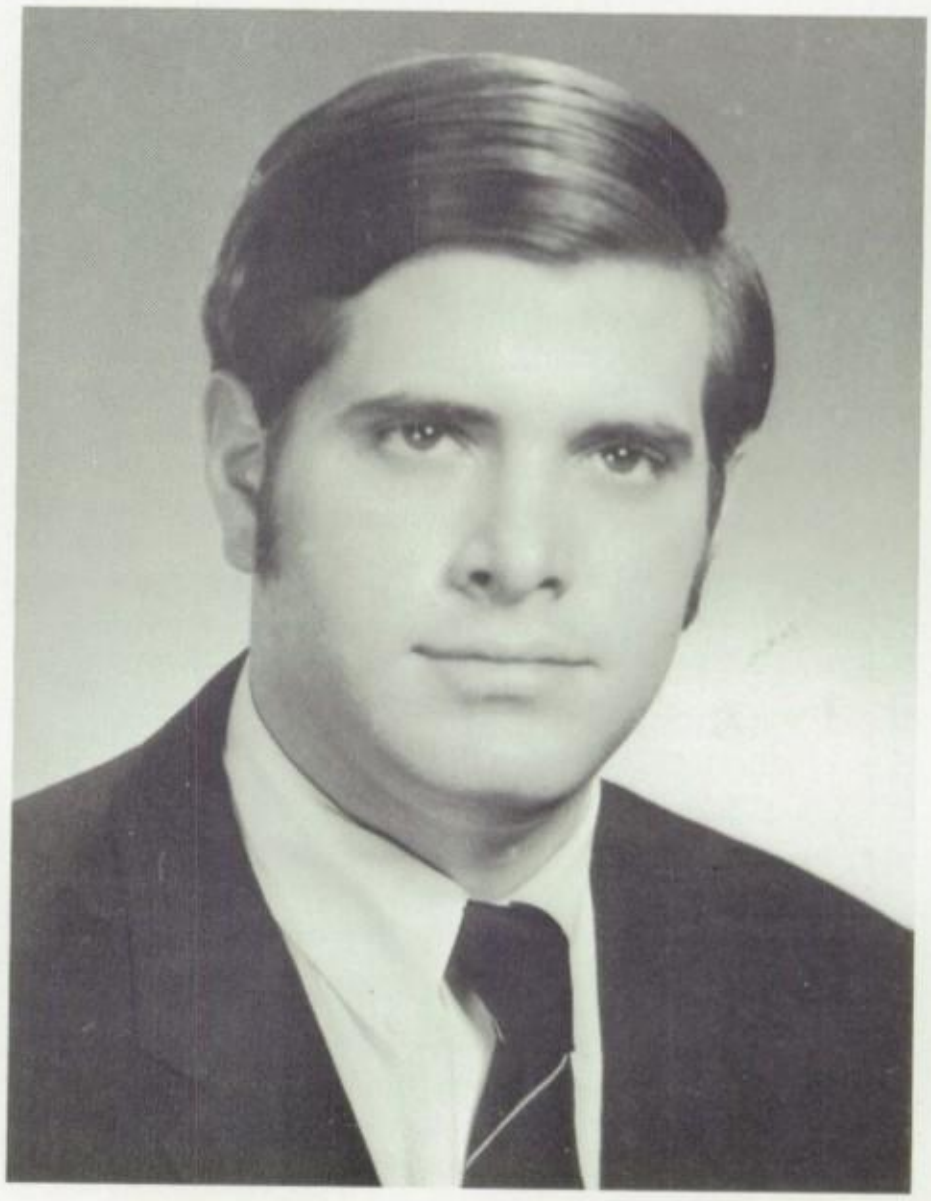
CHARLES FIALA

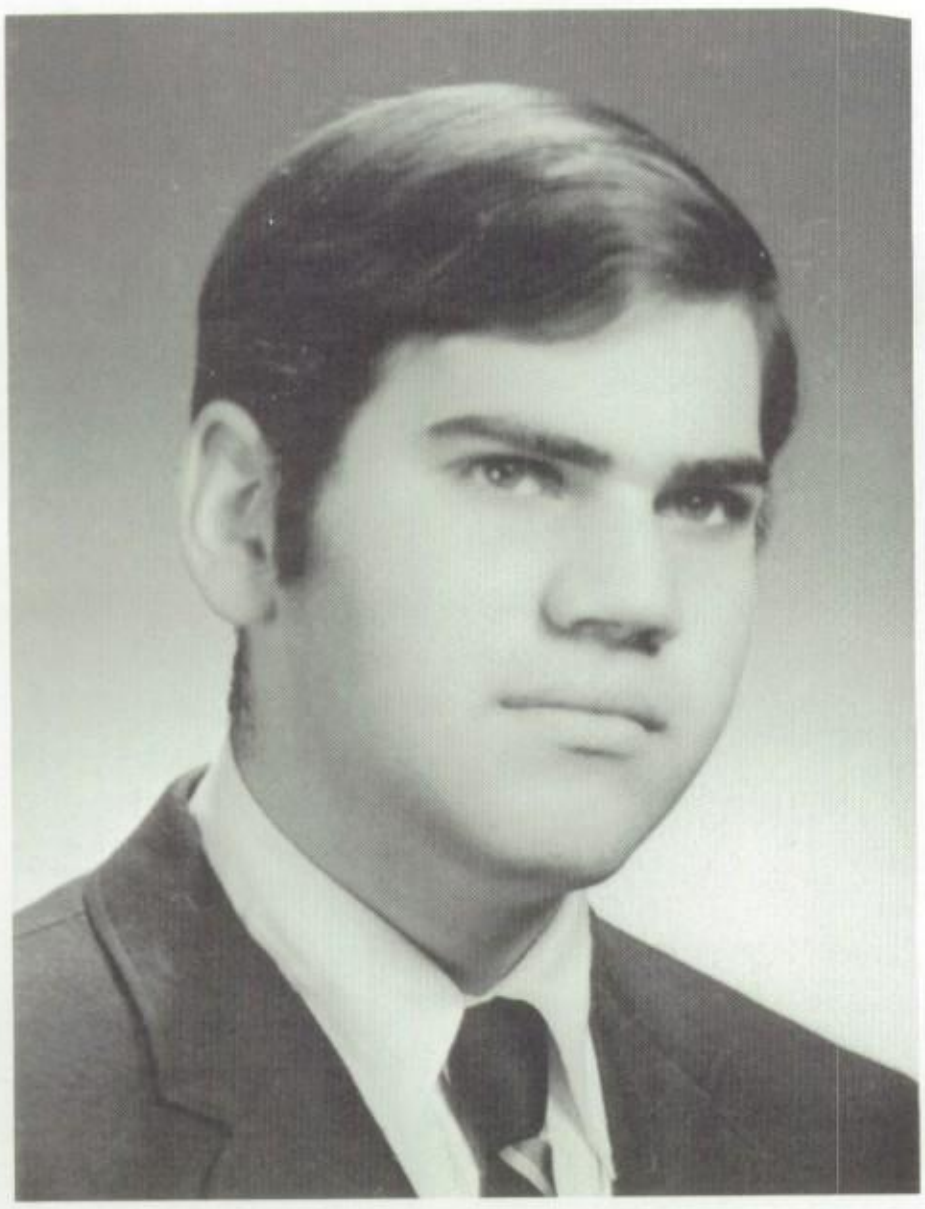
Charlie has been Milford's tennis pro for the last three years. This ability on the courts has matched his personality quite well. When not on the courts Charlie can usually be found walking to his first period class half asleep or driving to Milford in less than a minute in his International truck. Is that bell in Charlie's truck for real? Anyway, in his three years here Charlie has gained an unaccountable number of friends. *The Typhoon* wishes Charlie good luck at SCSC.

HOWARD FIGMAN

Milfordian 3,4; Tennis 3,4; Interact Club 4.

Figgy arrived from the city three years ago to become one of the original class of 69. Always willing to share a laugh or a grumble with a lonely classmate, he soon gained the friendship of many of his peers. Being constantly in his friendly manners he has managed to keep these relationships strong throughout his three year career. He is certain to succeed at Ithaca College in the years following.





MAX FORMAN

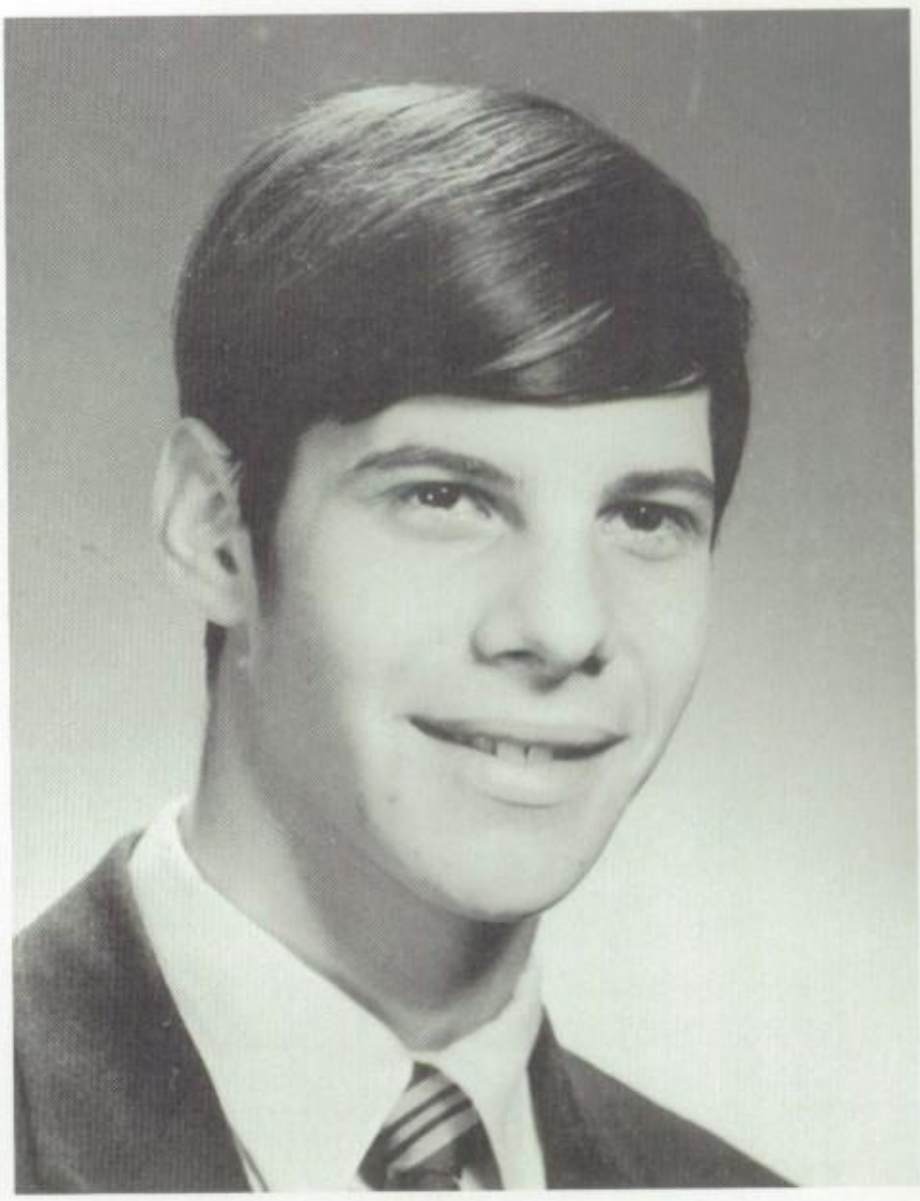
"Maxie" is a three year man from the great state of New York. He is one of the most affable members of our class. When not helping someone with their problems, he is busy working for the betterment of the school. A busy man in the school fraternity, he is always working on fund raising ideas. Max is one of those type of people that are few and far between: a good student and all around buddy to all in the school, he will never be forgotten. *The Typhoon* and the entire student body wish him the best of luck at Cornell University.

SENIORS

FREDERIC FOX

Soccer 3,4; Tennis 4; Baseball 3; Junior Class Treasurer.

"Wild Freddy," has been at the Academy for two years and he has enjoyed it tremendously. Actually, there is very little Fred dislikes; he is most fond of being part of everything going on. He enjoys having the fellows in his room for a bull session and giving them food and music. It can never be said of Fred that he is stingy on hospitality (or booze).

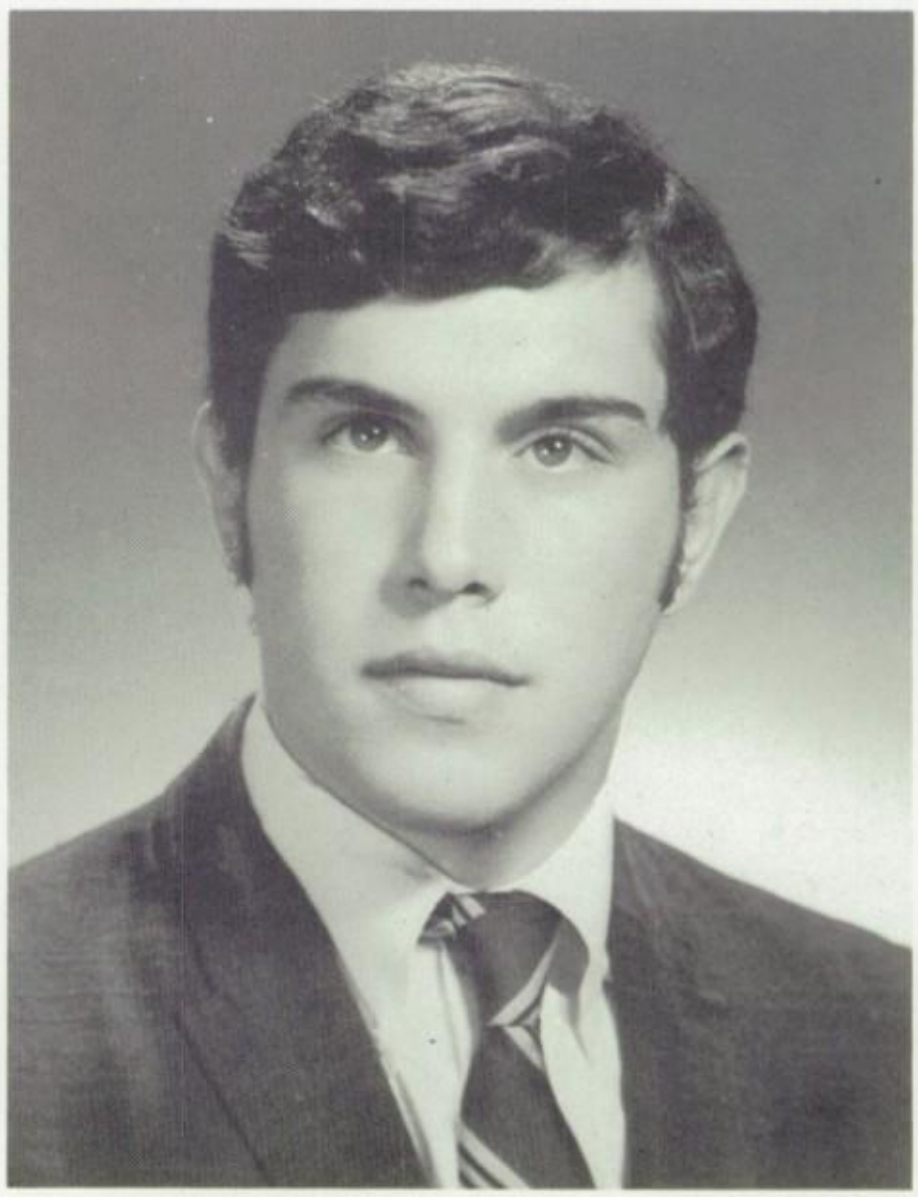


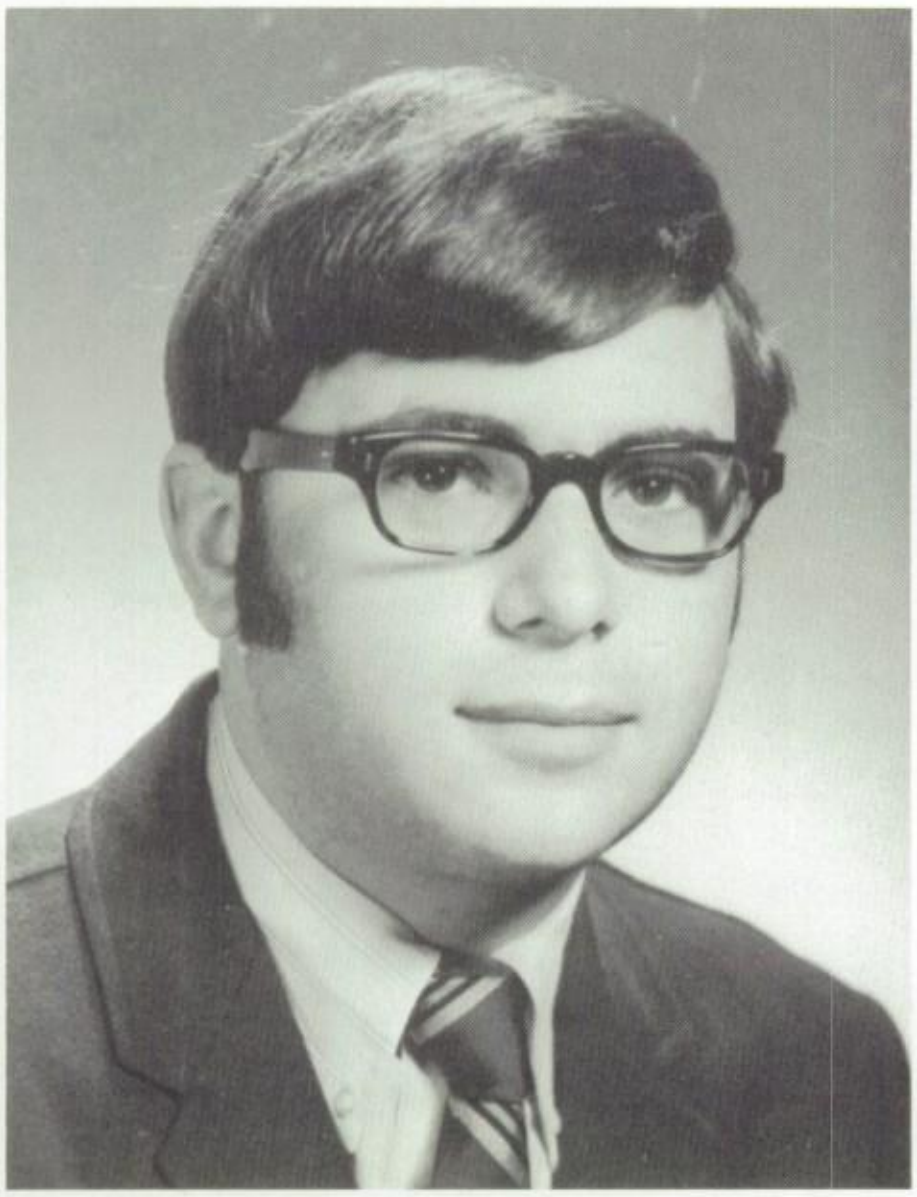
JOSEPH FRANCINI

Jo-Jo came from Derby to spend four years at the Academy. Always pleasant and friendly, Joe spent much of his time on the basketball court and helped Mr. Lyon a great deal during the season. We wish him the best of luck at St. Leo's College next year.

FREDERICK FREUNDLICH

Fred was one of the Andrew Hall boys who was always where trouble was — but, was innocent, so he said. He loves to discuss any point and has the "grey matter" with which to do it.





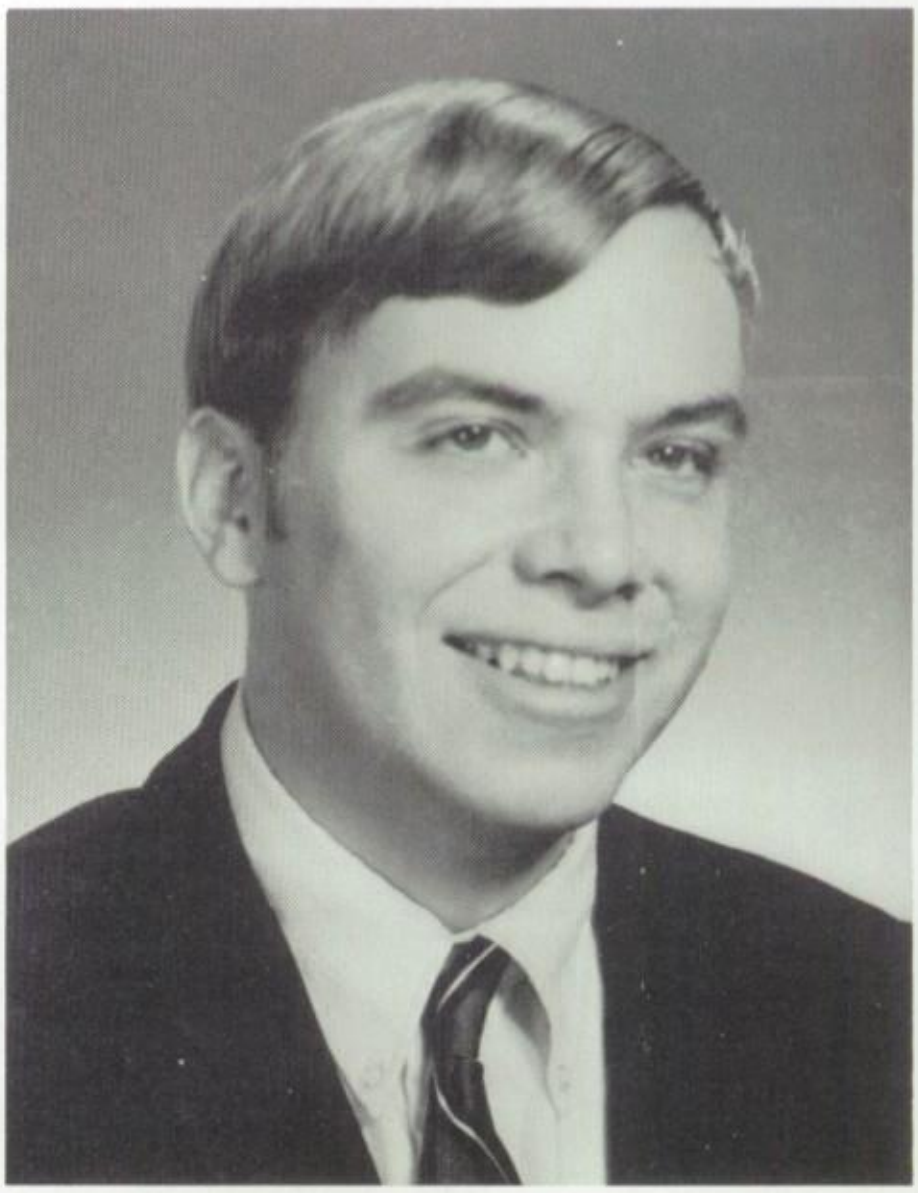
JOSEPH FRISA

Although Joe lived in New Haven, he commuted to New York, Stamford or Pennsylvania at least once a week. Joe, always on the go was either backing Abe Fortas, Gene McCarthy or speaking out against New Haven's welfare agencies. He belonged to Milford Academy's extremely dramatic Actor's Club and starred in a number of roles. Joe was usually very reserved (because of his infallible New York accent) except when someone slucked one of his hyper-tensions. With happy heart, forgetting all of his misgivings, we wish Joe good luck at Southern Illinois University.

SENIORS

ERIC FRISBE

Friz can always be found with a smile on his face. An original member of the class of 69, Rick has never lost his carefree attitude or smile. He can especially be found talking to Zites about "those Saturday nights?" Friz has a keen brain for electronics and sailing. Summer is Friz's season and he lives every minute to the fullest. Friz's constant smile will carry him to the University of Tampa next year, where he will major in Business Administration.



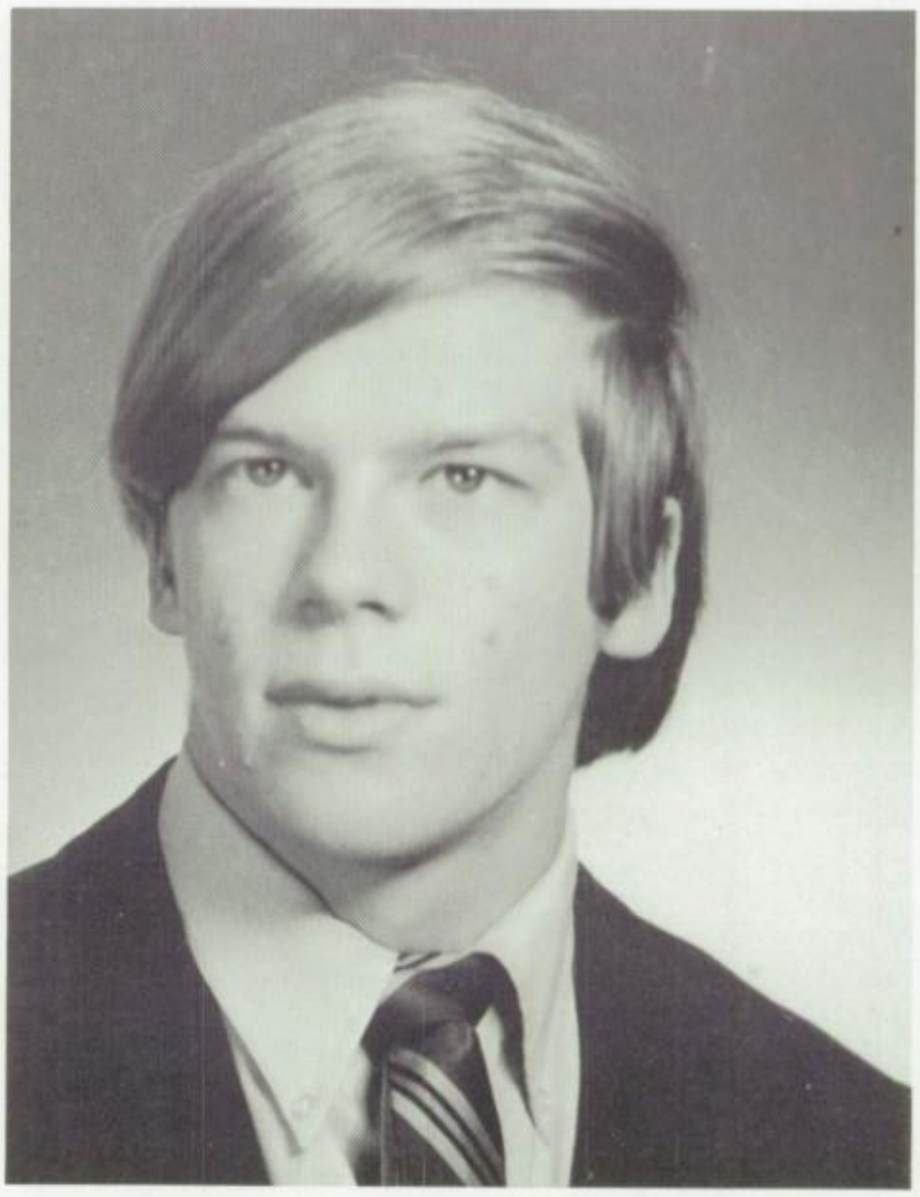
LAWRENCE GOODMAN

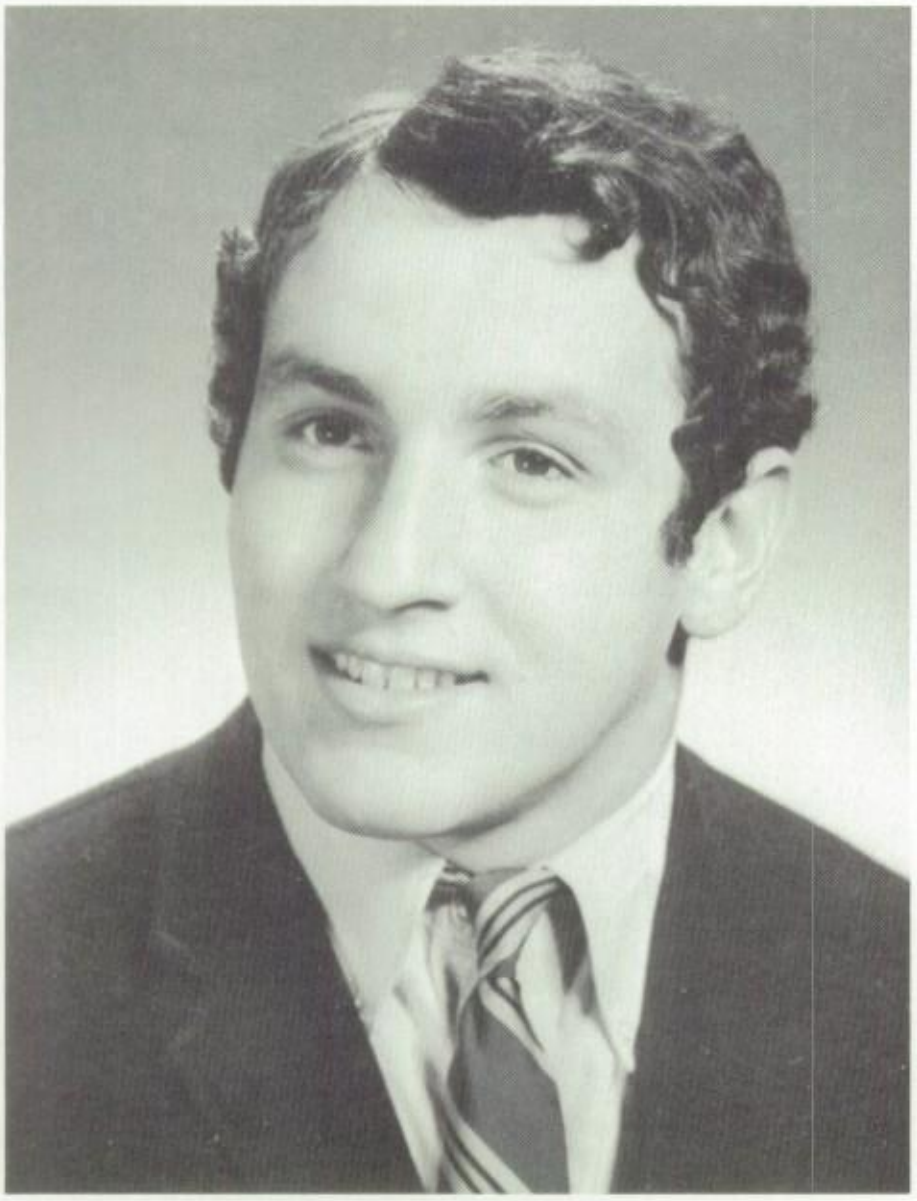
Larry, who hails from Fairlawn, New Jersey, is a popular exponent of our student body. "He's a nice guy," says Andy Miller, a radical rightist. God bless Larry and lots of good luck at college.

THOMAS GOODRIDGE

Goody, one of the Academy elite, bore the imprint of a true Walden philosopher. One could usually observe Tom strolling around the campus lanes or sliding on new-frozen ice. A master of English, Tom many times pondered over theories and meanings. But Tom, the wild Bohemian, is leaving us also, hopefully to the green grass of Reed College. Tom, you lover of the world, answer this "obvious" question:

"earth, water, fire and air
met together in a garden fair
put it in a basket found with skin
if you answer this riddle you'll never begin"



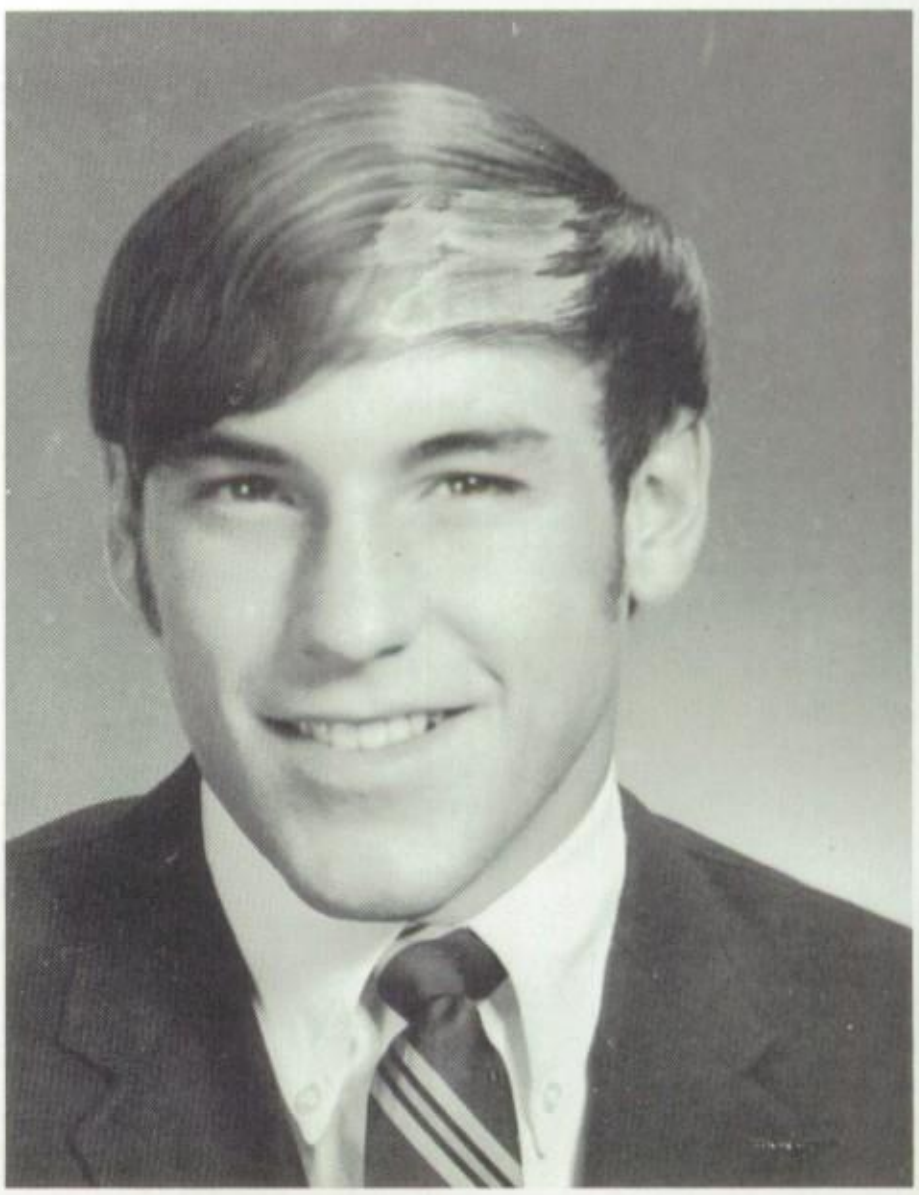


JOSEPH GRASSO

Football 4.

Joe came to the Academy after graduating from Wilbur Cross High School in New Haven. While at Cross High he was the starting center and in his senior year he was selected team captain. Joe is a strong center with good blocking ability and held the Academy center position this past fall. Milford Academy wishes Joe the best of luck in the future.

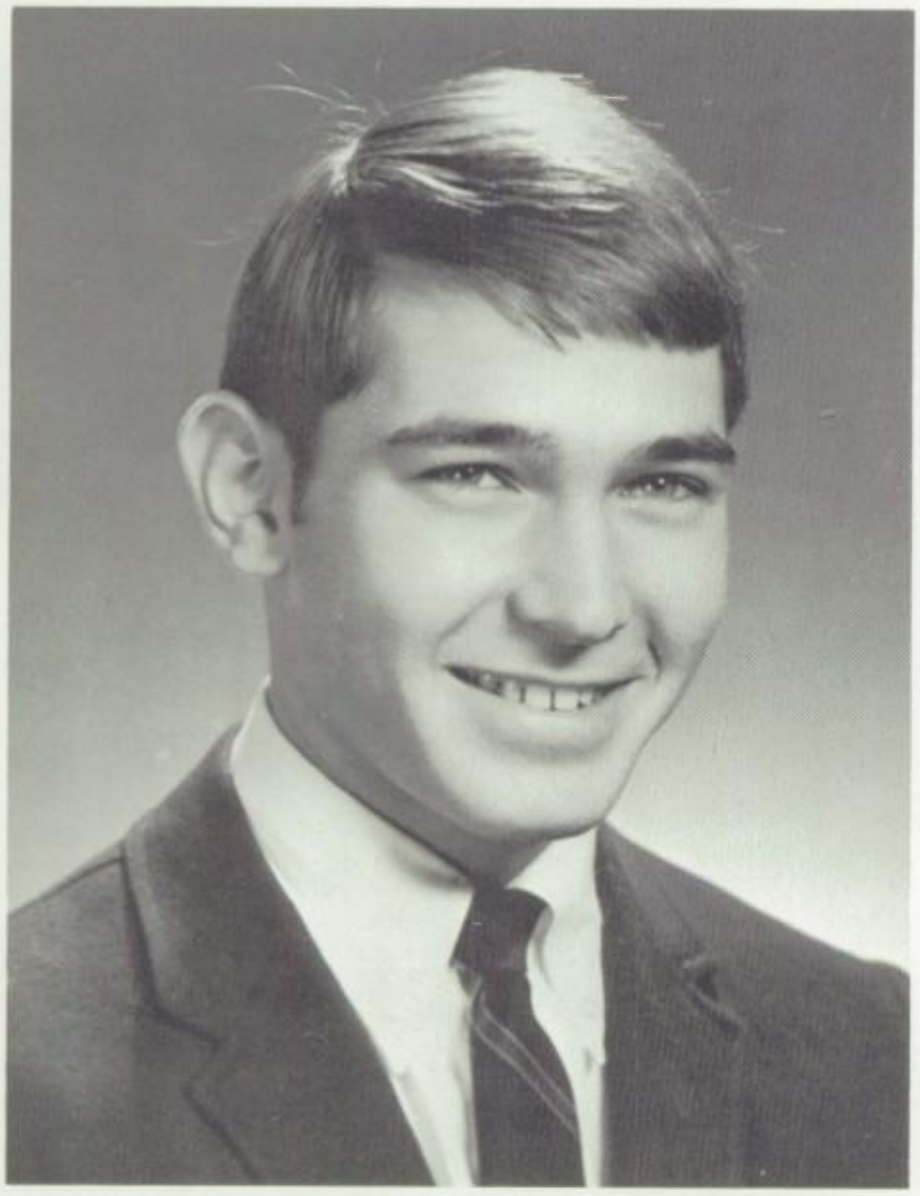
SENIORS



GERALD GRIFFIN

Football 4; Track 4.

Gerry is quite a dapper, suave guy, which is very surprising, considering he's one "hell-uva" football player and track man. His bubbling sense of humor and warmth pervades throughout the campus. Though Gerry is of a mighty frame, he doesn't neglect the small things such as dress, grooming and appearance.



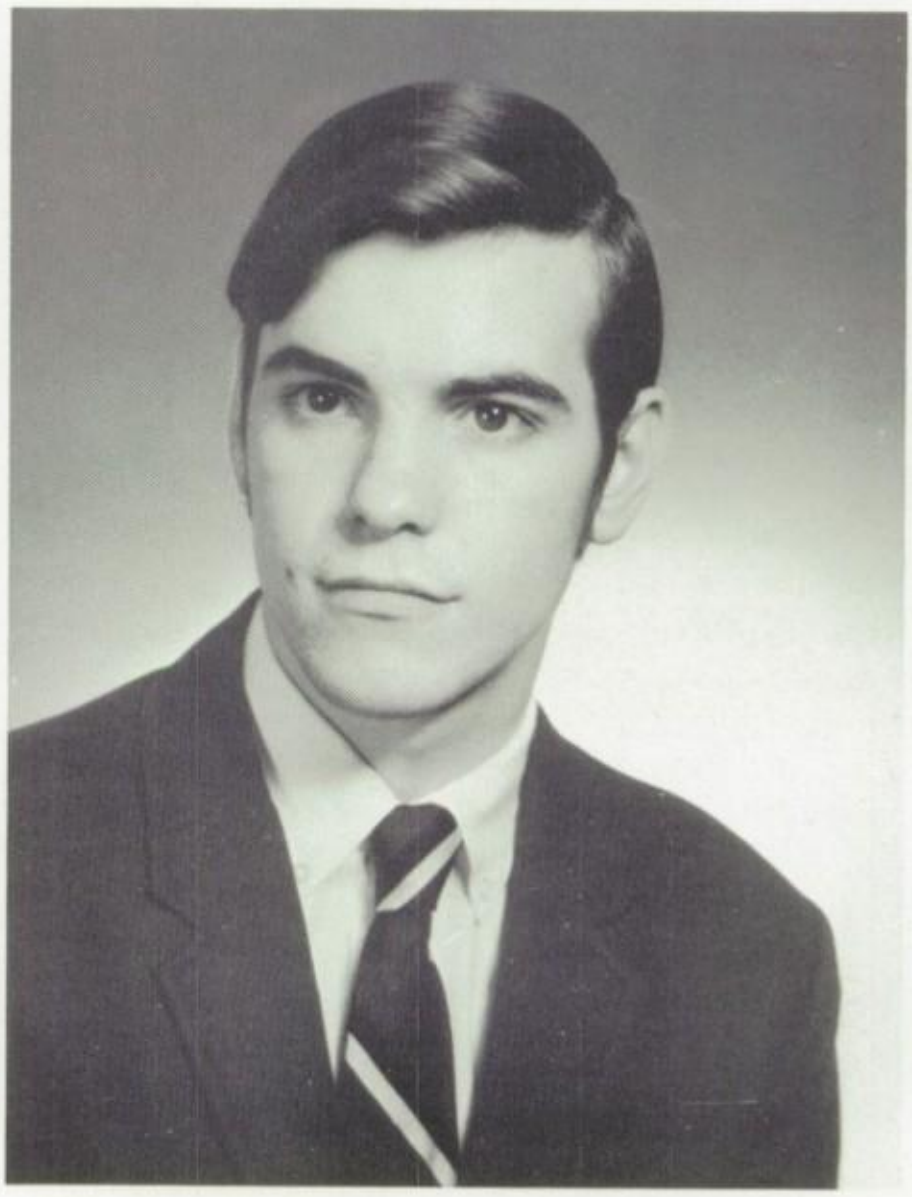
JOSEPH HABANSKY

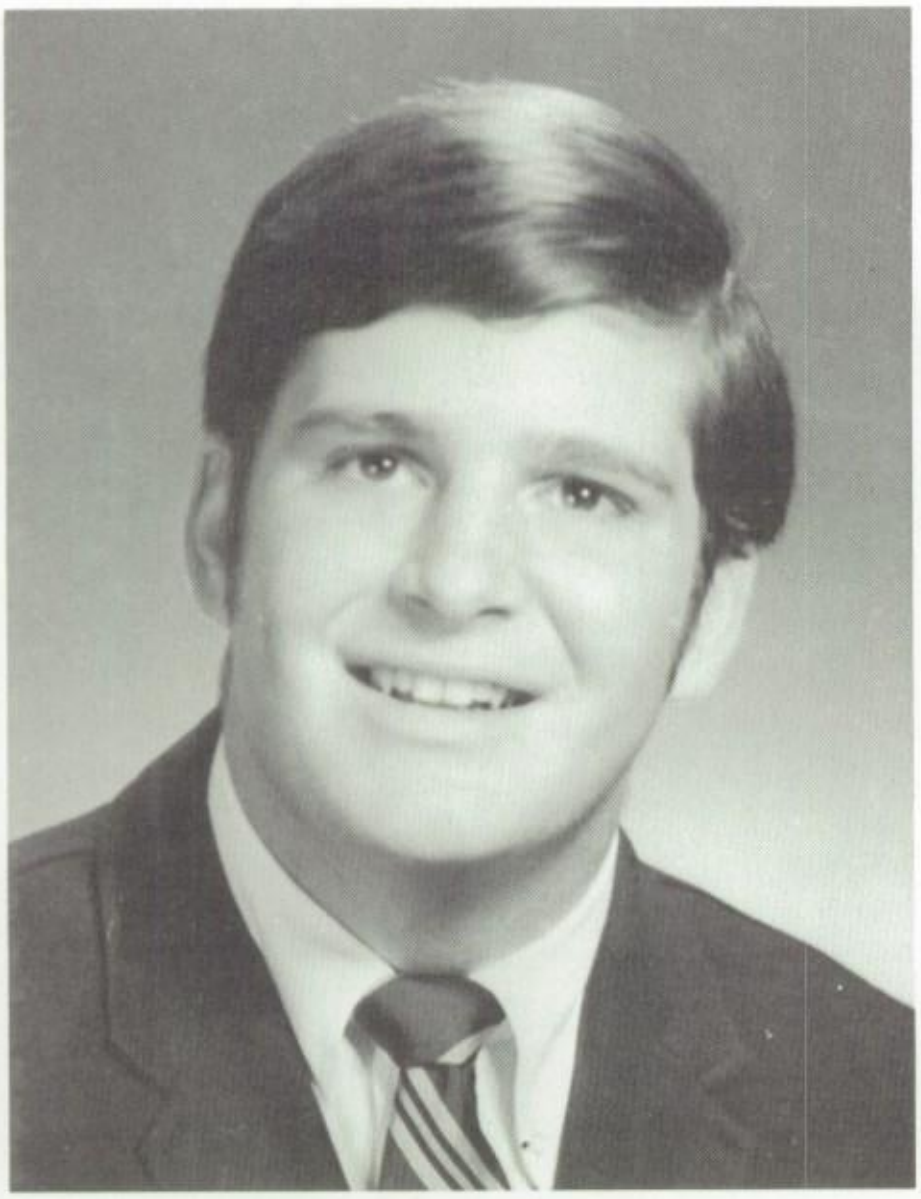
Track 3,4; Cross Country 3,4.

Two years ago, Joe arrived on the Milford campus and immediately began to establish an admirable reputation. Bang, as many call him, hailed from Bridgeport, which according to Joe is "the" city. While maintaining a consistant average throughout his stay here, Joe was very active in extra curricular activities. He was on the track team and participated in cross country. Joe will be remembered for his happy-go-lucky nature, his friendliness, his loyalty to Bridgeport, and his love for Milford Academy.

JOHN HALLIGAN

John is one of the one year men at the Academy. During this short stay he has proven to be stable regardless of any situation. We hope that John will find happiness in whatever college he chooses.





BILLY HAMILTON

Football 2,3; Wrestling 4; Soccer 4.

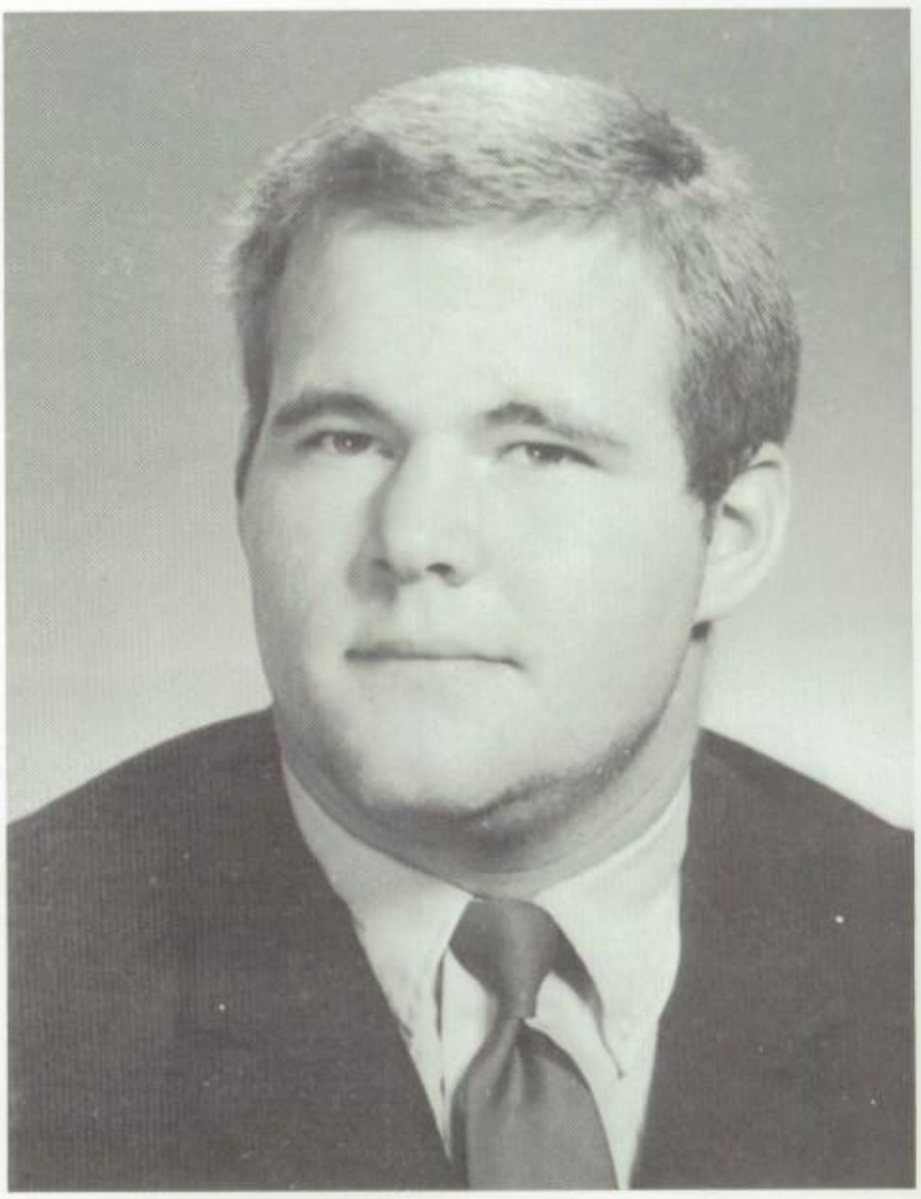
This past year "Buff" showed the greatest determination by continuing to make academic progress along with all his other responsibilities. He distinguished himself in Mr. Shaw's English course. In the second semester he extended himself even further with honors in Spanish and Math IV. Buff will be moving to college, where still waters, we are sure, will continue to run deep.

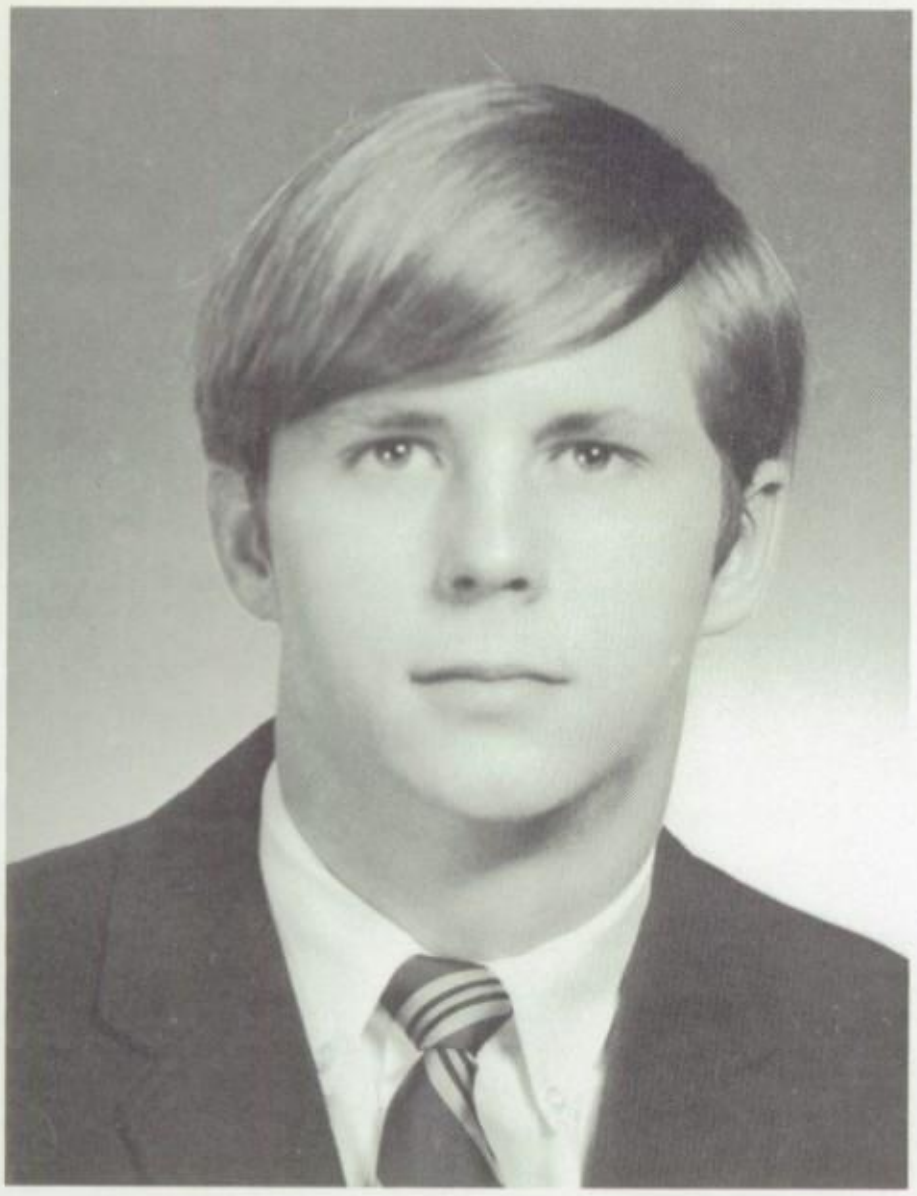
SENIORS

PETER HERDT

Football 4; Track 4.

"Big Pete," as he is called by his classmates, came to the Academy in his senior year. Pete was another of the Falcon monster-football-men this year. He is a huge 280-lb. tackle with great strength and good lateral movements. His aggressiveness and size were large factors in his being named to several all-opponent teams of the opponents of Winthrop High. Pete was also an outstanding track man. He broke the school shot put record with a 53 foot throw. Pete will enter Idaho State University where his size and weight will definitely be a major factor.





RANDAL HINES

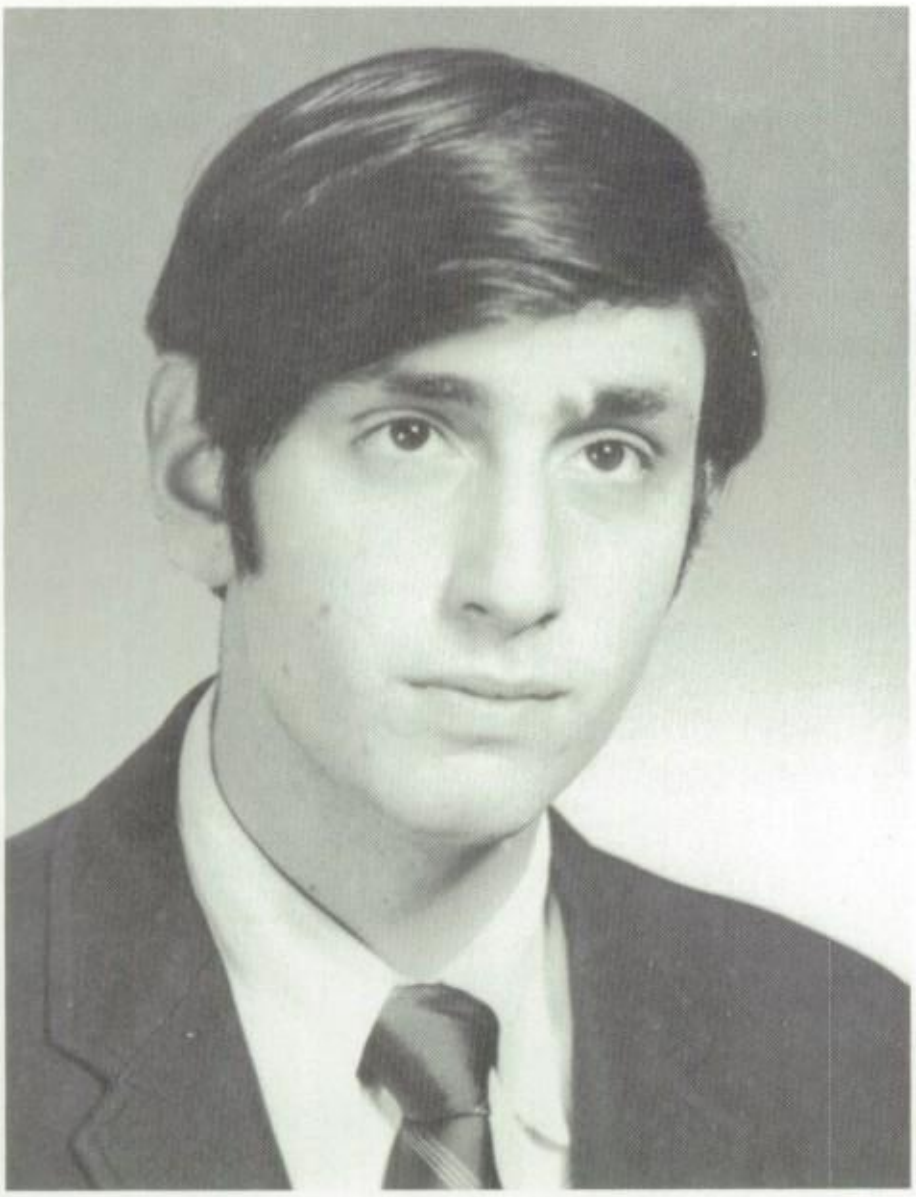
Inter-Act 4; Prefect 4; Fraternity 4.

This is Randy's first year at Milford and it was a rewarding one. Randy came to Milford from Minerva High School in Ohio, to finish high school and quickly established himself as one of the members of the class of 69. During graduation, Randy received the Parkoff Cup, the Yale Book Award and the Spanish Language Award. While spending outside time with activities, Randy maintained high honors, which is a truly amazing feat at Milford. On his non-academic side, Randy is respected by his classmates and looked upon as a leader. He has made many ties at Milford and will be missed by all.

CLASS OF 1969

HUBERT HODGE

"Sandy," a resident of Woodbridge, commuted to school each day in his baby blue "Hodgemobile." A remarkably accurate rifleman, he was a key member of the Milford rifle team in years gone by. Sandy's presence added much life and enjoyment to the rigors of the school day, and we are sure that he will excel through his future.



DOUGLAS HORNGRAD

Prefect 4; Bowling 2,3,4; Milfordian 3,4; Viewpoint 3; Football 3.

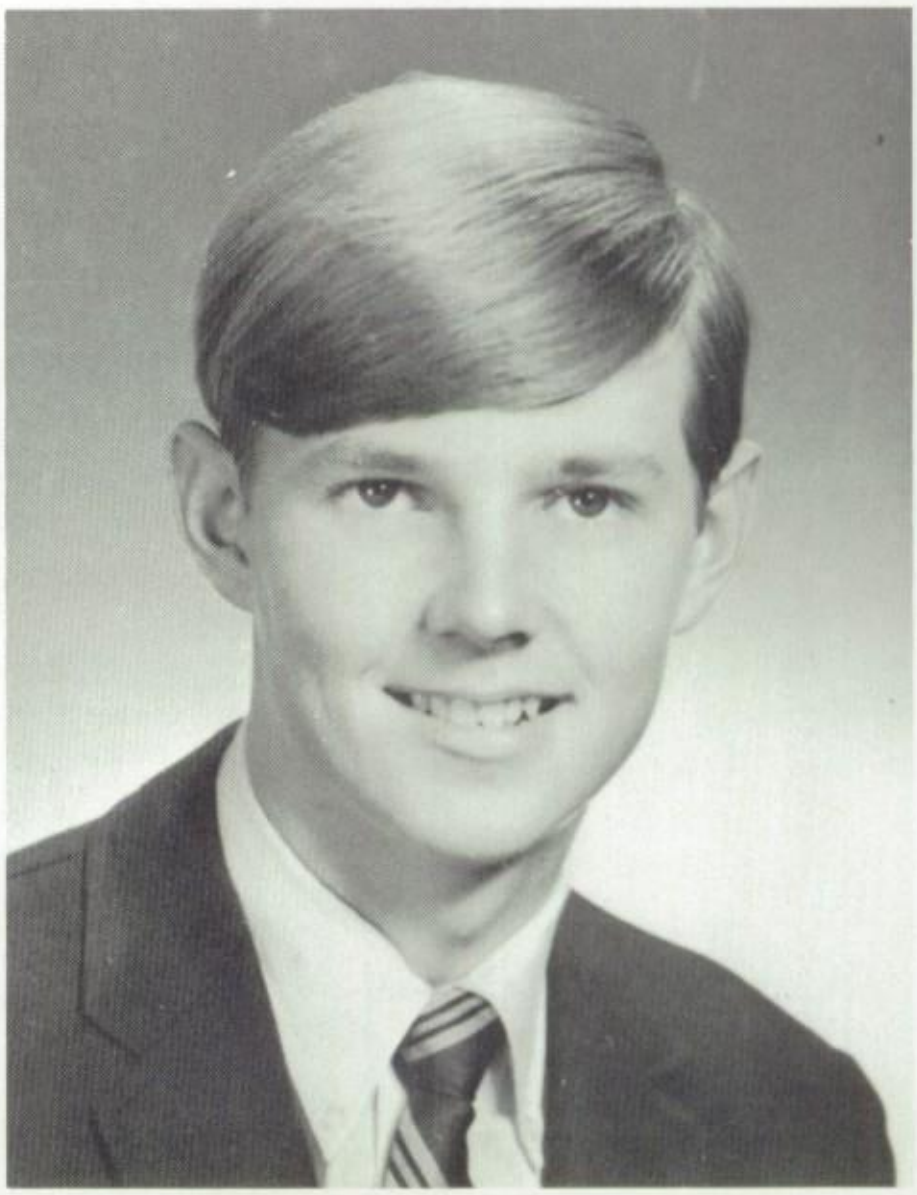
Doug, a boarder from New York, will be sorely missed next year by his classmates. He has a fine sense of humor and was everybody's man on campus. Doug will always remember the arguments with Mr. Bray. He will enter Boston University in the fall.

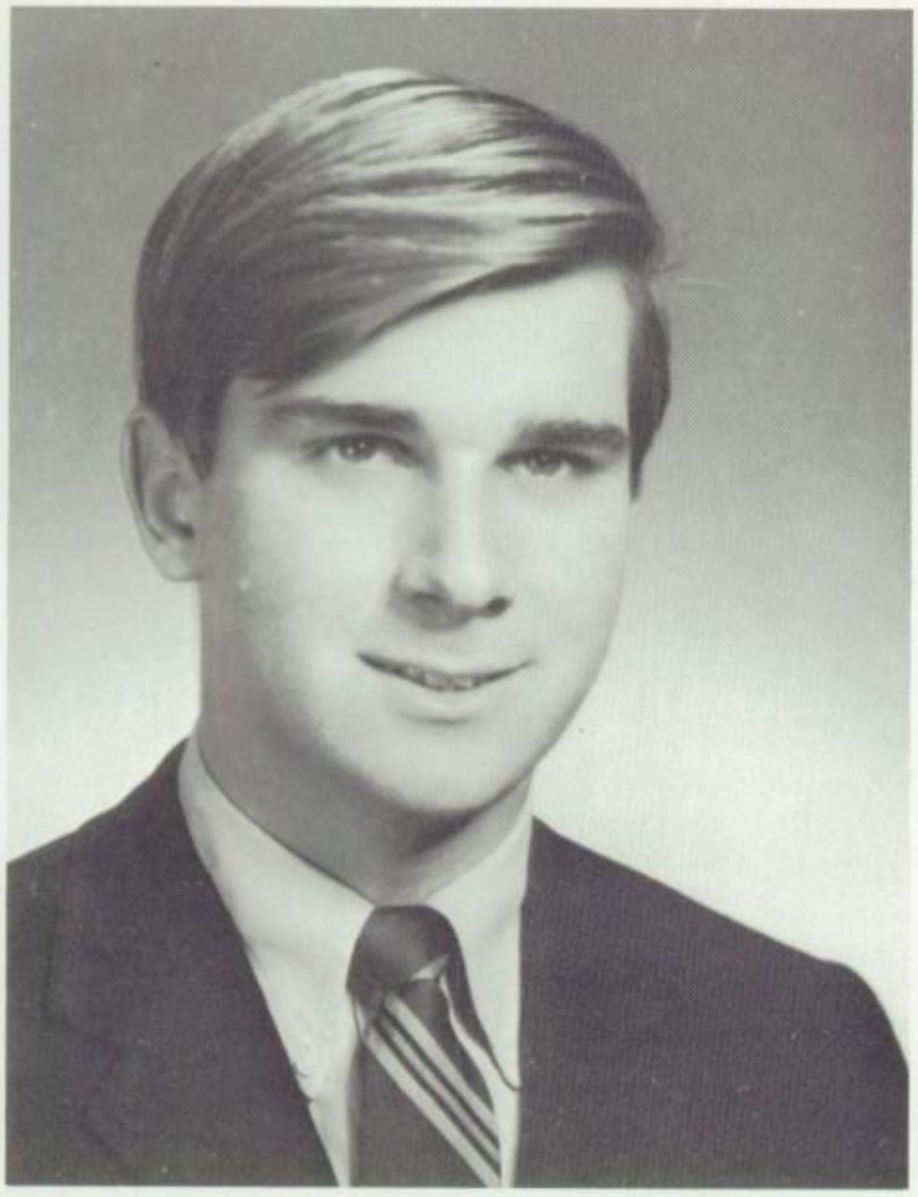
SENIORS

JOHN HORNISH

Sailing Team 3,4; Ski Club 3.

Jack is a two year student at the Academy. During those years he has won friendship and the respect of all his classmates. Jack has left a memorable past at Milford and the students will remember him. For Jack Hornish we wish that sunshine lights every path he may walk.





GREGORY HYRB

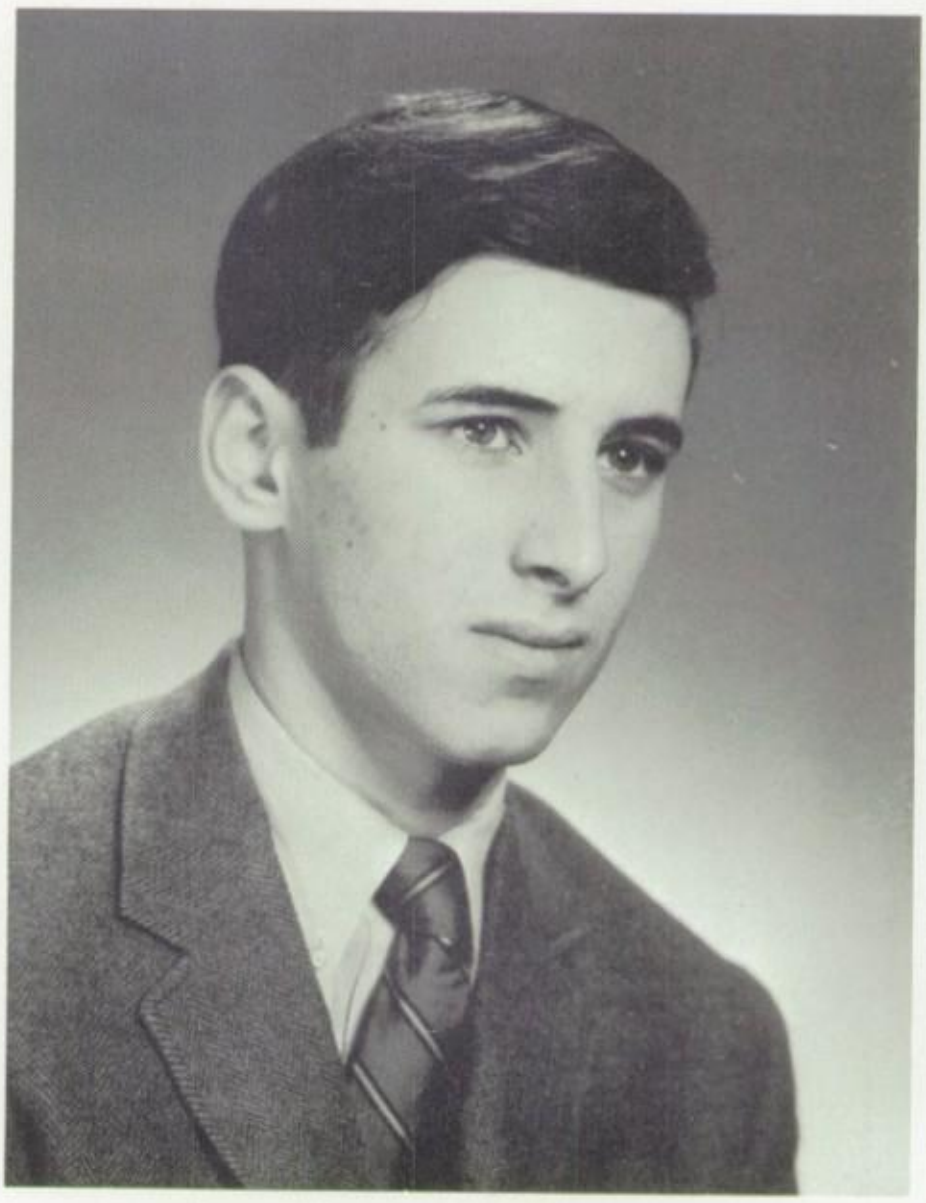
Art Club 3; Drama Club 4.

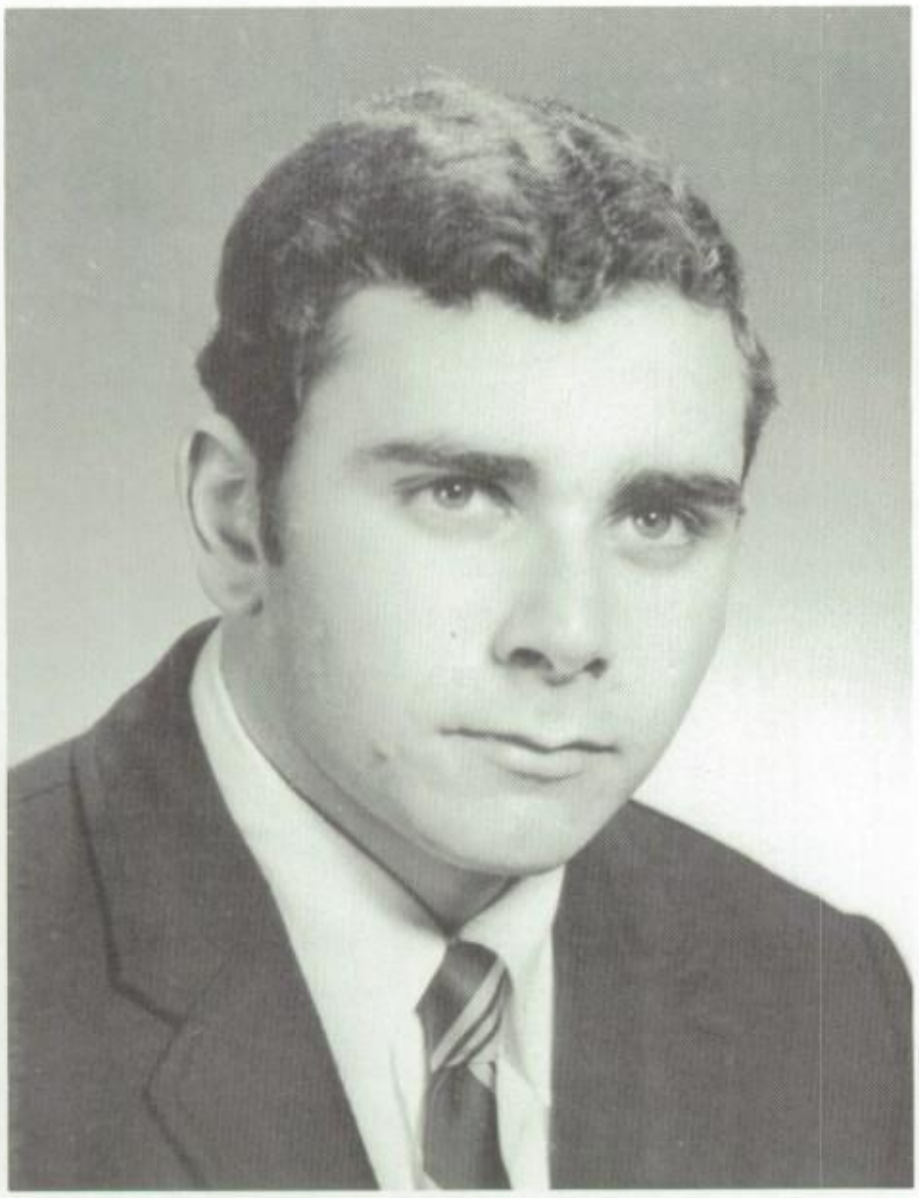
Greg, an ex-Hopkins boy, came to Milford in his junior year. Taking advantage of Mr. Argenio's Art Club, Greg quickly established himself with the faculty. Greg's work in the Drama Club also enabled him to become a hero to all the Laurelton Hall girls. His excellent work in Mr. Shaw's English class rewarded him with B's throughout the year. We wish him luck at the University of Penn.

WILLIAM IERARDI

Basketball 3,4; Golf 3.

Bill originally played basketball at Hamden High, but he transferred to Milford to complete his junior and senior years. His superb shooting capabilities helped him to be one of the leading scorers of the Academy five. Off court Bill worked and was always on the honor roll. Bill was especially known for his witty sayings and cool humor which made several fantastic friendships while at the Academy. He will be missed by all next year.





MARK IMBROGNO

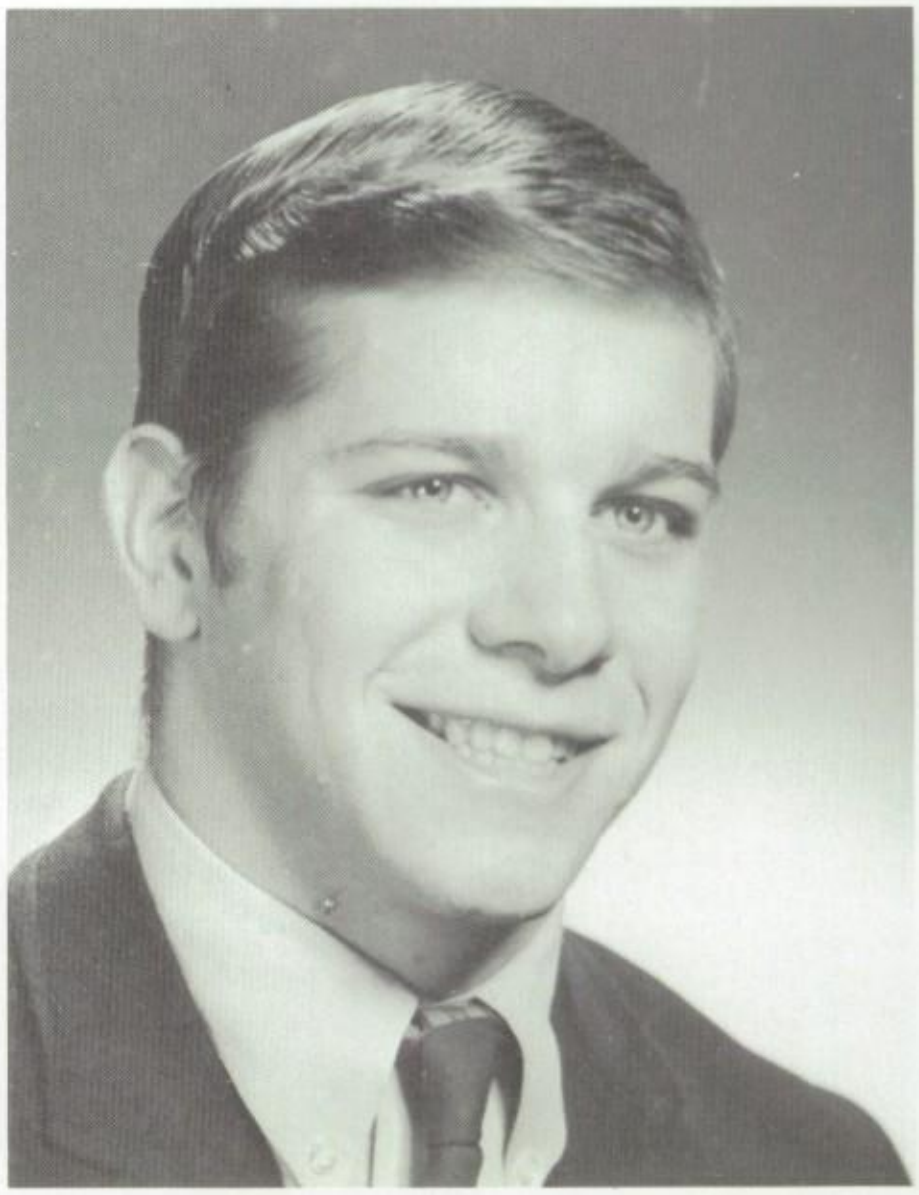
Mark, who frequently is confused with his brother Frank, for reasons unknown, came to Milford in his sophomore year. Making the honor roll nearly all the time, is not Mark's only achievement. He is also the star pole vaulter on Mr. Emery's track team, the life of last year's Algebra II class with Mr. Virgulto and one of the few boys accepted at the Storrs campus of UConn. We all wish Mark the best of luck next year.

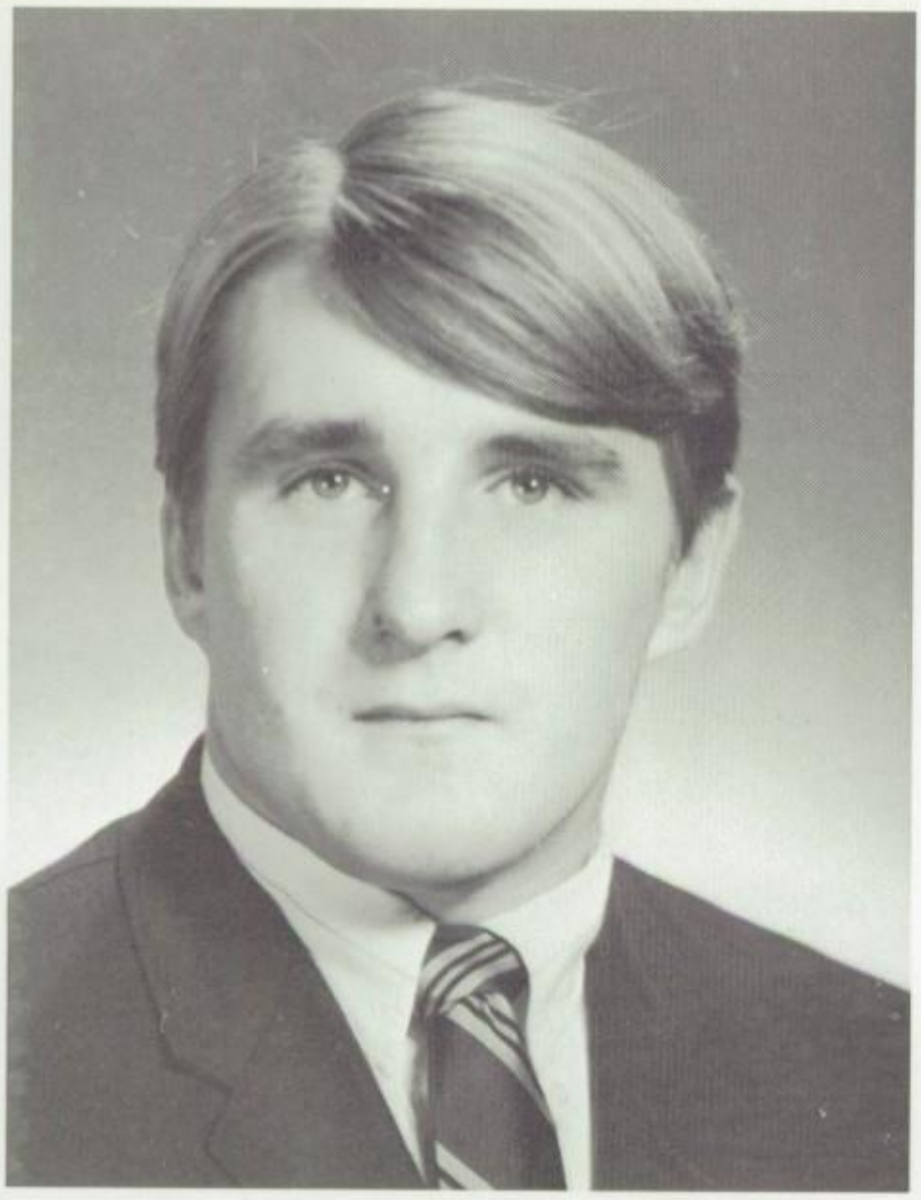
SENIORS

LEONARD IZZO

Football 4; Wrestling 4; Baseball 4.

Lenny, one of the finest athletes to play football at Milford, was voted Most Valuable Player of the week after the Southern Connecticut game. On and off the field though, Lenny is more than a fine athlete. He is a warm person with a vibrant outgoing personality and certainly a gentleman at all times. Beyond the football field Lenny displays his all-around ability on the wrestling and on the baseball diamond. He enjoys all sports but works hard at his studies in order to attend a fine college of his choice.





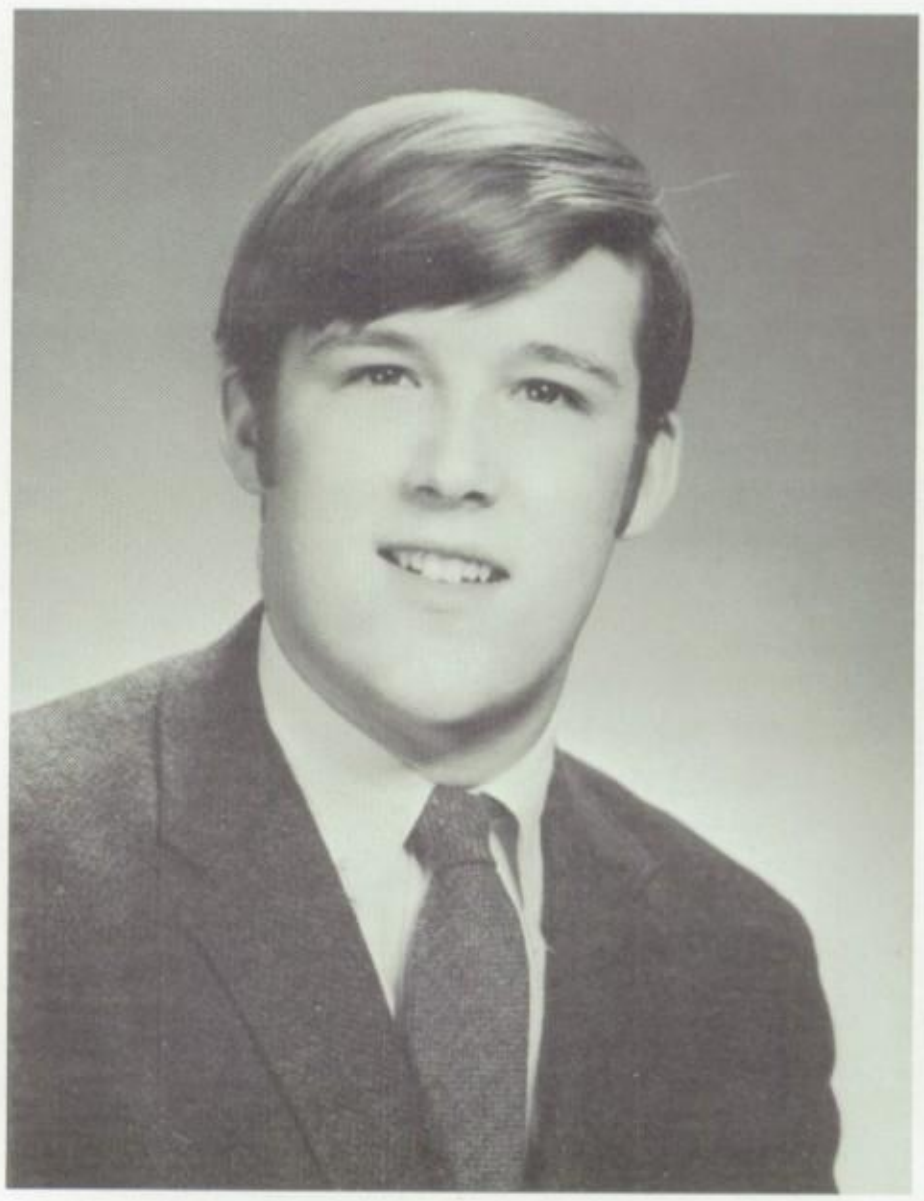
WALTER JADACH

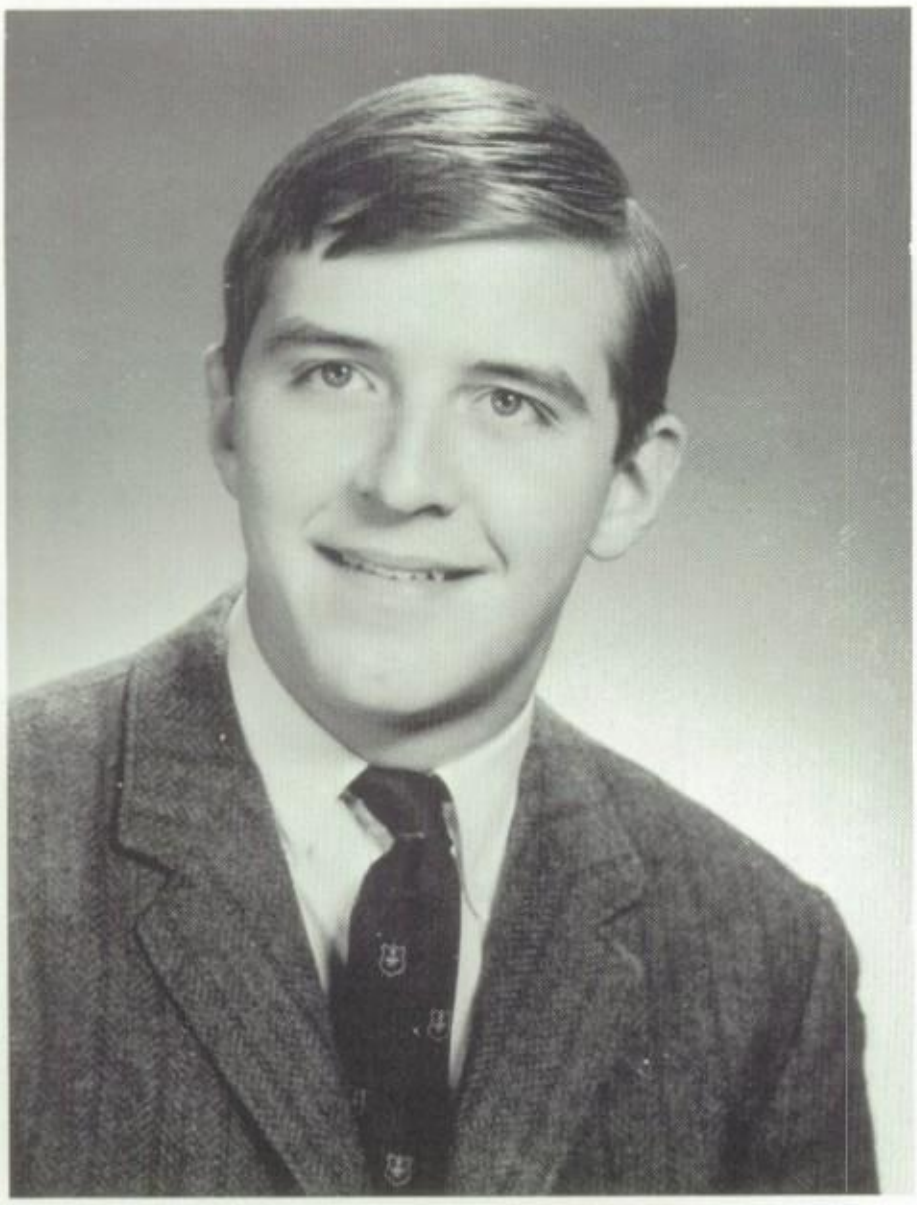
Football 4,5; Track 4,5.

Buster has made many friends during his two year stay here. His talent as the Academy's fullback in football can be reflected in the team's 7-1 record. He is widely known for watching past football movies in Mr. Downey's office. Buster is looking toward South Central College but might be tempted to return to the Academy next fall for another season of football. We wish Buster the best of luck in the future.

JOHN JAQUITH

Ever since his arrival on campus at the beginning of his freshman year, John has been one of the prominent members of Milford Academy's student body. During these four years he has worked steadily and well at both athletics and his studies, having not infrequently attained an honor roll standing as reward for his diligence. We wish John all the very best and hope that he will do as well in the future as he has done here.





DAVID JENKINS

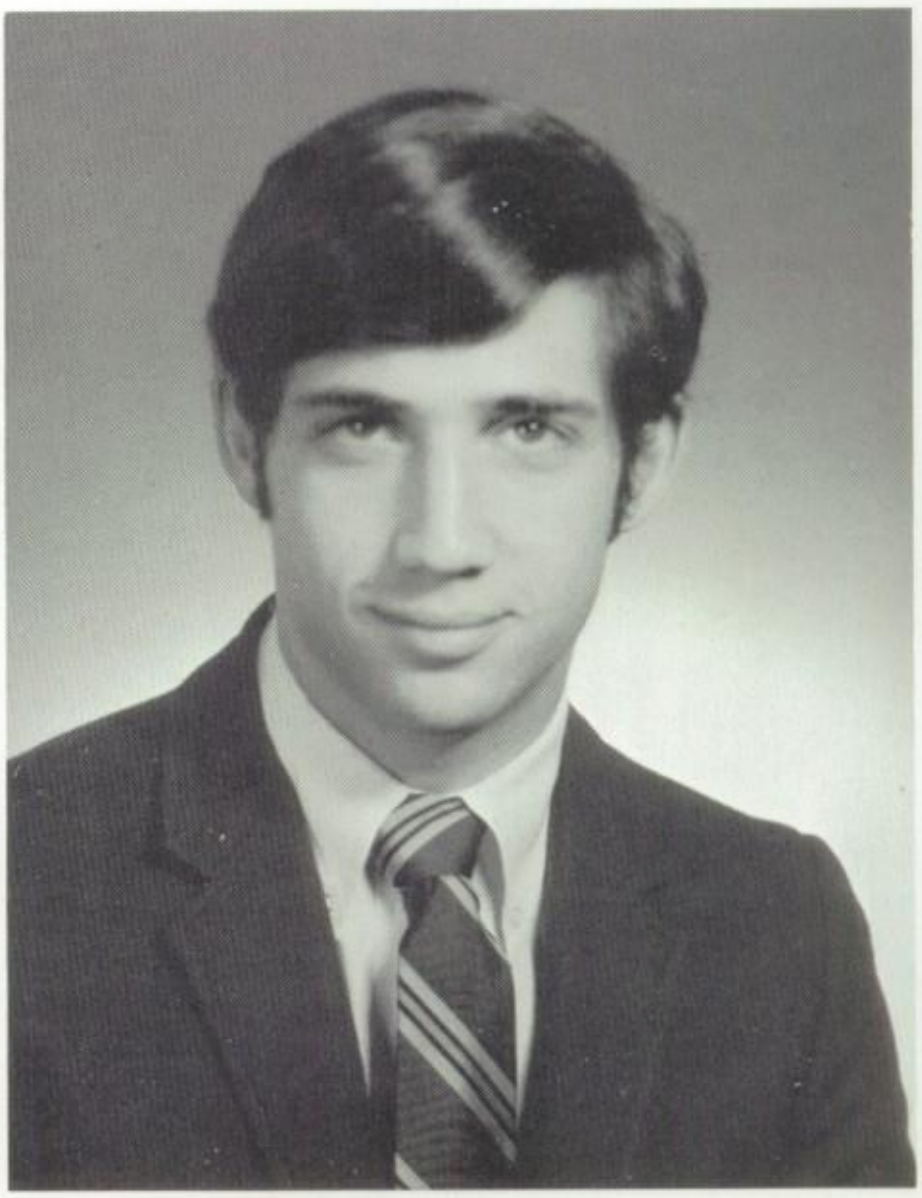
Football 2,3,4.

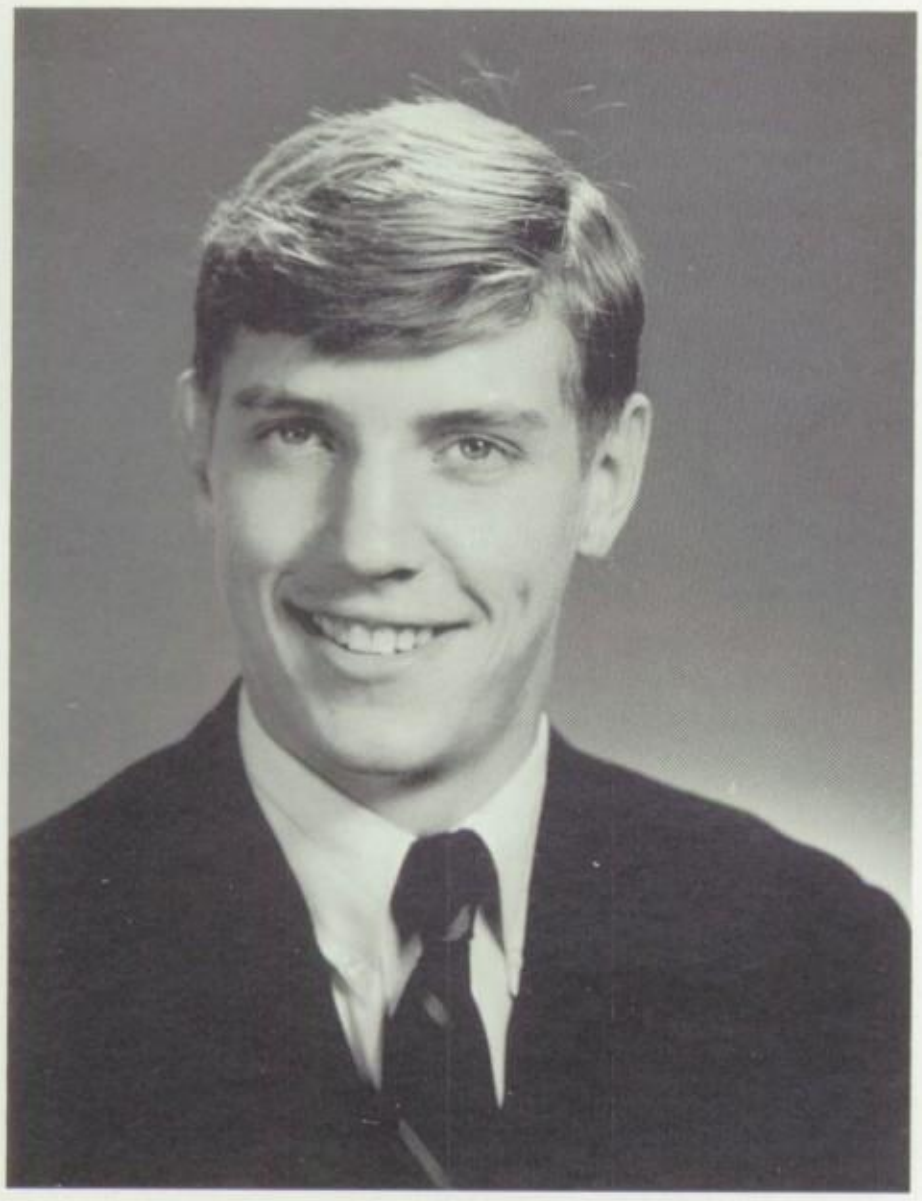
Dave, the second Jenkins to attend the Academy, is a three year man at Milford. Dave uses all his free periods to sharpen his skills in football and basketball. We are sure he will do well at the college of his choice.

SENIORS

ROBERT KASMER

Bob is usually seen keeping track of people who cut work detail or loafing. He was placed in charge of work detail this year, a job that takes both time and patience. He has proven himself most capable. The school will greatly miss him next year as he will be entering college. He also was a dorm Prefect on the famous third floor of Andrew Hall.





MARVIN KASOWITZ

Football 4; Track 4.

"Kas" entered the Academy after graduating from West Haven High School. Kas was a sportsman and participated in football and track. Despite his smallish size, Marv was an aggressive, hard-hitting football linebacker who was not afraid to level backs much bigger than himself. His desire and determination insured him a spot on the defensive team. Kas plans to enter Central Connecticut State College where we are sure he will be a great success.

CLASS OF 1969

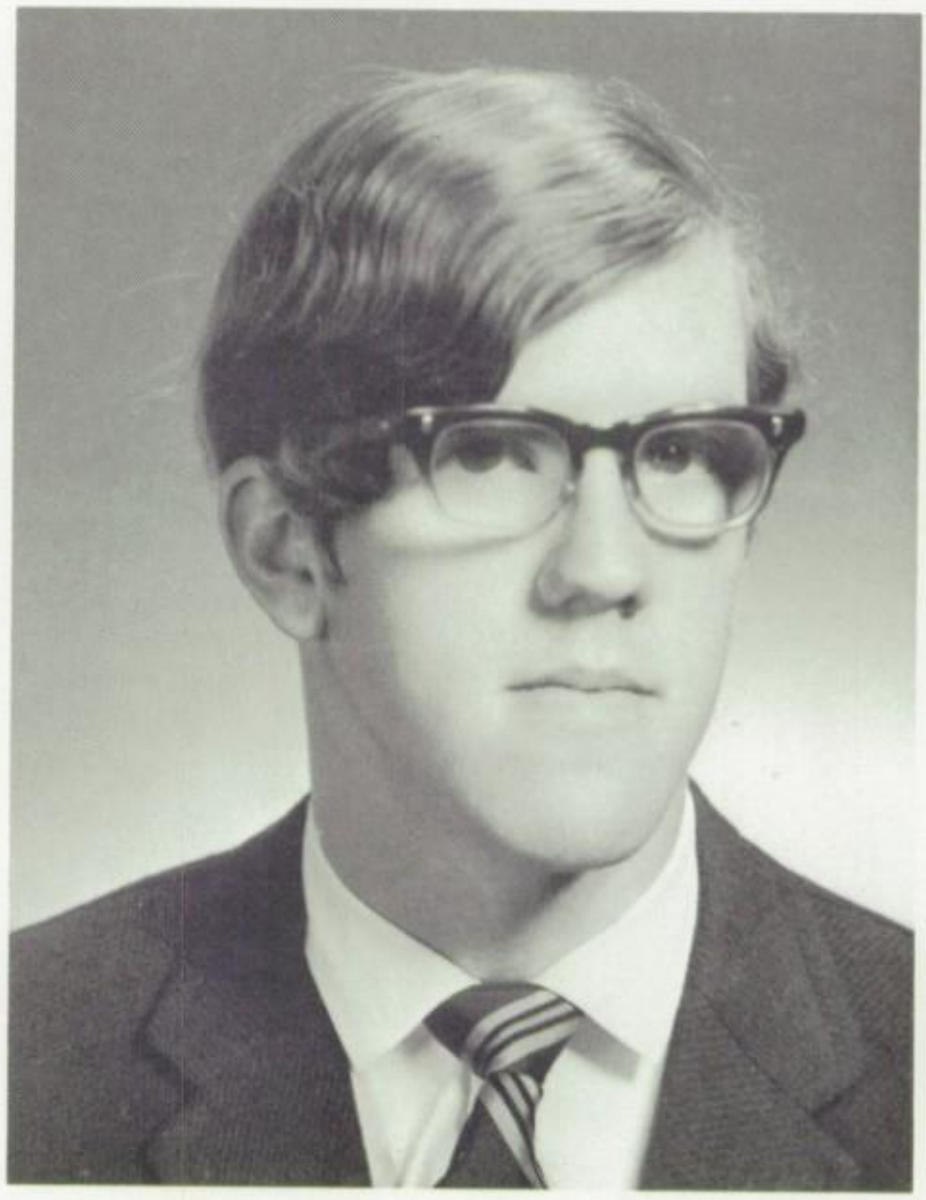
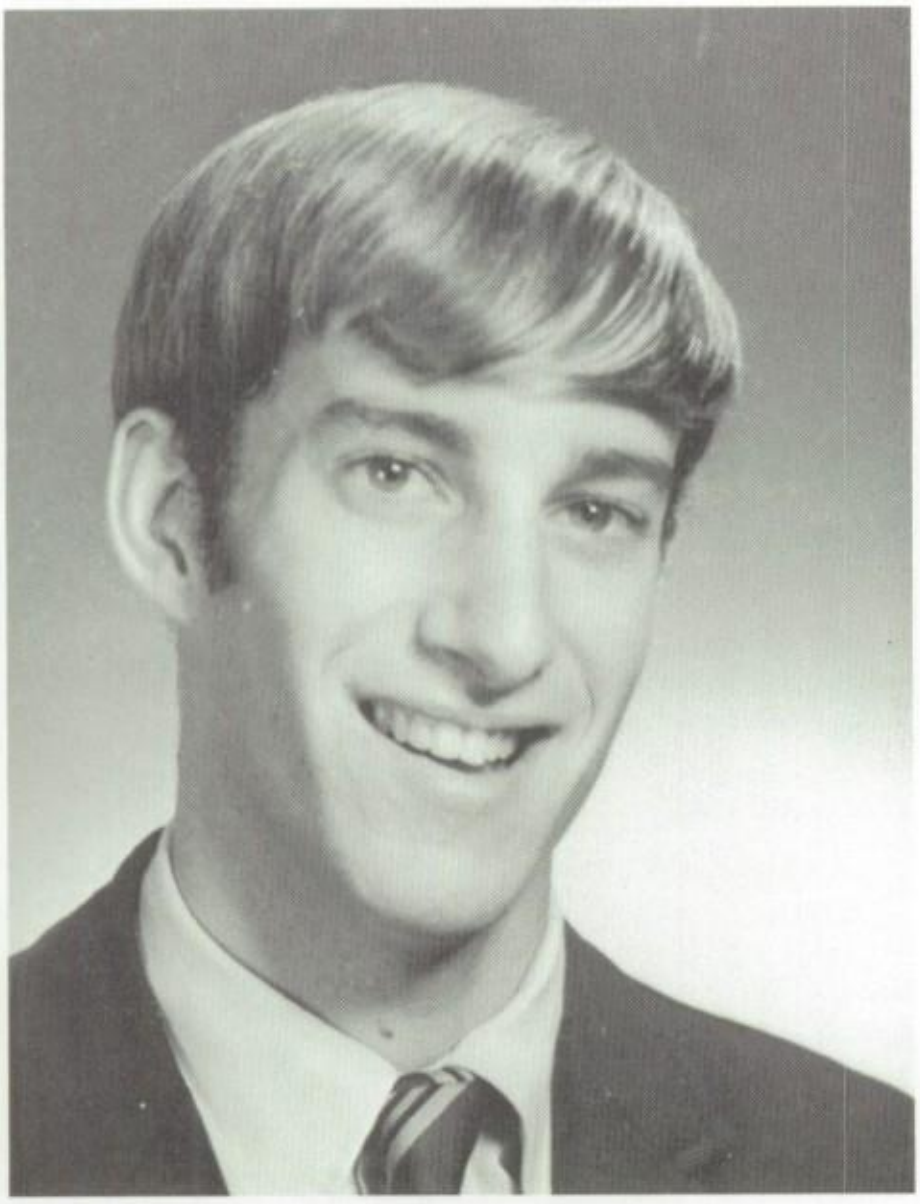
Dave has been a four year man at Milford. He can usually be found talking with Friz or laughing at his friends' exploits. Dave is probably the most congential man on campus. With Dave's personality only good future is in sight.





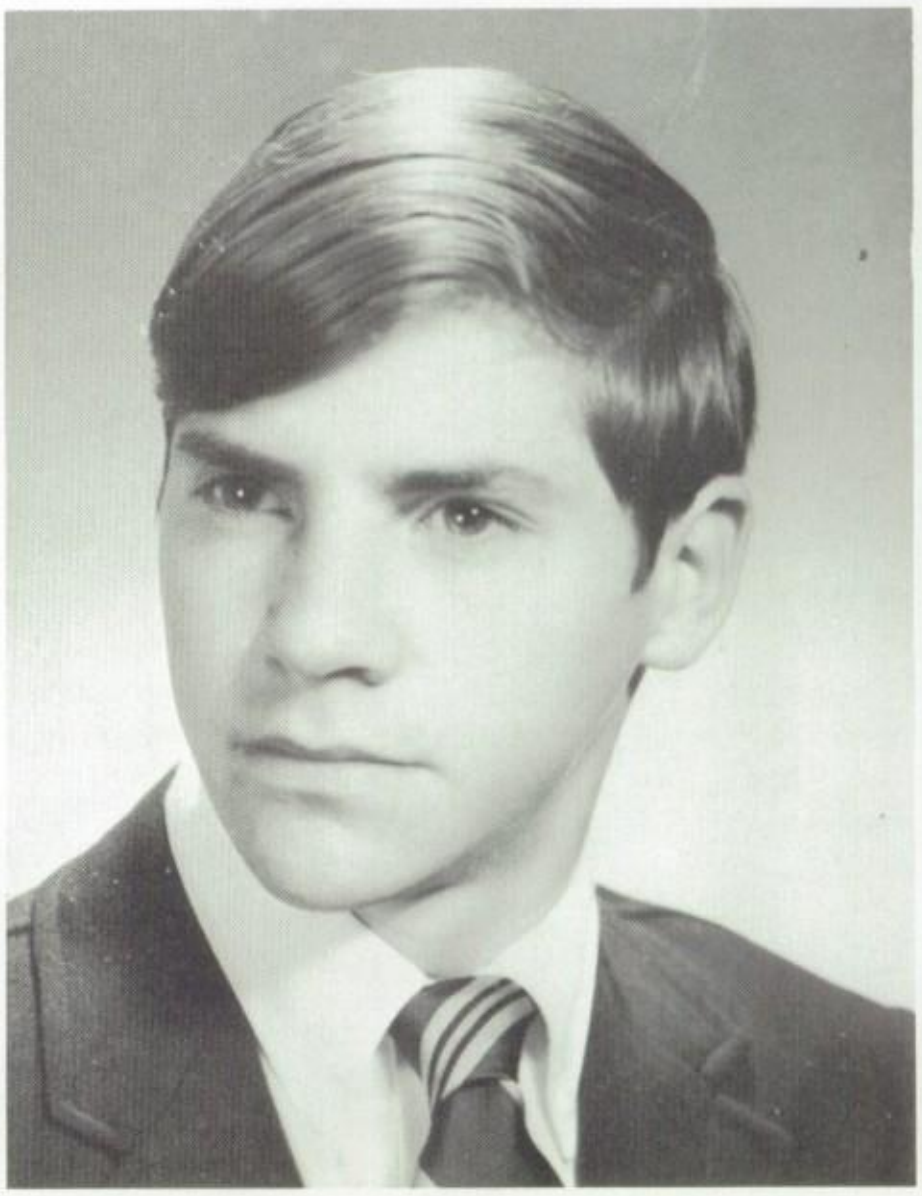
VERNON KNAPP

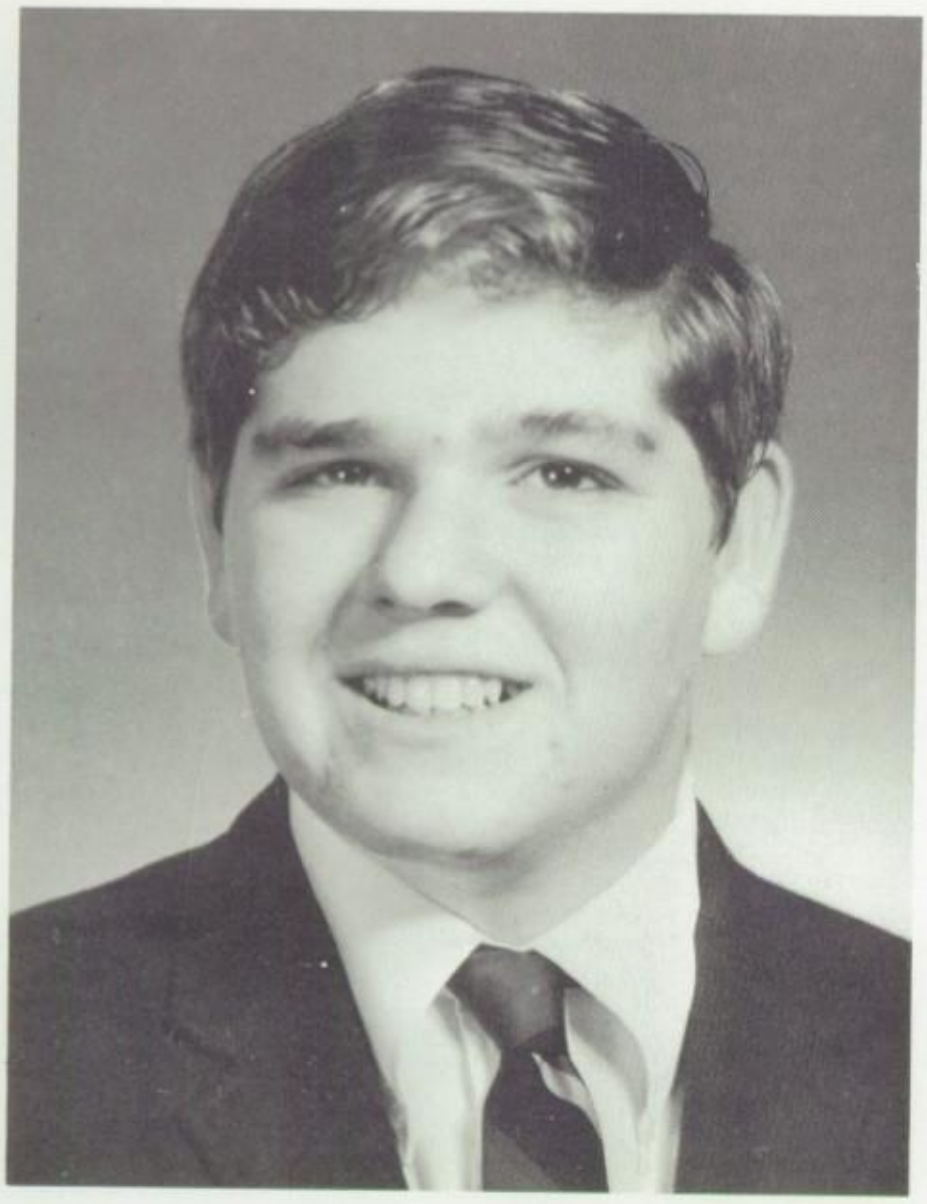
Tennis 3,4; Prefect 4.

Vern is one of the few seniors who can truthfully say, I came from the toughest neighborhoods on the face of the earth, Naugatuck. A friendly and affable disposition has made him many lasting friendships. A consistently good student, Vern has also won the respect of the faculty. The entire senior class, school and faculty wish him the best of luck.

DALE KUBEK

Since he came here, one year ago, Dale has been a very active member of the senior class. He studies hard, quite often he can be seen seeking advice from the faculty for a certain problem. Outside of school Dale is a handyman. Did you ever notice the new fences in front of several dorms? Believe it or not, Dale installed them. We wish him success in the future.





STEPHEN LAFFER

Steve came to Milford in his junior year and was an honor student during his two years at the Academy. One of the friendliest boys on campus, you could see him working hard on the school sailboats during the fall, and falling out of them during the spring competition. Steve was an active member of the Interact Club and was secretary of the club in his senior year. Also, he worked hard on the yearbook staff, the school newspaper, and in the photography club. At home in Syracuse, New York, he enjoys skiing, sailing, fishing and archery. He plans to attend Michigan State University and we wish him the best of luck at college and in the future.

DANIEL LEE

Basketball 1,2,3,4, Co-Captain 4.

Danny is one of the most personable students at the Academy. He has been a mainstay on the Varsity basketball team for four years. SENIORS

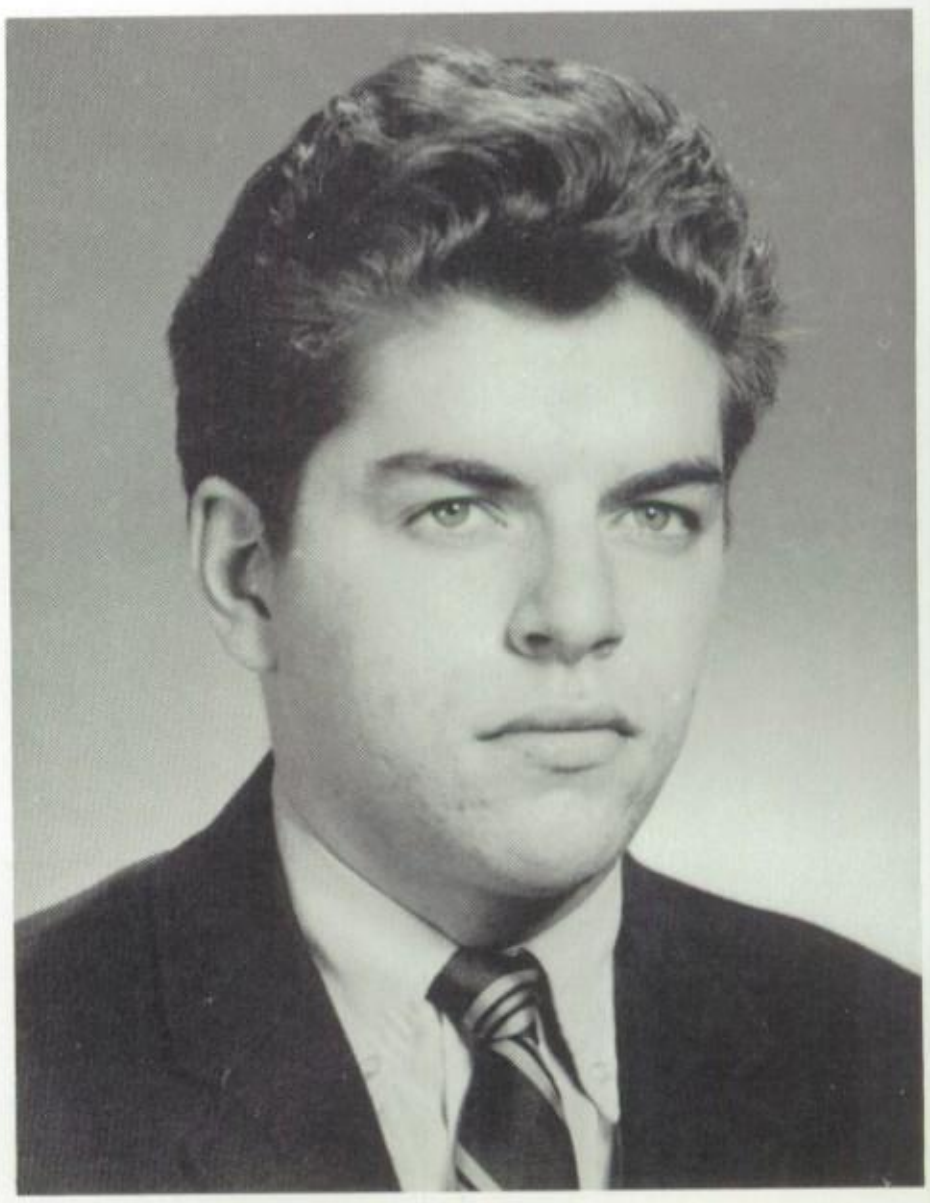
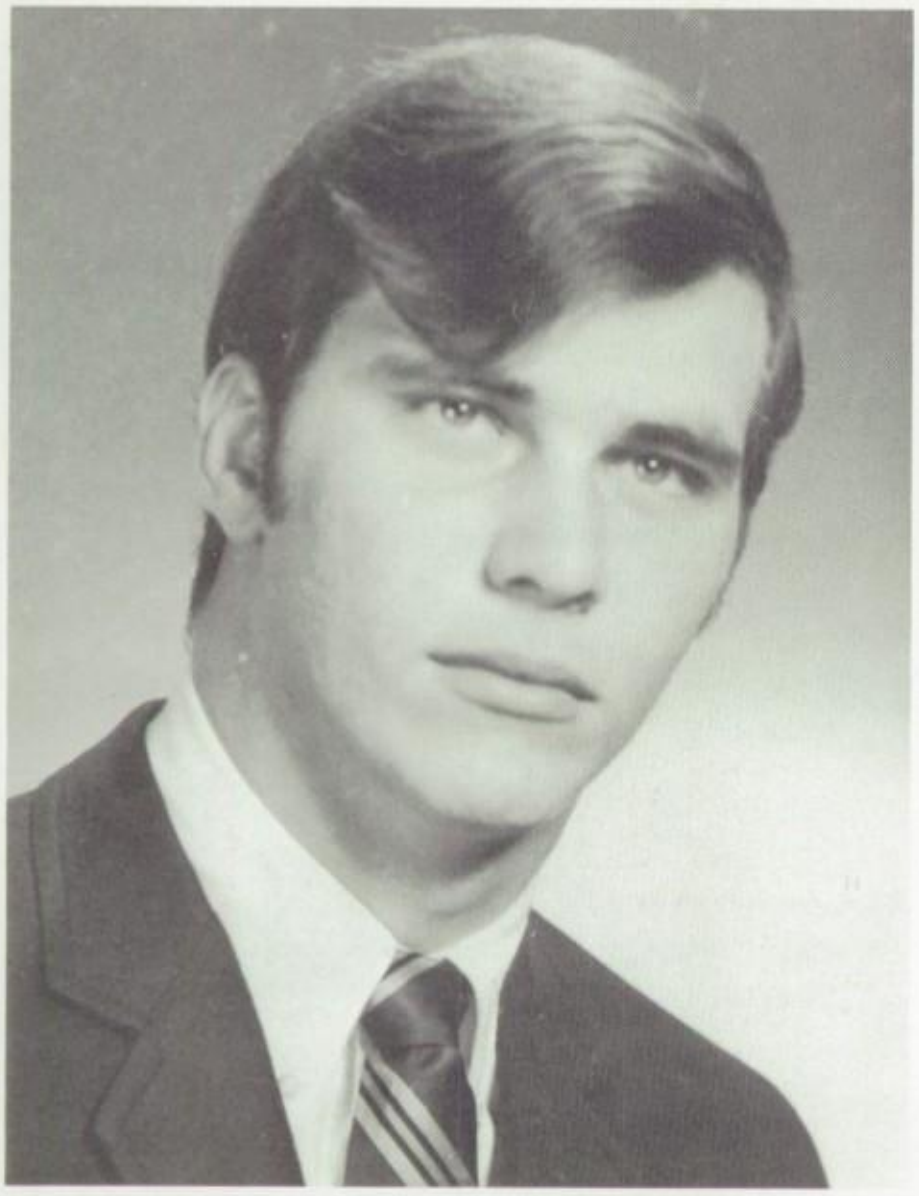
MELCHIORE LOMBARDO

Mel, a new student at Milford, has found a lot of laughter in the everyday events of school life. A perfect example of a day student, Mel casually strolls into school every morning, sleeps through the day, and then retires to the comforts of home. In the realm of athletics, Mel is a wide competitor.





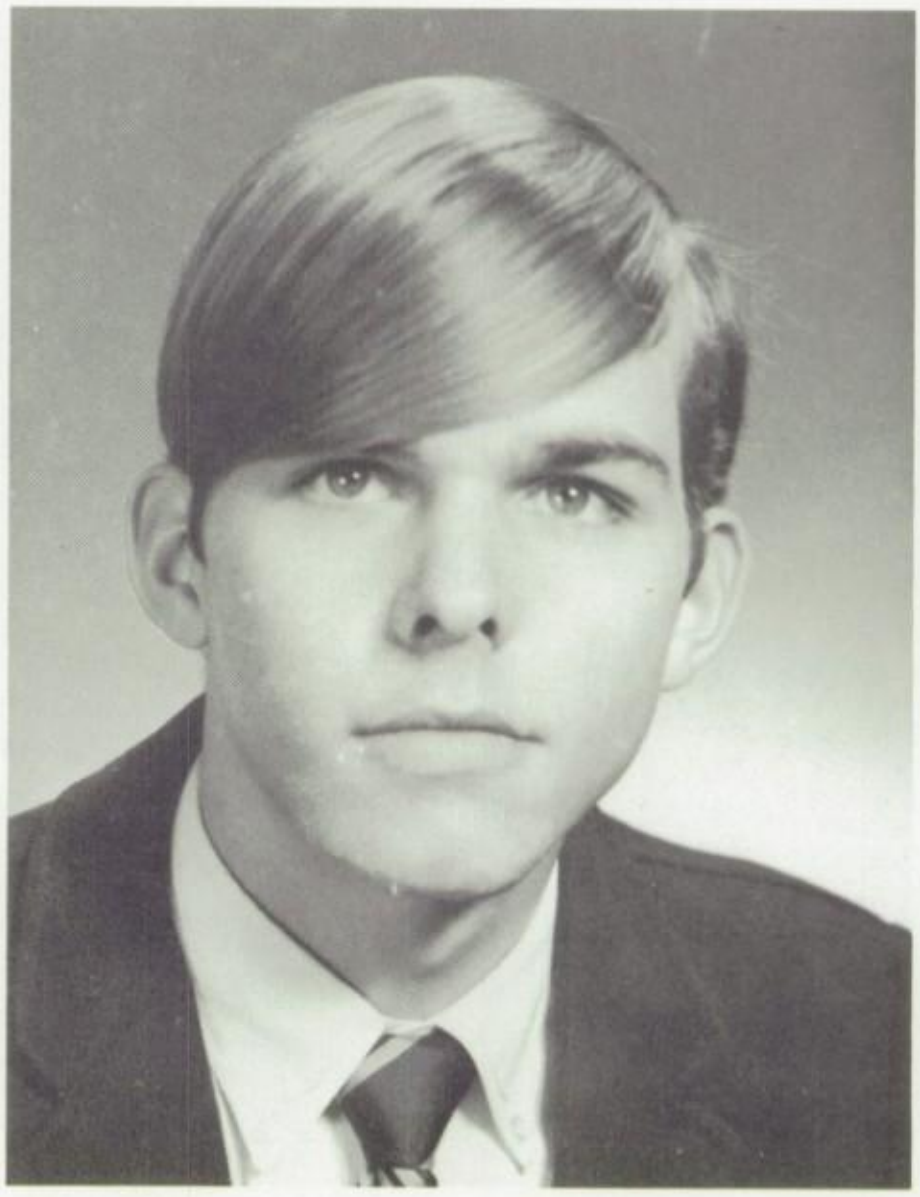
DENNIS MACURA

Dennis, being one of the original members of the class of "69" at the Academy, is one of our all-round students. As he excels in basketball and track, his name mysteriously slips onto the honor roll every so often. Besides being active around the campus, his outside activities also prevail. It seems that all he has to do is to snap his fingers, and his slaves, er, I mean, girlfriends come running. Him conceited? NEVER!! In all seriousness, Dennis is one of the more conscientious students. His good high school record should do him well at Seton Hall.

CHRISTOPHER MAHER

Spanish Club 2,3; Biology Club 2,3.

Chris came to Milford in his sophomore year and has since established himself one of the class. He has proven himself one of our more capable Spanish and Biology students. We wish him the best of luck at Norwalk Community College.



MICHAEL MAKOSKY

Football 4.

Mike was a post graduate student from Branford High where he was the most valuable lineman in 1966 and 1967. He was a member of the all-Housatonic League team in 1967 and second team all-state team. He was a hard-driving, punishing guard who was not afraid to put his head down and hit, as several Falcon opponents learned this past year. Athletically and scholastically Mike was a great success. He plans to enter The United States Coast Guard Academy in the fall.

SENIORS

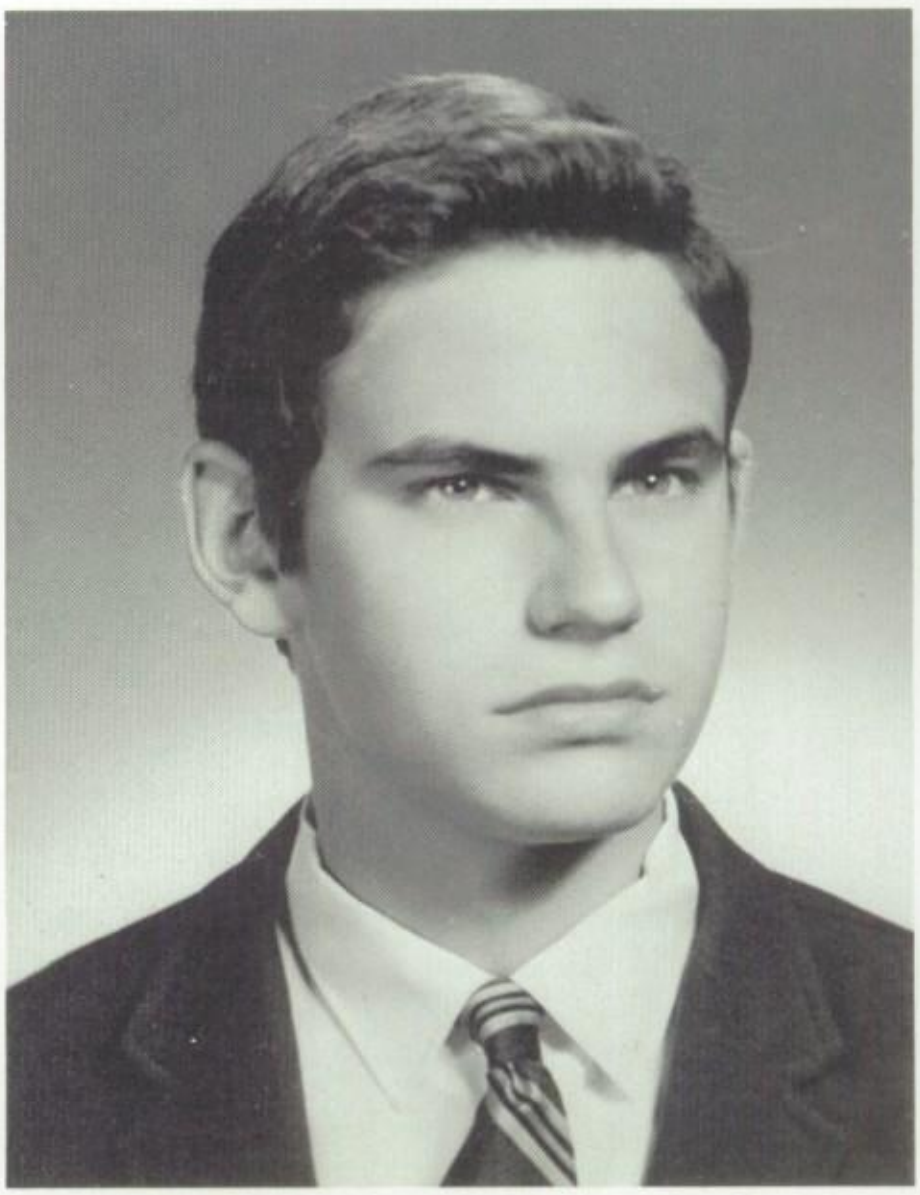
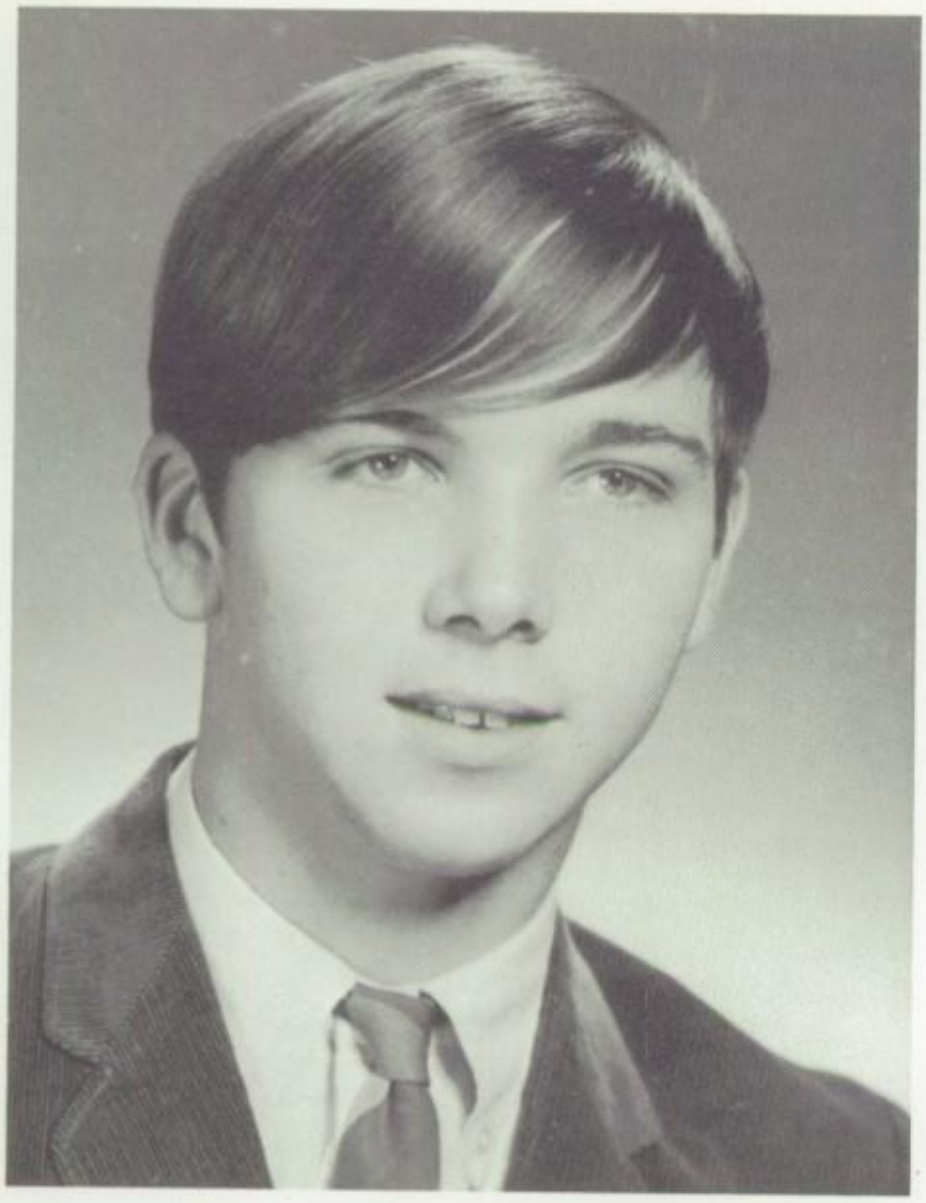
He has won numerous varsity letters since he entered prep in his freshman year. He has been an outstanding student, in fact, he has made honors every marking period since he has been here. His ability to get along with his classmates and to hold his own in the classroom has made him a prominent member of the class. He plans to enter the University of Michigan in the fall.





EMIL MARK

Emil is a two year man at Milford. His fine academic record and superior board scores have accounted for his being accepted to a top notch college. We hope Emil will find success and happiness.

Lehigh University is getting no ordinary student when Nick enters next fall. His career at Lehigh and later at graduate school should definitely be as prosperous as that at Milford Academy. Nick came to us from Milford, Ct., and quickly established himself in numerous school functions. Yet there is much beyond this. The same high intelligence that put him on the honor roll in all four years at Milford won him a letter of commendation in the National Merit Scholarships. His athletic skill should not go unheeded. Nick played three major sports: football in the fall, basketball in the winter and baseball in the spring. He always gave it all he had, and greatly benefited any team he played on—both with his playing and his constant cheerfulness. Nick has certainly contributed much to the Academy and he has received much too—the friendship and respect of all his classmates.

Looking towards the future Martin will enroll at Southern Connecticut State, with time out for two years vacation in sunny Saigon or life in Leavenworth.

Football 3,4; Drama Club 4; Chess Club 4; Basketball 2; Track 3,4.

Carmen came to the Academy in his junior year from Shelton High School. He was a returning Falcon who was the football team's leading punt and kick-off returner. Carmen is small but very shifty and not the least bit awed by others much bigger than himself. He was also a superb defensive back who was very aggressive and a sure tackler. Athletics is not Carmen's only achievement, he participates in many school extra-curricular activities. Best of luck in the future Carmen.

JOHN RICCIO

Baseball 4; Basketball 4.

John, a one year man, came to us from West Haven High School. John was a welcome addition to the basketball squad. He was an excellent defensive player with considerable ball handling skill and a real hustler who was working hard to improve his shooting eye. John was also an outstanding infielder on the baseball team. Last year he won the Savitt Award for sportsmanship on the District League championship West Haven High Squad. To a fine athlete we can only wish the best.

He has participated in football, basketball, baseball and this year joined the newly formed Interact Club. Bob is undecided about his future but plans to enter Union College or Western Kentucky University.

SENIORS

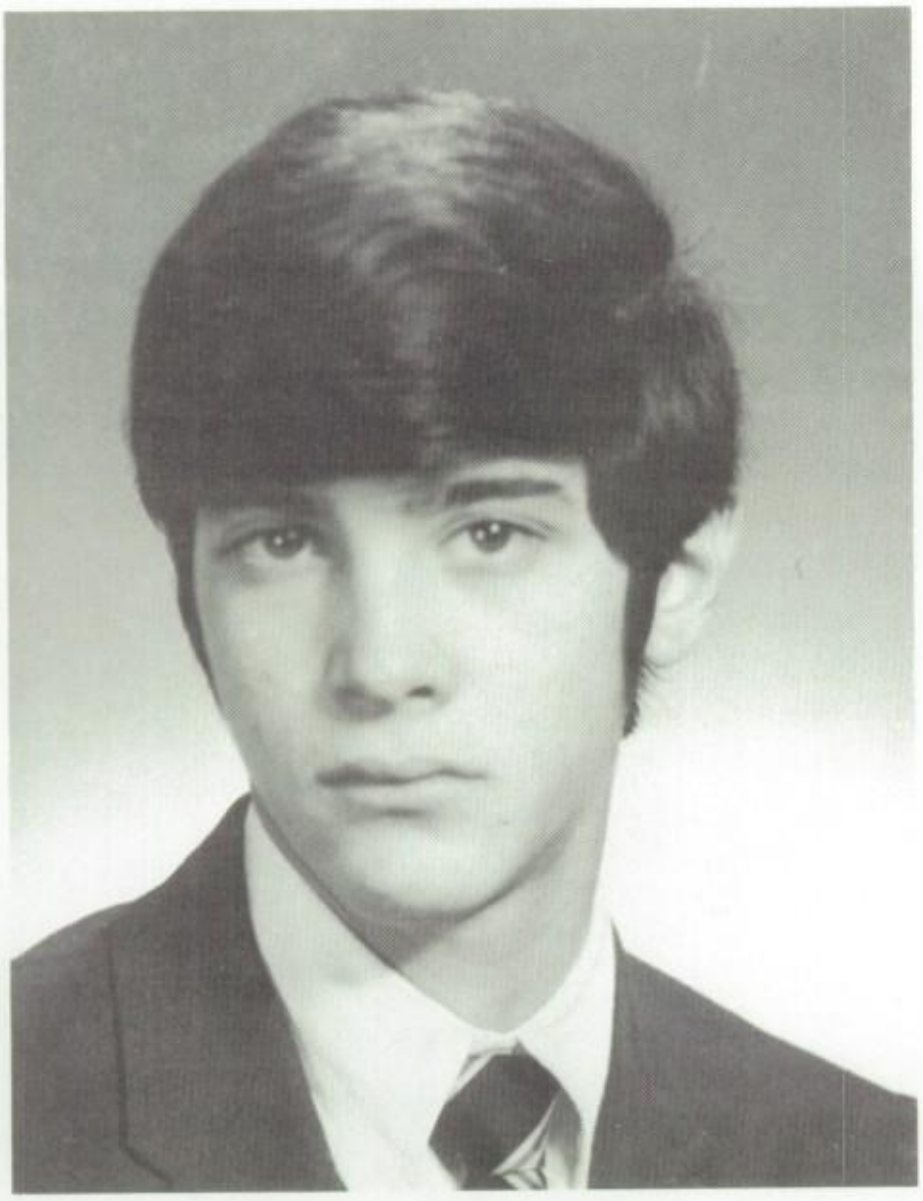
Gary entered Milford Academy after graduating from Amity High School. While at Amity he distinguished himself in football and baseball. Gary is a strong runner and blocker with considerable experience. He is an all around athlete who is one of a select few named to the Amity Hall of Fame. He was a natural leader and a solid back who was continually counted on to grind out needed yardage. *The Typhoon* wishes Gary good luck at Central Methodist College.

JEFFREY ROSNER

Yearbook 1,2; Spanish Club 1,2; Golf 1,2,3,4, Captain 3,4.

A rich kid from New Haven, Ros was a four year student. His congeniality and sense of humor won him many friends. Ros was captain of the golf team for two years and was seen from all sections of the golf course because of a red glow emitting from his head. His wit often brought laughter to the tiring day at school. Jeff plans to attend A.I.C. where we wish him the best of luck.



DANIEL ROTHBLAT

Wrestling 3, Captain 4.

Danny, a boarding student, hails from New York. He has wrestled for the Academy and was appointed captain of this year's wrestling team. Danny is also an all round member of this year's controversial class. Danny is usually found in his room studying or wrestling in the gym.

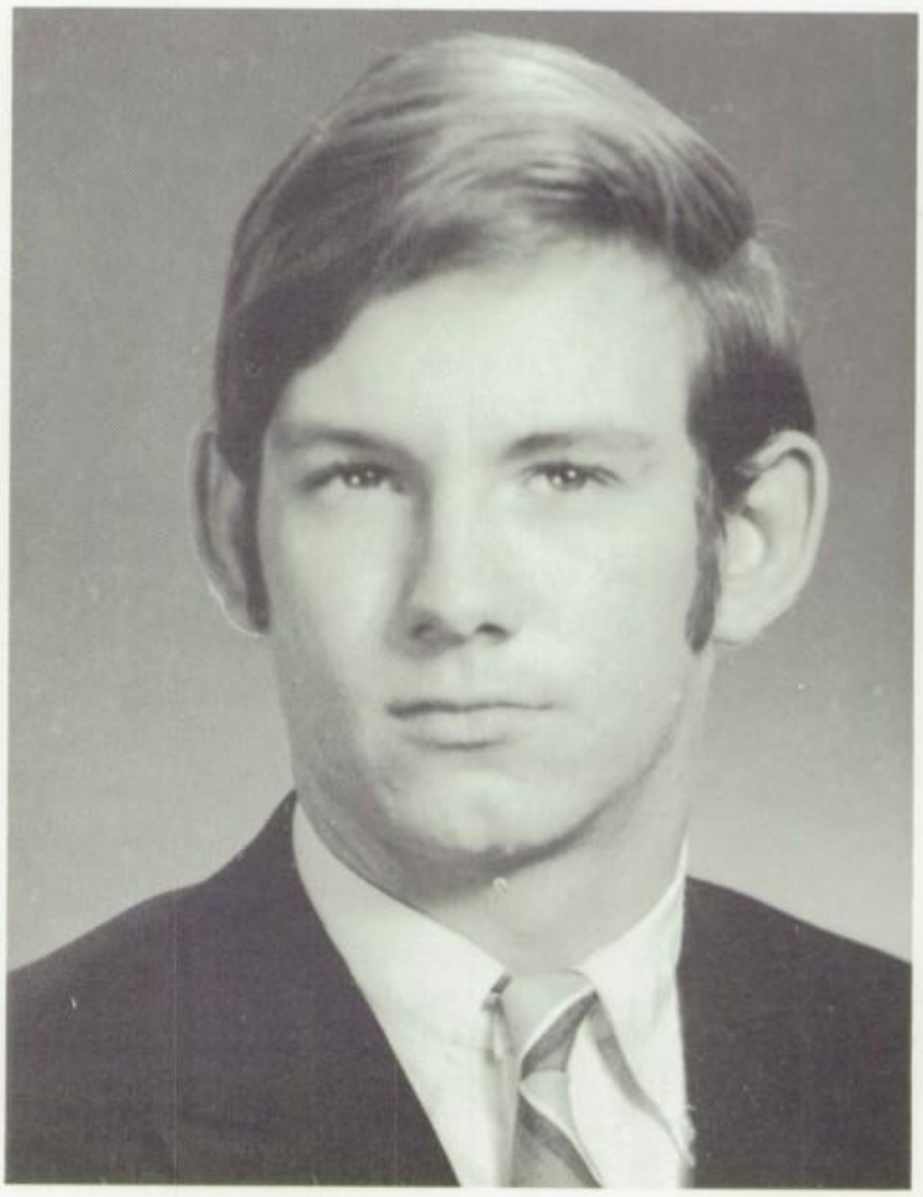
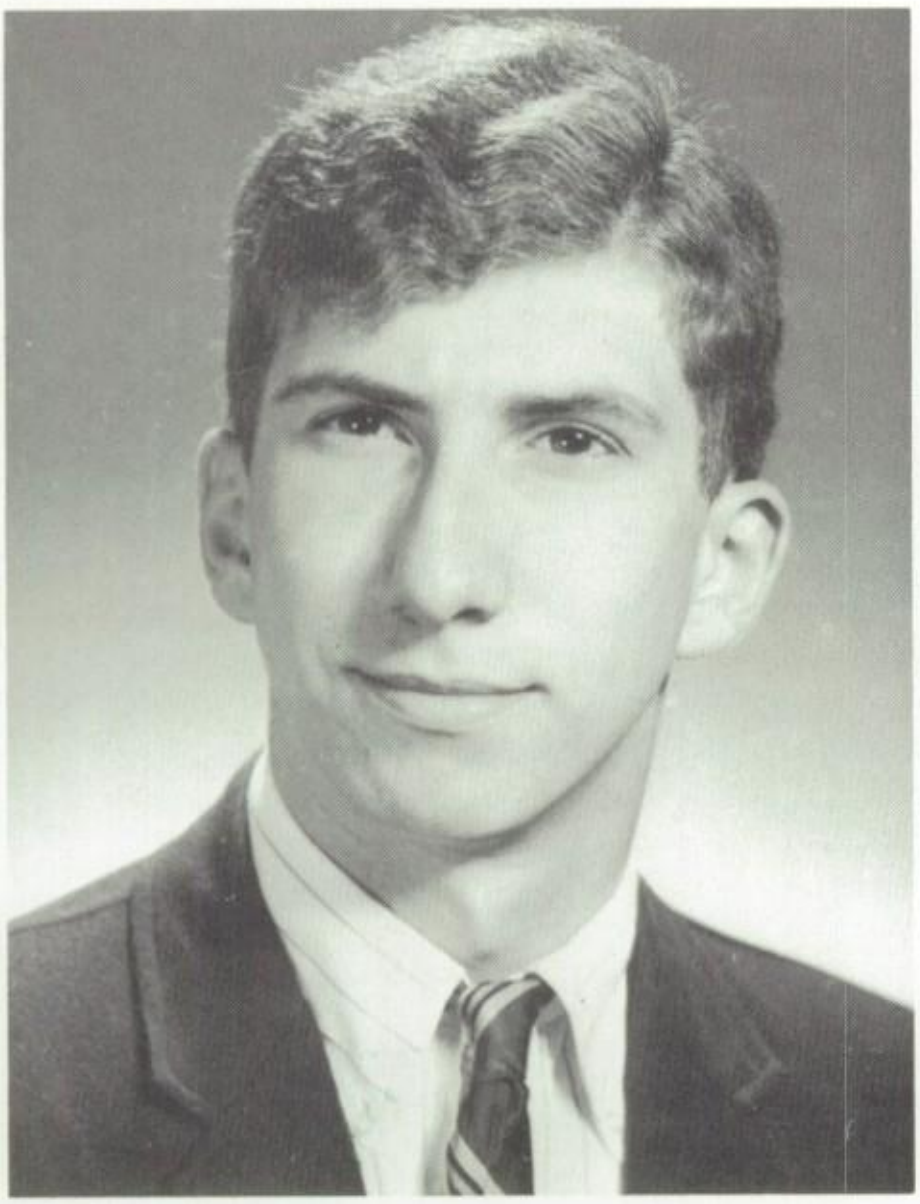
Eric, a two year man, is another one who hails from New London and will defy anyone to find anything wrong with it. The senior class wishes him all the luck at Bentley College.

EDWARD SARNACKI

Football 3.

Ed, hailing from Milford, came to the Academy in his freshman year, bringing with him a sense of humor and wit which no one can match. Certainly there's never a dull moment when Ed's around, either he's telling you about his girlfriend, or just bragging about his car that can take any Vet. We will miss Ed next year, his spirited personality and clever humor.





CHARLES SCHAEFFER

A fine student and a hard worker. He's destined for a great future. Charlie came to the Academy as a post graduate from North Branford High School and is doing a fine job. Best of luck at Wagner College.

CHRISTOPHER SCREVANE

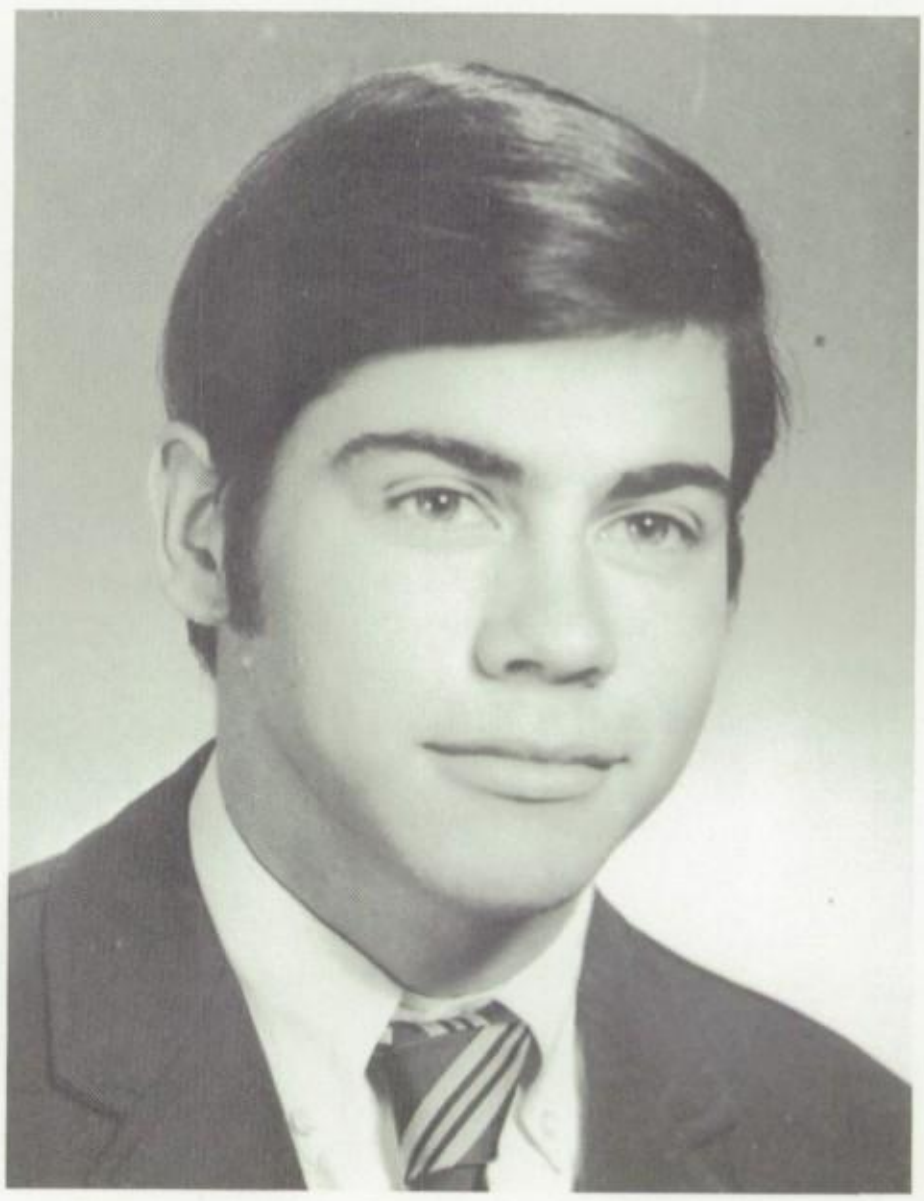
Chris Screvane is, without a doubt, one of the more outstanding members of this class. He is always the first person to state his opinion and his words are almost always heeded. When not busy discussing politics or government, he is plugging away at his marks which have always been honors. You name the sport and Chris plays it and plays it well. He is an outstanding member of both the football and wrestling teams. We, of *The Typhoon,* wish Chris the best of luck at either Georgetown or Syracuse University. We hope all of Chris' many attributes will be used in the future, and we are sure that Chris will be a success no matter what he does.

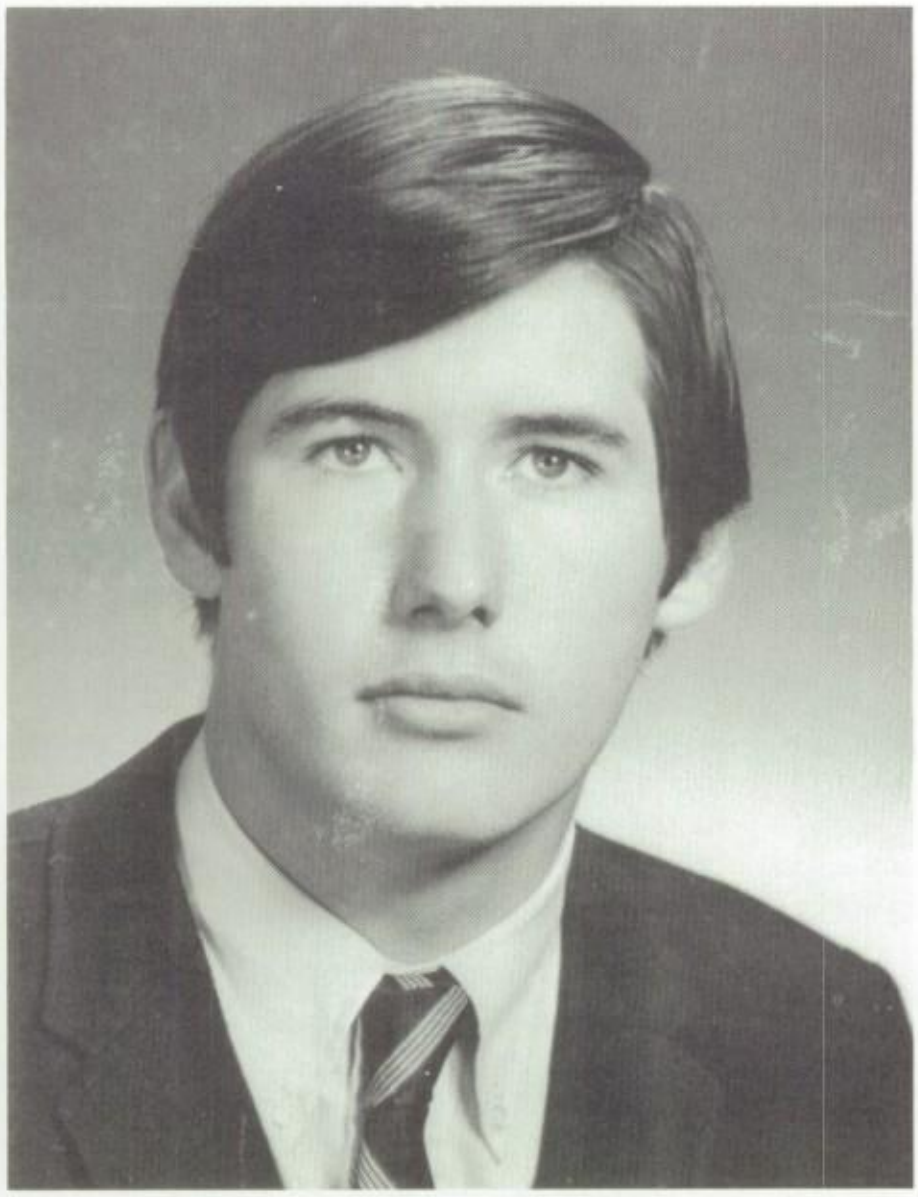
CLASS OF 1969

JORDAN SHAPIRO

Soccer 3,4; Track 4.

Jordan proved to be a great asset to Milford Academy this year, for not only did he prove to be valuable on the soccer field, but was also a fine representative at the school's social functions. Jordan will leave behind him a well respected reputation and his cheerful smile.





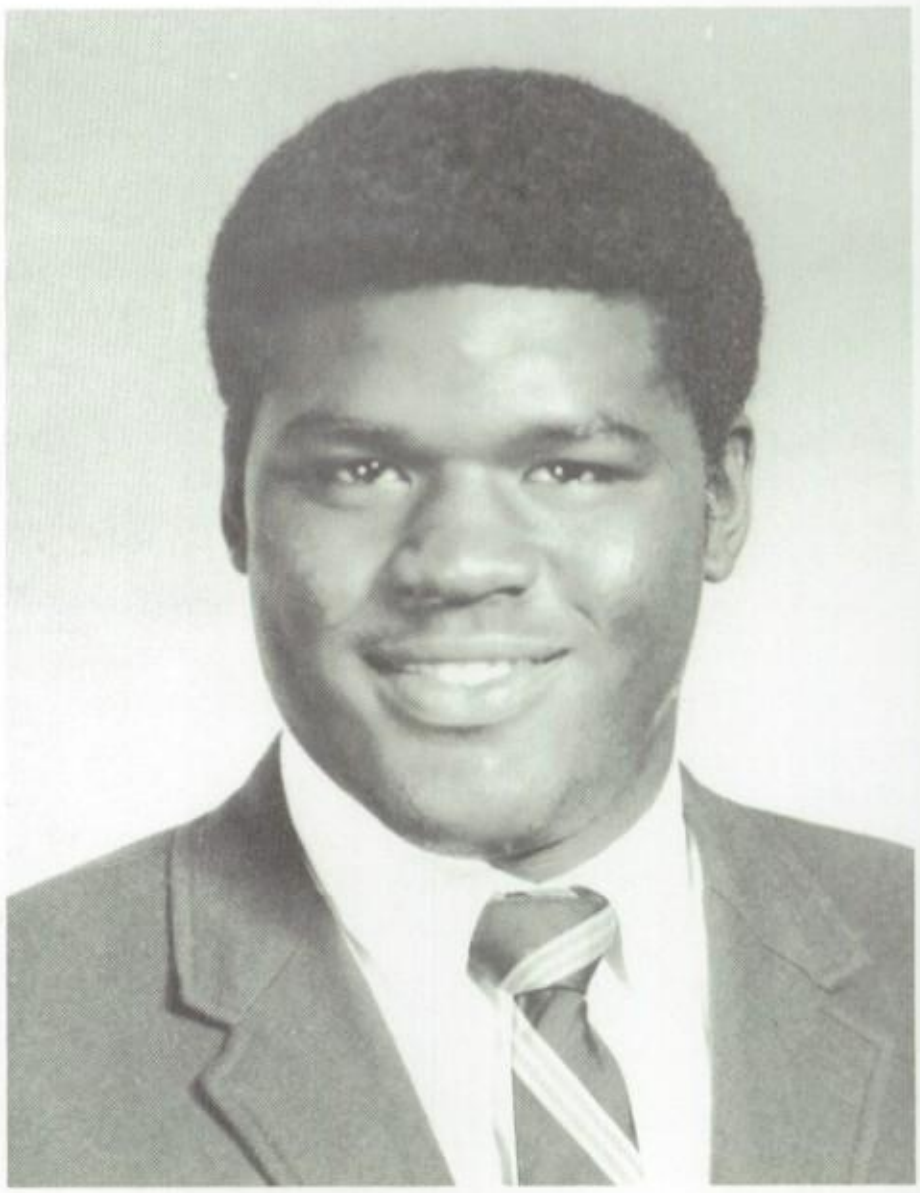
JONATHAN SHAW

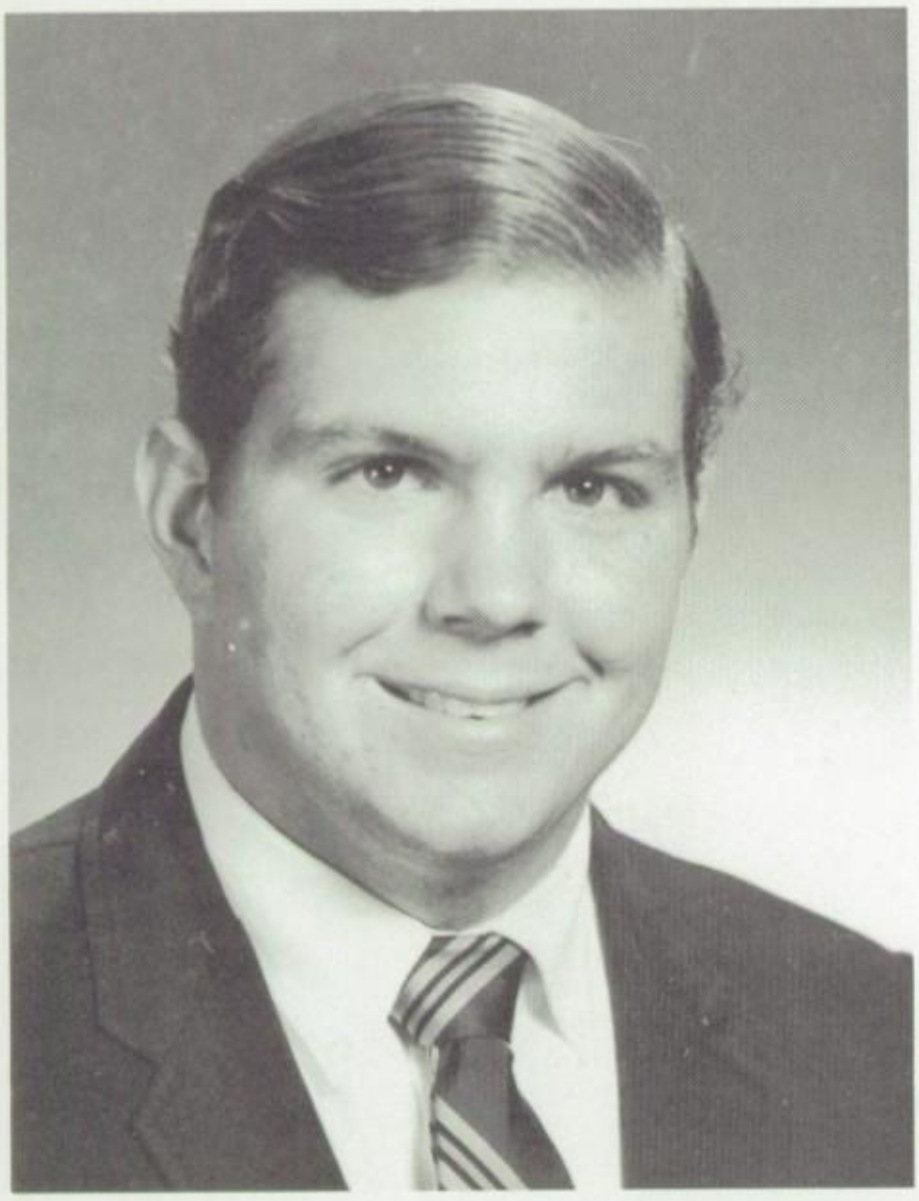
Jon wasn't quite sure how he liked Milford after his freshman year. So . . . in his sophomore year he attended Military Academy in sunny Florida. The nice atmosphere and great bunch of guys here must have convinced him that Milford is best, because Jon completed his remaining school days at Milford. Being an avid skier, Jon may be found at Powder Hill almost any Wednesday and Sunday of the winter with Stein I, II, and III (Erikson). Next year, Jon has his hopes set on Miami Dade Jr. College, and says that he was already accepted (hmmm?) Well anyway, we hope he enjoys college as much as he did Milford Academy.

LAWRENCE SHERMAN

Football 3,4; Sailing 3,4.

Larry is the all-round guy on campus and says he doesn't need to show off his abilities as long as he knows he's better. Besides being well-versed in sports like sailing and football, Larry performs quite well in his school work, having made the honor roll several times. We are sure that Larry will succeed in the future.





EDWARD SHUMWAY

He was a member of Milford's 7-1 football team, giving it needed spirit. Ed also played baseball in the spring. Aside from sports, Ed is an outstanding student and has maintained honors throughout his stay. To Ed, all the luck in the world and the best of everything, always.

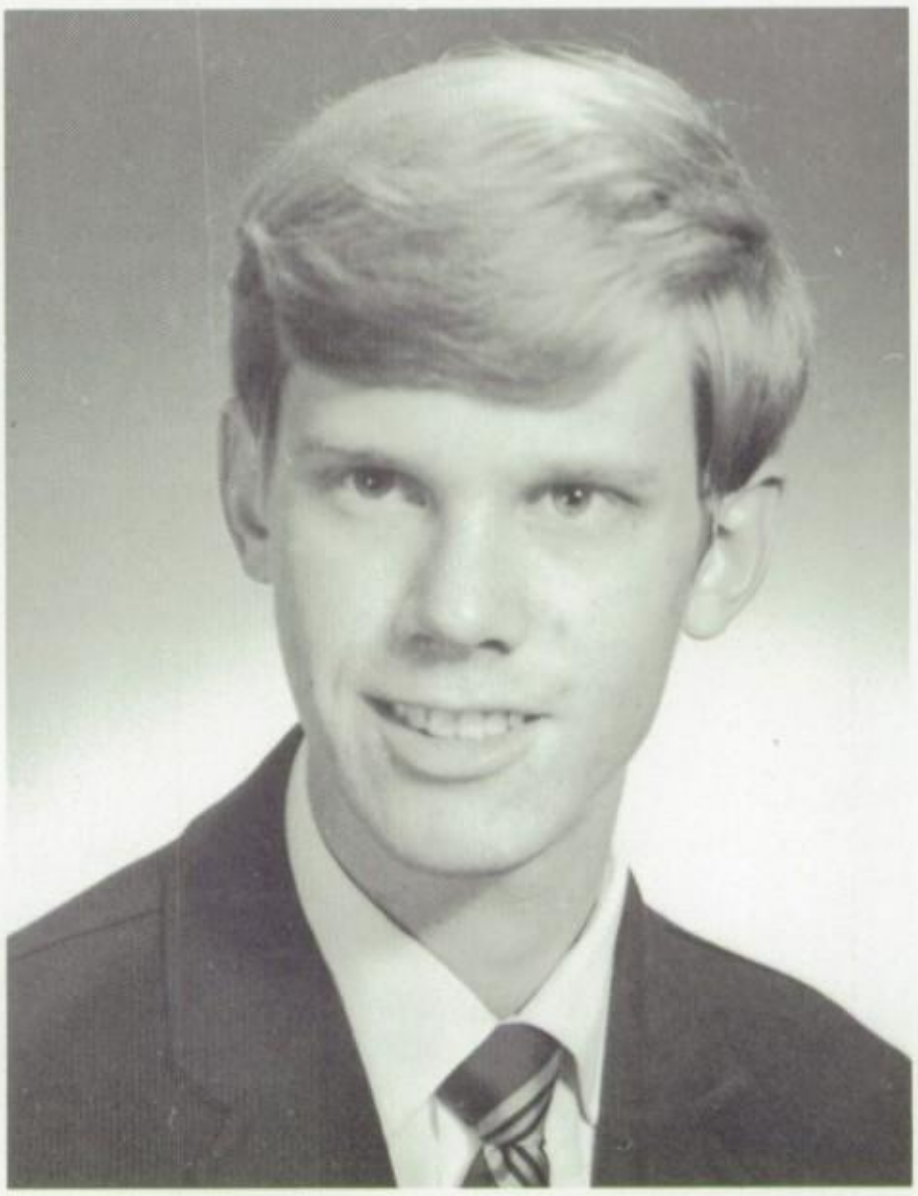
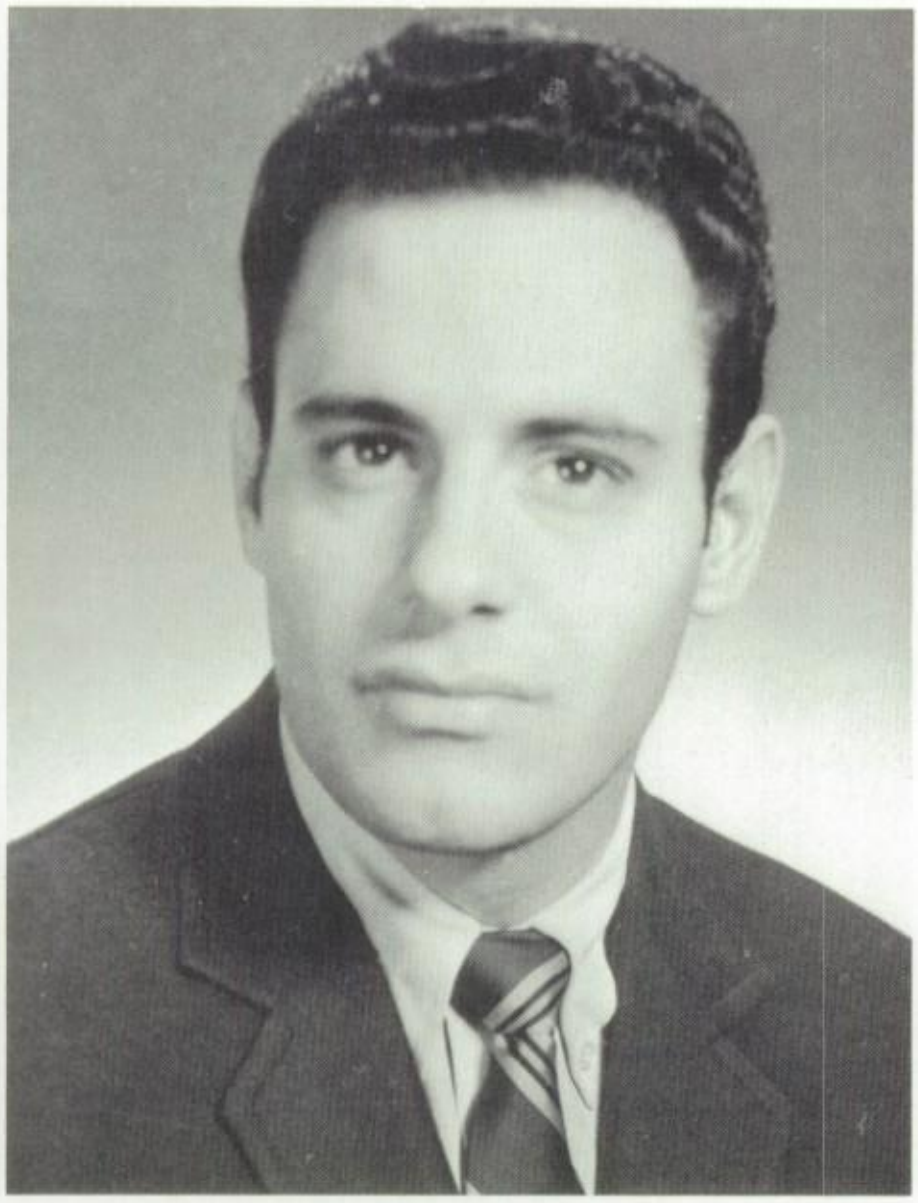
No one has given more of himself to the Academy than Wayne Smith. If one were to summarize Wayne's four years at the Academy, such words as determination, unselfish devotion, and hard work would frequently appear in his history. Wayne came to the Academy as a freshman from Milford. He started off slow and at first unnoticed. However, by first semester of the same year his name could be seen on the High Honor Roll. Wayne's contributions were not limited to studies. He also played tennis, Cross Country. Wayne's quiet and unassuming manner gained him respect among his classmates and upon return for his next year he was appointed to the Student Council. Wayne continued his excellence in his studies even under the extra burden of his many responsibilities. *The Typhoon* wishes Wayne the very best of luck at Haverford College.

CLASS OF 1969





ROBERT SORRENTINO

Robert, nicknamed "Bob," has been at the Academy for two years. Well-dressed, well mannered, well liked; that's Bob. Bob is the type of friend that a person would really like to have. He is not only liked by the senior class but the entire school as well. Bob is an outstanding baseball player and is currently pitching for the Baltimore Orioles Class AAA farm club. He has had several other offers from teams but has decided to settle with Baltimore and we are sure that he will make it. Bob is a wonderful person to know and anyone who has met him can truthfully say that it has been a privilege. We are certain that Bob will make a good mark when he goes to college and we wish him luck throughout his life.

PAUL SPIVACK

"Garf," the name Jaquith so humorously endowed him with because of the remarkable resemblance to Art Garfunkle of the Folk world, has become a very prolific student since he joined us last year (get out the old dictionary Garf!!). Paul is truly one of the most easy going and easiest to get along with guys on campus. He wouldn't think of arguing with anyone for the fear of straightening his hair. We hope Paul has much luck and happiness at New Haven College next fall.

SAMUEL STAHL

Basketball 4.

Sam came to Milford in his senior year and displayed two abilities in particular. He was good with the books in class and he was good with the basketball. He had a good year in both areas.

CLASS OF 1969

IVAN STEIGMAN

Rock Group 3; Tennis 3; Baseball 3.

Van came to Milford from his home town high school in New York. He helped liven up school mixers by his organ playing with local bands. Of course it was a little hard for the other students to study while Van practiced in his room, but most of them enjoyed his music. When he isn't at the books himself, Van could be found playing cards (losing constantly) or leaving school on weekend passes. Van plans to attend the Berkely School of Music to further his career in this field which he loves. *The Typhoon* wishes him the best of luck.

STEVEN STEIN

Steve was a newcomer to the Academy. No one really got to know him very well. He usually seemed to keep everything to himself. As a prefect in Morris Hall, he ran the Zoo on the third floor. Always willing to help out, he was around when needed. Too bad he couldn't have been here longer. Steve will attend Lehigh University this fall where we wish him the best of luck.

He became a member of the Rocket Club and Social Club. Athletics interested Art a great deal, so he went out for soccer. College soccer will come easy for Art because he is a real scrapper. While a student at Atlantic City High School he was an all-league tackle and later while at Hillhouse High, Sam was an outstanding heavyweight wrestler and set the CIAC shot-put record two years ago. Sam hopes to matriculate at American International College where he will be a liberal arts student.

CLASS OF 1969

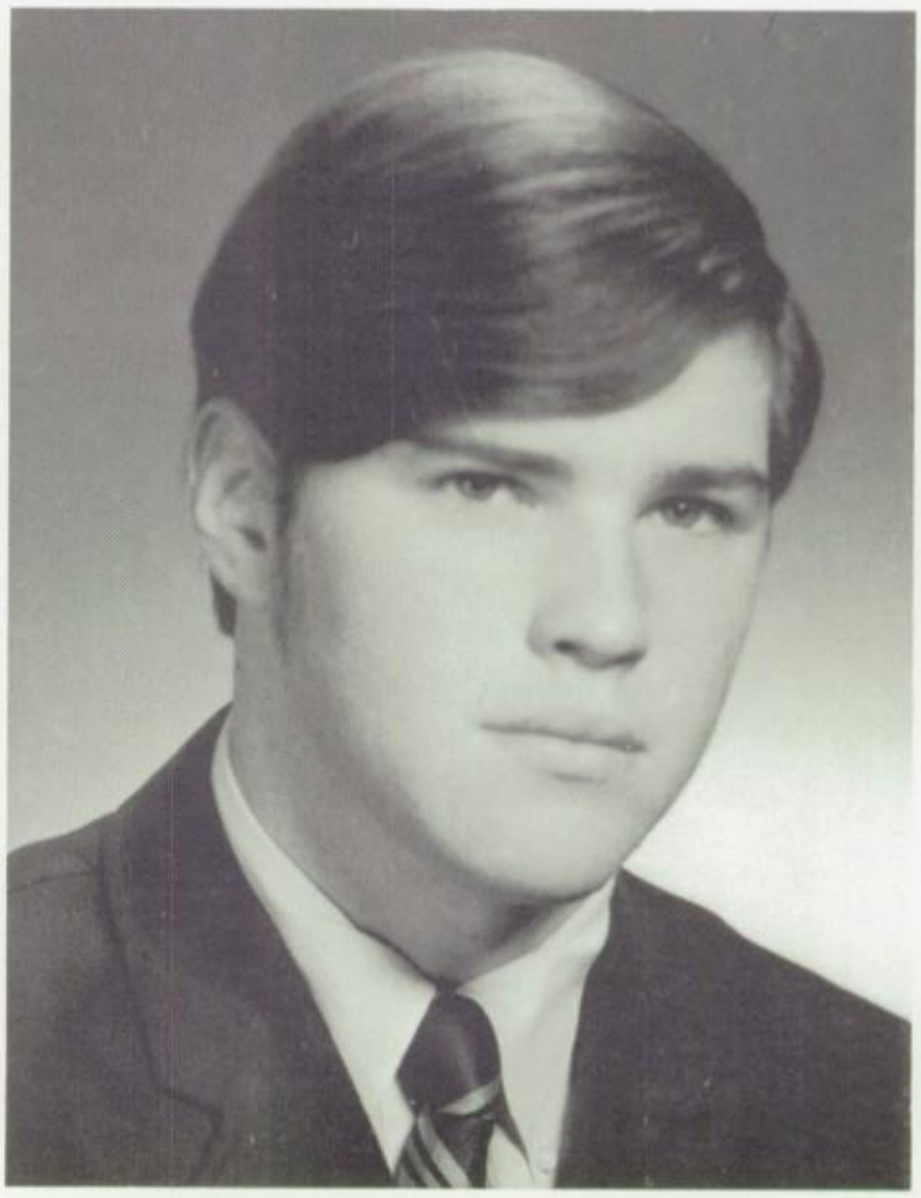
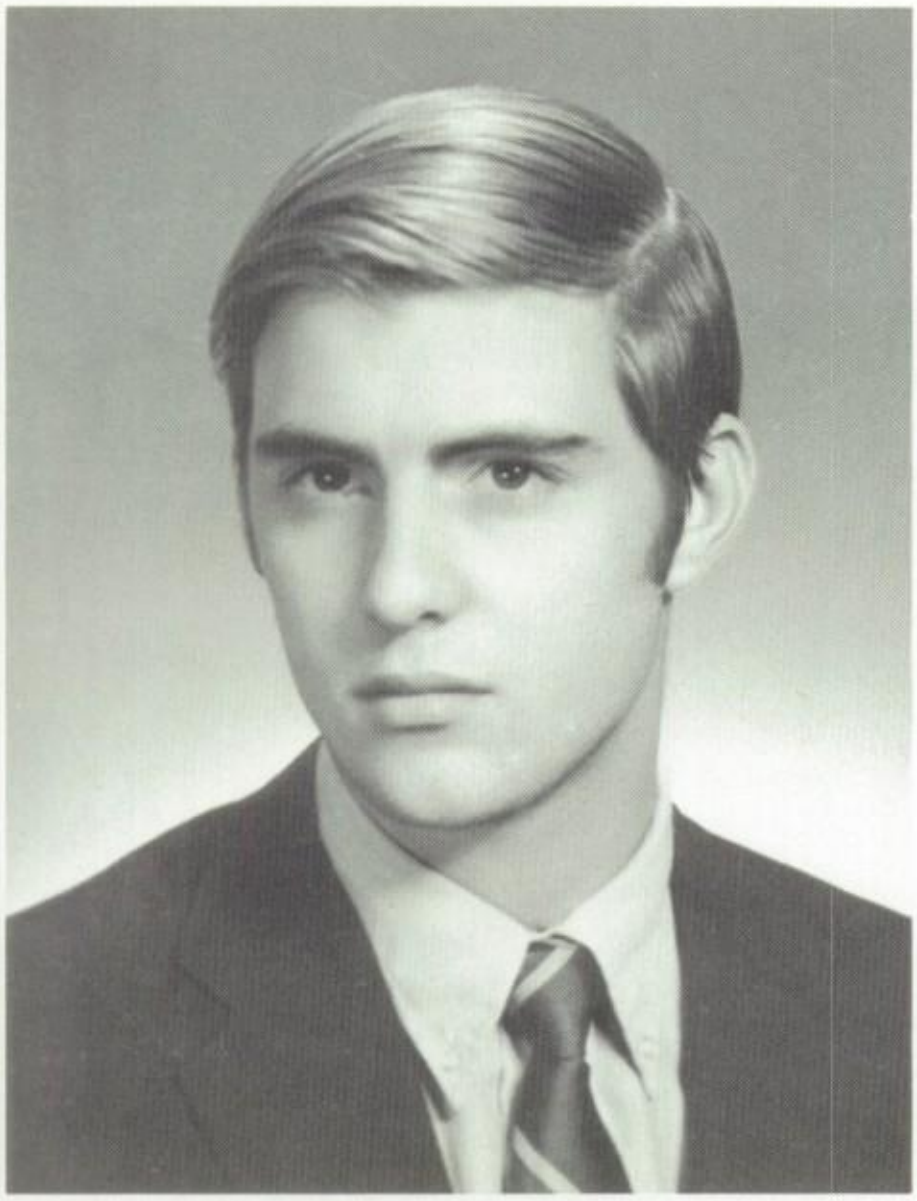
Paul came to Milford in his junior year. He was fast to realize that Newport is a long way from Milford in more ways than can be mentioned. We think that Paul was one of the star students at Milford. How can we do anything but wish a Morris Hall boy the best of luck in college and life.





WILLIAM VARSH

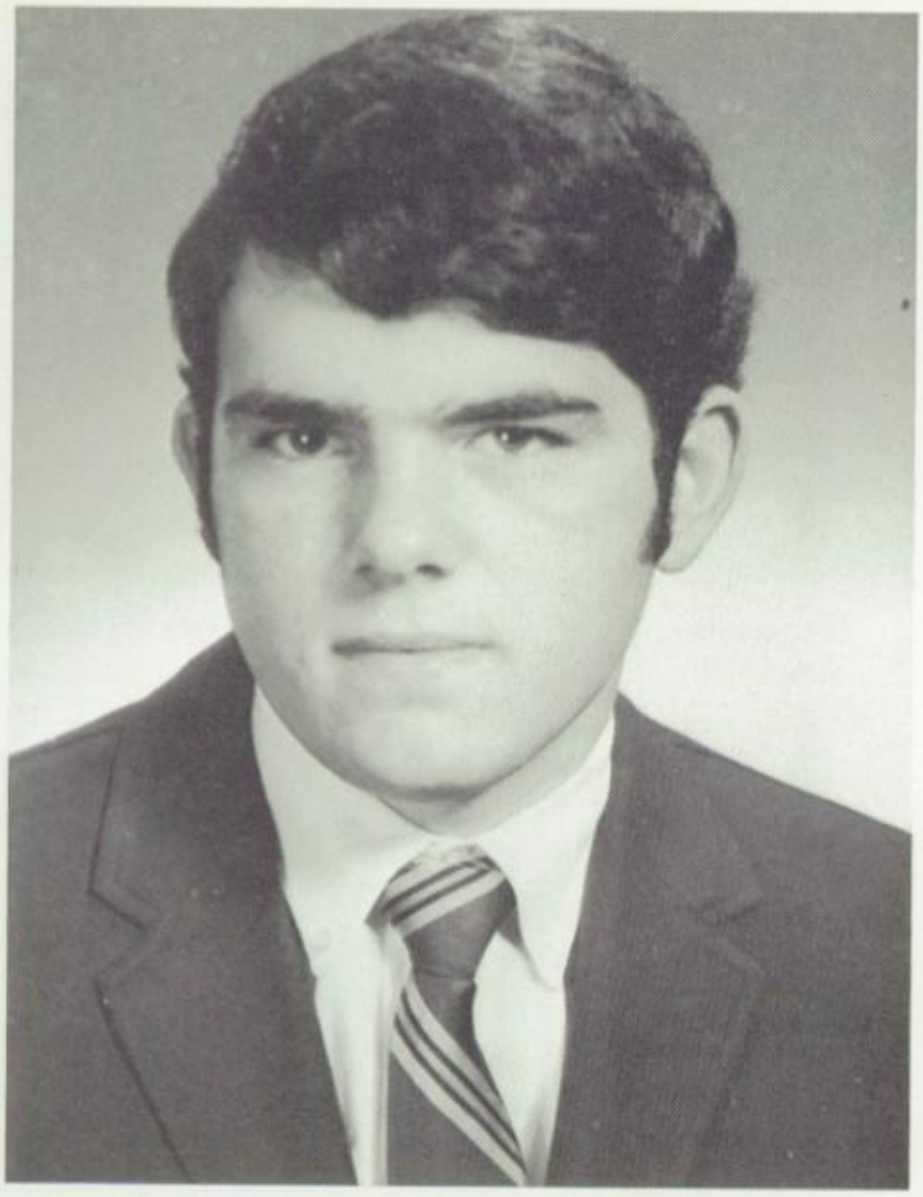
Swimming Team 2,3; Football 2,3; Spanish 2.

In the realm of athletics, Bill participated on the football and swimming teams and proved to be valuable to his teammates. He will enter New England College in the fall.

BURTON VITALE

Football 4; Track 4.

Burt, a one year man at the Academy, hails from North Haven. He is best known for his football ability. It is not an uncommon event to see him making numerous tackles during a football game. Burt is a strong running back with good moves and speed. His small size and good speed helped keep opposing defenses honest. During the spring Burt put his speed to good use as a sprinter on the track team. His first college choice is Jewell College where we are sure he will do fine.



WAYNE VOLPE

Tennis 4; Sailing 4; Wrestling 4.

Wayne has been a very active member of this year's class as his credentials will show. Wayne's hangout is the wrestling mats, that is where he can always be found. Next year Wayne will be going to the University of Texas. The senior class wishes Wayne the best of luck.

CLASS OF 1969

WILLIAM WALLACE

Bill has attended Milford Academy for three years and has enjoyed every day. During his last year at Milford, Bill showed his great determination by continuing, along with all his other responsibilities, to distinguish himself in Mr. Ross' History course. With prep school and his Mustang behind him, Bill will be leaving for greener pastures. We are sure that the grass will be greener at the University of Texas.

He was a member of the Interact Club, basketball team and yearbook staff and was a prefect in his dorm. Jim was an honor student throughout his two years of post graduate work here and was on scholarship. In his spare time he enjoys dancing, playing basketball and reading. After graduation from Boston University he wishes to go into the ghetto and bring boys out of the slums. Because of Jim's eagerness and persistence he will surely do well in whatever he attempts.

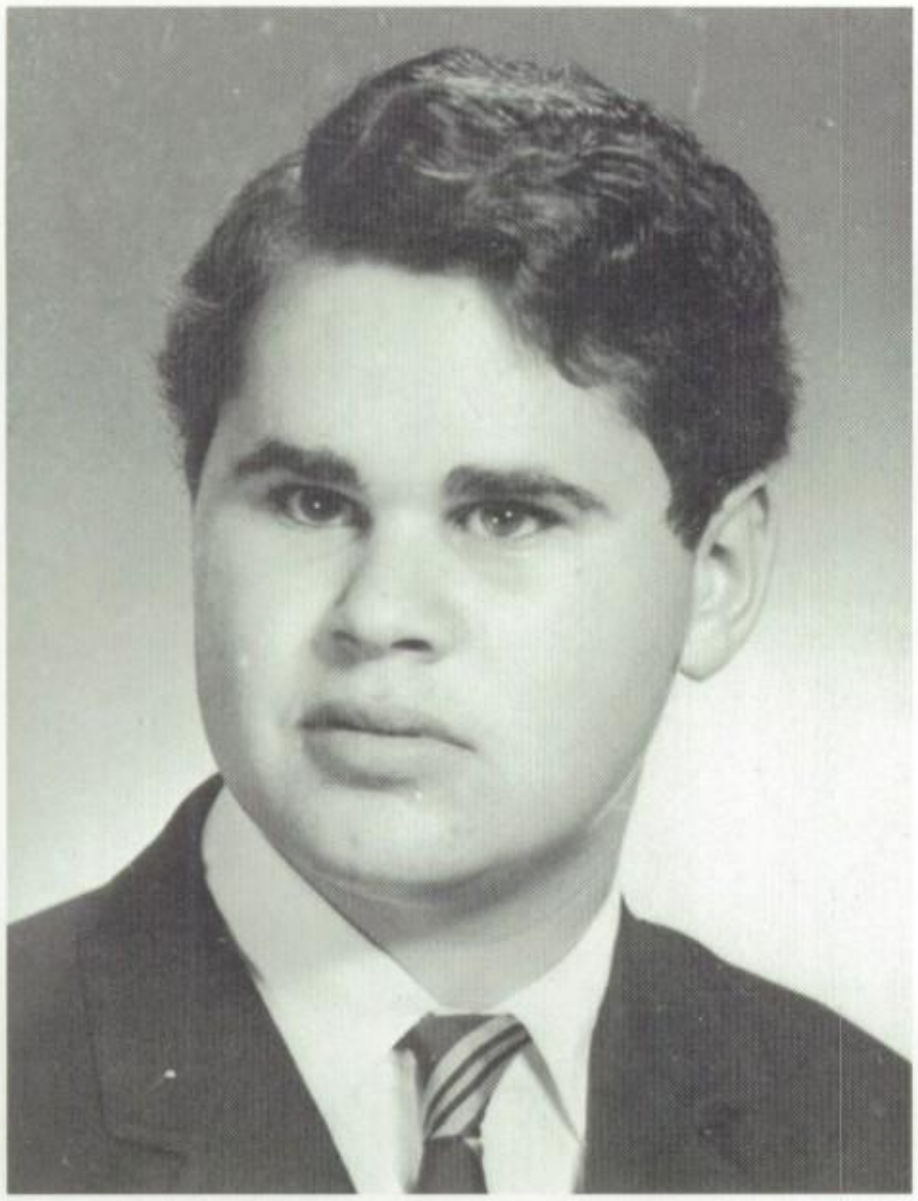
KENNETH WNUK

Tennis 1,2; Soccer 2; Rifle Team 1,2.

Kenny likes to tell everyone he comes from Milford. Why he does this is anyone's guess. Kenny is known for maintaining a high honors average while at Milford and falling asleep in Mr. Bray's class. Kenny is leaving us for greener fields and we are sure that he will be a success at Central Missouri University.

MICHAEL ZANIEWSKI

"Zites" can be found any time of the day sleeping in his blown up station wagon, or trying to beat Peter Cammarano at billiards in Mr. Kallstrom's basement. Mike will definitely be missed when he graduates and we wish him happiness at New Haven College.



RALPH ZUCKERBERG

This is Zuck's second year at Milford and we won't forget it. He has met many people and made many friends. He is usually found in Morris Hall taking care of the ZOO!! Ralph plans to attend Ferris State University where we are sure he will do his best.

PHILIP ZYWOCINSKI

Phil's diligent participation on the sailing team has finally paid off. After being a member for two years, he was picked as this year's team captain. Sailing is a two season sport and being captain has taken a lot of "Zowie's" time, but he still managed to be on the writing staff of the *1969 Typhoon,* as well as being a member of the prom committee. We are confident that he will succeed at the University of Louisville.

THE NEW BUILDING

VICTORIA REGINA

THE DRAMA CLUB

The night of March 22 saw Milford Academy and Laurelton Hall students and many other interested people waiting anxiously and with bated breath for the curtain to rise on the first act of the class play, "Victoria Regina." With only a short time for rehearsals, the director, Mr. Louis Costaldo, whipped up with consummate skill as tasty a dish of the Thespian as was ever presented on the Laurelton Hall stage. A full house laughed and applauded enthusiastically and in such a manner as to warm the hearts of everyone involved in the production. The acting was notable in that it was natural. Backstage, Mr. Costaldo beamed with satisfaction at the reward the cast had given him for his diligent directing. Between acts the audience listened appreciatively to the fine acting voices of Eric Rutberg and Joe Frisa.

The make-up squad, scenicists, and and stage crew also deserve credit for the fine work they did in helping make "Victoria Regina" go over with a bang.
